

ANNUAL BAPTIST ASSEMBLY OPENS

ENROLLMENT IN PROGRESS,
WORK OPENS TOMORROW

Tents Are Going Up on O. U.
Campus—Girls To Have House
Party in Gymnasium

The annual Kansas Baptist Assembly will open tomorrow on the Ottawa University campus to last until August 14. Enrollment was in progress today. Advance interest indicates an average enrollment despite the drought and heat. Enrollment at the western assembly at Scott City, which closed last week, was larger than usual. The enrollment here last year was nearly 250, an increase over the year before.

Tents were being pitched on the campus today. Some of the visitors will enjoy camp life. Arrangements have been made for a house party for girls in the gymnasium. The schedule calls for class work in the mornings, recreational activities in the afternoons, and a vesper service and program each evening. Rev. A. Lawrence Black of Topeka is dean. E. F. Rounds of the Philippine Islands, Richard Hoi-land of Philadelphia, Miss Elsie Root of New York, of the council of finance and promotion of the Northern Baptist convention, and Miss Alma Smith of Mather school, Buford, S. C., are among the teachers. Others are Rev. B. E. Mills of Pratt, Rev. C. J. Askins of Pittsburg, Rev. Elmer Kirkpatrick of Coffeyville, Mrs. C. D. Whitson of Winfield, Prof. and Mrs. Ellis Jackson of Jetmore, Rev. Lloyd Griffith of Chanute, William Christie of Topeka, Maurice Jackson of Claypek, Maurice Jackson of Clay Center, Miss Eleanor Lister of Holton, and Howard Rounds of Ottawa. Mrs. Mercedes Cole will be in charge of the dining hall. Mrs. Kirkpatrick and Mrs. Askins will have charge of the library.

O. U. GRADUATES TO SCHOOL JOBS

TWENTY-TWO WILL BEGIN
FIRST ASSIGNMENTS

Several Enter Business, Some At-
tend Seminaries—Others
Hoping for Places

When the Kansas high school bells ring next Monday and the following Monday 22 young Ottawa University graduates will begin their first teaching assignments. They go to places scattered all over the state and will teach courses ranging from music to coaching. All of them graduated last spring and many of them have secured positions this summer.

Ardelle Baker will teach in Robinson. Gerald Barker will teach and coach at the Appanoose high school in Franklin county. Jane Bowers will teach English and history at Erie. Louise Clark will teach several subjects in Quenemo. Josephine Dalton will teach in the junior high and grade school at Wakeeney. Trenna Goodwin will teach music and other subjects at Olivet.

Lafayette Haughn will teach and coach at Quincy. Viola Heitschmidt will teach music at Ozawie. Olive Jackson will teach several subjects at White Cloud. Hazel Kruse will teach a country school near Lorraine. Homer Martz will coach at McCracken and Lorena Thompson will teach history and other subjects at the same place. Margaret Morrison will teach at Cuba, Kas. Allan Pett will coach at Tonganoxie. Hugh Mullen will coach at Kilahe. Robert Schendel will coach and teach at Elgin, Okla. Wendell Starr will teach in Victor, Colo. Carol Steiger will teach music in Nortonville. Mary Ruth Treat will teach music in

Sickles, Okla. Mildred Wilson will teach English at Easton.

Several other university graduates of last spring are now employed. Howard Doman will begin work Monday as a salesman for the Inter-Collegiate Press of Kansas City. Prentiss Haworth is employed as a chemist in the laboratories of the United States Rubber company at Detroit. Edgar Thiel, who also received a law degree from Washburn last spring, is practicing law in Colby.

Many of the class will go on to graduate school. Dorothy Rumbek will continue her music study at K. U. and will give piano and organ lessons in Ottawa. Lowell Clemmons will enter medical school but is not certain where. Berry Dillon will probably enter the social service school of University of Michigan at Ann Arbor. Leland White and Ernest Ikenberry will enter graduate school of K. U.

Five ministerial students will enter training this fall. Clarence Dowell will go to the Kansas City seminary. Mr. and Mrs. Gordon Schroeder and Gustave Gabelman will go to the Eastern seminary in Philadelphia. Howard Haworth will attend the Louisville, Ky., seminary. Charles Johnson has left for the Ft. Worth seminary in Texas.

This leaves only about a half dozen of the class without positions and some of these are likely to receive teaching or other assignments this week.

O. U. SUITS COLORFUL

Football Squad Will Attract Much
Attention This Season.

