

Ethiel Haley Again Elected President Of Alumni Association • •

Ethiel Morris Haley, 27, Ottawa, again heads the Ottawa Alumni Association, defeating Lloyd Grif-feth in a close race.

She leads a ticket of new officers which will carry on the work of the association in excellent manner during the current year.

Directors elected were: George Lister, '37; Eleanor Vincent Elling, '35; Gertrude Jewell, '30; S. Robert McCrea,, '25; Lorena Cassidy, '10; Jessie Remington Willis, '05.

The definite details of the program for the year have not as yet been worked out, but the following will undoubtedly be among the projects:

Service Men's Work
Chapter Expansion
Student Enlistment

These three have been the big movements of the year just closed. The Service Men's Committee, featuring the news letter to men in the armed forces, has been lauded time and again for its contribution to the war effort. The praise came from the soldiers and sailors; so it can be seen that the work is highly successful. Adeline Shinn heads the group which writes the letter each month.

The Chapters Committee, of which George Lister was chairman, worked with local groups in holding dinners and student enlistment parties. This was a big help to the University and will probably be repeated this coming year.

These activities will be in addition to the work on reunions and other alumni routine projects.