"We do not know how many games we will win, but there will not be many teams better dressed in Kansas," said an Ottawa University grid veteran yesterday. Style, color and flash will be the keynotes of the new outfits which Coach Richard M. Godlove has purchased for the Braves who will fight on the gridiron for the glory of old Ottawa.

The ends and the backfield men will be outfitted with black silk pants cut to a tailored fit while the linemen will wear black whipcord pants that are just as snappy as the silk ones. If the pants are sombre in color, the jerseys make up for it with a riot of smashing effects. They are yellow wool trimmed with black silk which is sewn on with red thread. The upper part of the sleeves have two wide black stripes and a narrow red one. The stocks will be black with yellow stripes. Helmets will be black unless Godlove finds some new paint at the last minute and daubs it on. (He has been experimenting with types of paint for the headgear and some of the boys are afraid they will have to go onto the field with fresh paint on their helmets.)

O. U. CHARGE \$7 FOR THE SEMESTER

THIS INCLUDES ALL CHARGES,
ES, DR. MARTIN SAYS

This Represents Only About
Per Cent of Operating Costs—
Rest Is Met Otherwise

Dr. Andrew B. Martin, president of Ottawa University, answered to many questions concerning the tuition charge at the school. He explained that the \$75 per semester charge includes not only tuition but all university fees.

"That figure represents tuition, laboratory fees, library fees, social fee, gymnasium fee, student activity fee and other payments which are usual in universities. The only fee which is not included in the lump sum is the \$5 matriculation or entrance fee which is charged only once," said Dr. Martin.

"We feel that it is much better to lump university charges together in one figure than to assess the student fee every time he turns around. Certainly much more easily understood by student and parents under the present system," said Dr. Martin.

"The amount the university collects from the students represents only about 45 per cent of the operating costs per year. The balance comes from endowment and from contributions to the university. In all universities, public and private, the student in any way or another pays a part of the costs. But in none that I know of certainly not very many, is the amount which is paid by the students pay the full operating costs.

"It is our purpose at all times to operate an efficient university where the students are getting adequate education at the most economical figure possible. Of course, we could lower tuition just as any school could lower fees or tuition, but if we did it would mean the lowering of the quality of instruction. We are sure that people of Ottawa will express their opinions thus: 'do not want us to do that.'"

ARRIVING EARLY FOR O. U. YEAR

MANY STUDENTS COMING IN
FOR CONFERENCES

Registration Begins Next Tuesday
—Football Practice Starts;
New Teachers in Town

The 72nd session of Ottawa
University will officially open
next Tuesday, September 15, with
a convocation at 10:30 at which
Rev. George Wise, new secretary
of the Kansas Baptist convention
will speak. Registration will begin
at 1 o'clock on Tuesday and will
continue through Wednesday.
First class sessions will be held
beginning at 8 o'clock Thursday
morning.

The university offices have
been crowded this week with new
and old students coming in for
conferences regarding courses and
work. Many of the old students,
anxious for school activities to get
under way, are arriving earlier
than usual. Football practice,
earlier than usual. Foo SHR—
which got under way at 10 o'clock
this morning, has attracted quite
a few. Until school opens the
boys will eat at Charlton cottage
on the campus. Other students
have arrived either to open up
houses for students or to partici-
pate in making arrangements for
the many student activities which
are held in connection with the
opening week of school.

Miss Ruth Bundy, registrar,
pointed out this morning that
while students are free to come
for conferences on courses, regis-
tration will not begin until Tues-
day afternoon and no students
will be registered until that time.
This plan is being followed so
that all instructors and advisors
may be present to approve
courses at the same time. As
usual the registration will take
place in the commons room of the
administration building.

It was also pointed out that
freshmen should request trans-
cripts sent to the university from
high schools at once. Freshmen
are admitted unconditionally to
the university if they have a di-
ploma from an accredited high
school or if they have 15 units of
acceptable high credits even
though they have not graduated
from high school. They are ad-
mitted conditionally to the uni-
versity if they have 14 credits for
acceptable high school work. No
mathematics or foreign language
is required for admission to the
university.

Dr. Stuart M. Pady, new head
of the biology department, arriv-
ed in town Monday. He and
Mrs. Pady will live in the house
at 840 South Oak. Dr. Pady will
be available for conferences dur-
ing the remainder of the week.
Dr. James A. Lyons, new head of
the economics department, is ex-
pected to arrive in Ottawa today.
Other faculty members are almost
all in town now. There will be a
faculty meeting Friday after-
noon.

NYA AID IS UP

More O. U. and High School Stu-
dents Helped This Year by
Federal Funds.

Ottawa University has been in-
formed that there has been an
increase of 50 per cent in Na-
tional Youth administration funds
provided for college students who
are in need of aid. This will mean
\$765 per month. It will be paid
students who are doing work ap-
proved by the government. Each
student who receives this aid is
able to earn from \$7 to \$15 per
month. About 50 students, most
of whom have already been ap-
pointed, will be given work on the
campus.

The NYA aid allotment for
high school students in Franklin
county has been increased from
\$184 to \$217 a month. At a re-
cent meeting of high school prin-
cipals it was decided to apportion
this on an enrollment basis,
which would give Ottawa high
school about \$70 per month.
Principal R. E. Gowans said he
would have a meeting of interest-
ed high school students tomorrow
to discuss work plans. Work will
be provided for those seeking
NYA aid at 20 cents an hour, and
not more than \$6 a month.

FANS GUESTS TONIGHT

Godlove Has Some Idea of Start-
ing Lineup Friday Night.

The Ottawa University night
football practice open to all men
of the town will be held tonight
unless there is too much rain
between now and the time for
the practice starting time. The
doors of the gym will be open at
7 o'clock tonight and the practice
should get under way at 7:30.
In case of a muddy field the open
practice will not be held tonight.

Out of the jumble of players
Coach Richard Godlove now has
some idea of whom he will start
in the Haskell game at Lawrence
Friday night. The two ends will
be selected from Bill Mattis, Ar-
nold Allen and Dave Conley; the
two tackles from Leonard Hof-
stra, Bob Harrop, Harold Pitts
and Gilford Orr; the two guards
from George Lister, Paul Dietrich
and Gordon Daugharthy. The
center will be either Cecil Smith
or Leo Updike. The quarterback
will be either Lyman Morgan or
Oliver Smith while the halfbacks
will be selected from Eugene
Harding, Dorbin Gardner and
Joe Lynch. The fullback will be
either Don Hough or Philip Pal-
mer.

The squad went through an-
other stiff workout last night and
looked much better than they
did Monday. Two or three more
practice sessions should put the
boys in fair shape for the Haskell
game.

O. U. CONSIDERS NEW DORMITORY

COMMITTEE TO BE APPOINT-
ED TO INVESTIGATE

Trustees Adopted a Budget of
\$86,250 for Year; Pleased
with Progress Made

The Ottawa University board of
trustees met yesterday in the ad-
ministration building, carried on
routine business and adjourned
after expressing satisfaction over
the way the university is making
rapid progress under the leader-
ship of Dr. Andrew B. Martin,
president.

Much of the day was spent in
considering the finances of the
school. After lengthy considera-
tion the budget was set at \$86,-
250 for the year which started
Sept. 1 and will continue until
Aug. 31. This new budget includes
all expenses of the university in-
cluding those which have been
heretofore charged to the summer
session.

The board voted to appoint a
committee which will investigate
the need for and the possibilities
of a new dormitory at the univer-
sity. There are no definite plans
as to the building and probably
will not be for some time, but the
board wants information along all
possible angles.

Dr. C. O. West of Kansas City,
C. O. Mammel of Hutchinson, F.
O. Oberg of Clay Center, Conrad
Ross of Hiawatha and Henry
Froning of Geneseo were elected
to membership on the board. The
executive committee elected yes-
terday to serve during the coming
year includes Arthur Willis, B. F.
Bowers, M. H. Forester and Bert
Anderson of Ottawa, Fred P. Mar-
tin of Topeka, O. A. Powell of
Wichita and O. F. Dubach of
Kansas City.

The board voted to send letters
of appreciation for the services
rendered to the school by Dr. W.
B. Wilson and Prof. R. H. Ritchie,
who retired from full-time duty
last spring after serving the uni-
versity for many years.

In his report to the board Dr.
Martin spoke of the changes in
the faculty, in the curriculum and
in the student organization. He
assured them that the faculty
and administration are doing
everything possible to hold up and
raise the scholastic standards of
the university. At the conclusion
of his report he introduced new
faculty members.

YOUNG GOP BIDS STUDENTS OF O. U.

INVITED TO MEETING HERE
TOMORROW NIGHT

Plans To Be Completed For District Gathering—Other Political Activities

Ottawa University students are being especially urged to attend the meeting of the Franklin County Young Republicans scheduled for Thursday evening at 8 p. m. in the women's headquarters at 431 South Main, Drury Brown president announced today. A drive for membership is being staged at this time. The session tomorrow night has been called to complete organization to handle the second district Young Republican convention scheduled here for October 16. The convention will include a banquet, a national speaker and a torch light parade.

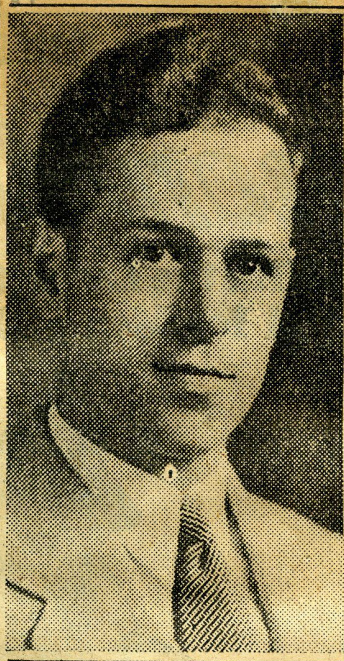

Mrs. Harmon Allen, as director of the second district Kansas Women's Republican club today announced a district meeting for 11 a. m. Monday, September 28, at the Kelly hotel in Iola, with a luncheon at noon. Speakers for a forum session during the morning will be Mrs. Ralph A. Harris, Ottawa, national committeewoman from Kansas; Mrs. Ed F. Graham, of Peabody, state vice chairman of the Kansas Republican central committee; and Mrs. Ed F. Abels, Lawrence, president of the Kansas Women's Republican club. Following the luncheon at 12:15, Attorney G. W. Kelsey of Ottawa will speak on the subject "Common Mistakes in Marking Ballots."

Tomorrow evening when the covered dish supper is held under the direction of the county Democratic Women's organization in the basement of the court house, Mrs. Ed S. Stoffer, county vice chairman, will gather up the donkey banks which have been filled by the women. Mrs. David Doten of Paola will speak on the purpose of the donkey drive, as a part of the national round-up of the banks on September 24. The public is invited to the supper, and program to be held at 6:30.

Saturday evening Mrs. Anna Dickie Olesen, former national committeewoman and Democratic candidate for U. S. senator in Minnesota will speak at a public meeting in Memorial auditorium at 8 p. m. The Young Democrats also have a watermelon feed arranged for Monday night in Forest park.

This afternoon Mrs. W. W. Broyhill spoke at the Republican women's headquarters, 431 South Main. Tomorrow noon, Republican women will have a luncheon which is open to the public. Saturday The Franklin County Women's Republican club will meet at the women's headquarters at 2:30 and Attorney B. W. Kelsey will speak. On Monday evening, September 28, Congressman U. S. Guyer will speak at a second district Republican rally to be held in the Douglas county court house in Lawrence. His address will be broadcast over WREN between 8:30 and 9 p. m.

OTTAWA INVADES HASKELL

New Coach Makes Debut in Game At Lawrence Tonight.

Ottawa, Kan., Sept. 24.—(Special)—The Ottawa university Braves, groomed and primed as well as they could be in three weeks, Friday night will don their new suits and show Coach Richard "Dick" Godlove, their new mentor, just what they can do in the way of playing football against the Haskell institute at Lawrence.

The ends will be named from Bill Mattis, Dave Conley and Arnold Allen. There is plenty of weight at tackle and the two starters will be chosen from Leonard Hofstra, Bob Harrop, Harold Pitts and Gilford Orr. The two guards will be named from George Lister, Paul Dietrich, Gordon Daugharthy and John Haley. Cecil Smith or Leo Updike will get the center call.

The backfield is still a problem, but it seemed certain that one of two Leavenworth boys, Lyman Morgan and Oliver Smith, will get the selection at quarterback. The halfbacks will be named from Eugene Harding, Dorbin Gardner, Joe Lynch and Lyle Swetnam. The fullback will be Donald Hough or Philip Palmer.

700 IN COLLEGE FROM FRANKLIN AND VICINITY

Higher Education Attracts A Large Group

O. U. AND K. U. LEAD

At Ottawa U. Are 116, and at K. U. 68—Many Are in Other States, and a Considerable Number in Special Training—The List.

Several hundred young people from this vicinity are in colleges and universities over the country. Ottawa University and the University of Kansas have large enrollments from this area and the

general roll of schools represented presents an interesting array. The glamour of attending college is in its height for some, while others face the year's work more matter-of-factly, continuing work already started.

Cole Summerfield Scholar

Of the younger group, a number have already proved themselves by earning special honors in high school and out and are ready for new fields to conquer. One of the outstanding younger students to achieve honor is Elijah Cole, who graduated last spring from Ottawa high school. Cole is one of 12 boys this year who were selected to receive a Summerfield scholarship at University of Kansas. These scholarships, awarded on high scholastic ratings, personality and leadership, provide a 4-year course with expenses paid, provided the recipients are able to maintain the high standards required.

J. Ward Smith, Ottawa high graduate, has gone to the west coast to enter Leland Stanford university, Palo Alto, Calif.

Miss Laura Gruver, Ottawa high graduate who attended University of Kansas last year, is entering the Eastman School of Music, Rochester, N. Y.

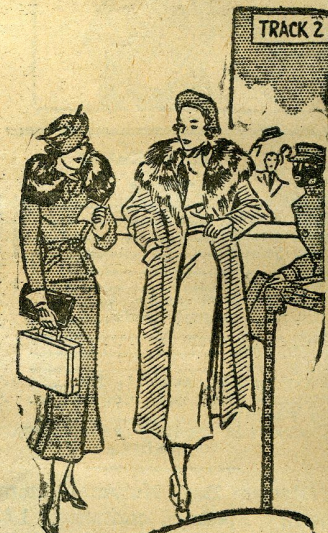

Miss Margaret Louise Stookey is a new student at Lindenwood college, St. Charles, Mo. Miss

wa, Lawrence Woodruff and Arnold Johns of Williamsburg are students in Fort Scott junior college.

Miss Beltz to New York
In the fields of special talent, Miss Mary Louise Beltz, former Ottawan, graduate of University of Kansas school of fine arts as a voice major, has gone to New York to continue her study. Miss Valeska Powell, also a former K. U. student, who has a dance studio here, is at present at the Franchon-Marco studio in Hollywood, Calif., where she is taking special study in tap, acrobatic and ballet dancing. She will be home early in October.

Leland Rodgers, Ottawa University graduate who has been studying for his master's degree at University of Iowa, Iowa City, will continue his graduate work this semester at that school. He expects to finish the requirements for that degree in February. Mr. Rodgers, in addition to his study is employed in the biology department of Iowa University and it is in that field that he will get his degree.

Sixty-eight in K. U.
Probably the largest contingent ever to attend University of Kansas from this vicinity is enrolled there this semester. Records at the school show 68 from Franklin county. O. U. students who have transferred to K. U. are Groves Lucas, Lloyd Robinson, Kenneth Harris, Warren Scott, Stanley Paine, Margaret Blunk and Chester Newland. Miss Dorothy Rumbek, O. U. graduate, is working on her master's degree in music at University of Kansas.

Former O. U. students from other towns transferring to K. U. include William Wickliffe, Richmond, and Dorothy Stillions, Blue Springs, Mo.

Ottawa high school graduates of 1936 who are at K. U. include: Jack Happy, Mary Eloise Garrison, Emory Coll who now lives in Lawrence, Martin Callstrom, Jr., Elijah Cole also now living at Lawrence, Richard Grayum, Louise Allen, Robert Brooker, John Moberly and Ralph Weedman. Miss Lucile Nelson who attended Lindenwood college at St. Charles, Mo., last year and Miss Peg Becker of Denver, also a student there and a former Ottawan have both transferred to K. U.

Fred Moore will continue his work toward a master's degree in chemistry at University of Kansas.

Continuing his law studies, is K. U. and Robert Averill, former M. U. and O. U. student who went to K. U. last year is also a law student there. Ray Anderson, O. U. and Northwestern University student, is working in the law field.

the chemistry department. Nor-
man Jeter, O. U. graduate, is
continuing his law studies at
K. U. and Robert Averill, former
M. U. and O. U. student who
went to K. U. last year is also a
law student there. Ray Anderson,
O. U. and Northwestern Univer-
sity student, is furthering his
work in the K. U. school of
medicine. Leon Akin of Rich-
mond, Sterling college graduate,
will take postgraduate work in
music at University of Kansas.

Other Ottawa students at K.
U. beside those mentioned in-
clude: Marguerite C. Burk, Caro-
lee Becker, George Bettge, Ben-
jamin Sheldon Bowers, Maxine

ville; and C. W. Robe, Williams-
burg. Students from Quenemo,
in Osage county at K. U. are Ar-
lan Wilson, Paul Wilson, Joe
Marshall and Walter O'Connor.

116 in Ottawa U.

One hundred sixteen Franklin
county young people are students
at Ottawa University, 100 of that
number from Ottawa. The Frank-
lin county total is two less than
for last year which was the
largest number ever to register
from this county at O. U.

Freshmen enrolled from Otta-
