PAGEANT FITTING CLIMAX TO STATE BAPTISTS MEETING

Three Hundred Persons in Historical Setting

ON 75-YEAR PERIOD

Ottawa University's 70 Years of That Time Also Depicted, 25 Groups Participating — 3-Day Convention Declared Greatest in History of Kansas Baptists.

(Exclusive Ottawa Herald local pictures on page one tonight).

A 300-person pageant with 25 groups participating presented the history of 75 years of Kansas Baptist convention history and 70 years existence of Ottawa University in Memorial Auditorium last night. It was a fitting close to one of the largest and most worthwhile of state conventions. A capacity audience was present.

The general pageant committee was Dr. J. T. Crawford, Topeka, executive secretary of the convention and pageant narrator; Rev. W. A. Elliott, Dr. W. P. Behan, Ottawa University dean; and Mrs. Alice Gordon Wilson, head of the university department of speech and dramatics.

Mrs. Wilson was general director with the assistance of the following production staff of Ottawa University students: Miss Lorene Thompson, costumes; Miss Charlene Cheney, properties; Miss Frances Clanton, art; Miss Maude Olson, scenery; Miss Merle Adams, makeup; and Clay Woolfolk, electrician. Dr. W. B. Wilson was university historian.

The group and their leaders who were included in the pageant were: Haskell Indians, Rev. A. A. VanSickle, Lawrence; Lawrence people, Miss Dorothea Simons; pastors, Rev. W. A. Elliott; laymen, Rev. J. W. Bayles; women, Mrs. J. N. Atkinson, Kansas City; Swedish, Rev. A. Holmer, Topeka; German, Rev. A. Otto, Topeka; Baptist young people, Howard Haworth, Ottawa; Negroes, Rev. C. O. Marshall, Ottawa; Sunday school, Miss Ola Easley and Mrs. E. C. Twining, Ottawa; Bethel neighborhood center of Kansas City, Miss Ottillie Pechous, Kansas City; Sunset Home Concordia, Miss Thelma Henshaw and Mrs. T. W. Henshaw, Ottawa, and Supt. J. Paul Erickson, Concordia; and Mexicans, Rev. J. N. Martinez, Kansas City.

Picture slides were also used in presenting the various characters in the presentation. The cyclorama of draperies and other properties were especially prepared.

The closing climax brought all the various groups on the state for a scene, "The Adoration of the Cross" with a spotlight on the large central cross. The university choir sang from behind the scenes, "Thine Is the Kingdom" from "The Holy City" by Gaul. Prof. Edgar D. Kerr is choir director and Prof. Everett Fetter, leader of the university orchestra.

The convention here for three days was declared the greatest in the history of Kansas Baptists, according to Rev. W. A. Elliott, who quoted numerous leaders. Registration reached 935 delegates and visitors last night.

As preparation for their appreciation of the pageant last night, visitors here heard Rev. W. A. Sharp of Council Grove give an anniversary historical address yesterday afternoon, went to the Indian cemetery northeast of Ottawa where Taury Jones and Rev. and Mrs. Jotham Meeker are buried, and then were taken on a tour of the Ottawa University campus by student ushers. Miss Nelle Buchanan of the faculty was in charge of a tea at Charlton Cottage and Miss Martha Stoltz of exhibits on the campus.

FOOTBALL EXPENSIVE

O. U. SEASON WILL COST MORE THAN \$2,000.

Which Explains New Admission Plan—Reserve Sale Opens Friday—First Game Sept. 27.

The reserved ticket sale for the Ottawa-Omaha University football game Sept. 27 will begin Friday at the Davis-Wassmer Clothing store. Reserves will be 75 cents including tax which is a reduction of 8 cents per ticket over last season. General admission will be 55 cents including tax. University officials are planning to reserve all seats believing most Ottawans would rather pay the slight extra charge than to come an hour or two early in order to get unreserved seats.

"How much does it cost to put on a home football season?" Someone asked that of Coach Charles Dee Errickson recently. The questioner was completely taken off his feet when the genial mentor replied, "Oh, it takes something over \$2,000."

The bystanders were just a bit mystified and wanted to know just how come. So Errickson did a bit of explaining.

"To bring a group of good teams to Ottawa we must first plan on paying guarantees that are pretty large. This year the total of these on our four games will run over \$1,000. That is not an outrageous figure when it is remembered that the average football squad includes about 30 persons. Just try and pay transportation charges, hotel bills and incidentals of a football trip out of too small a fund and see how far you get. No good football team will make a trip on a guarantee less than the travel cost. We don't expect to do it ourselves and we have to be fair to other teams.

"Then we have to pay the costs of putting on the games themselves. We believe that teams and patrons want competent officials. Since that is true we have to pay for them. There are three officials, so figure it out for yourselves. Of course there are many other expenses that we have to meet such as for a loudspeaker to make the game more explicit for the patrons, guards, advertising and the like.

"Equipment costs run into quite a bit of money. We are careful in what we buy but we are always sure to have the right kind of protection for each player.

"You understand, surely, that the games are not put on first for entertainment. The games are organized contests between colleges, but with the teams and public cooperating as grand a bit of entertainment is put on as folks will see anywhere.

"We do not make money off athletics at the university. But we do try to make them pay out so that money taken in for the general college fund is not cut into by the athletic department except for salaries.

"Just remember," Errickson concluded, "that football is an expensive game but is the finest sort of fall entertainment. We hope all Ottawans will do their best to help us make it break even."

ALL SET FOR OMAHA

O. U. OPENS GRID SEASON HERE TONIGHT.

Big Pep Rally Last Night Was Addressed by Lambertson, Harris and Gibson.

Congressman W. P. Lambertson of Fairview, and Senator Fred M. Harris touched off the enthusiasm last night for the Ottawa-Omaha University game to be played tonight starting at 7:45 on Cook field. Recalling his days here in the university, Lambertson expressed his interest in the game and urged the team on to victory. Mr. Harris expressed a hope for a good team and pledged the support of the older folks.

Mayor E. V. Gibson told the team and its supporters that the whole town is back of the team. Dr. W. P. Behan capped the short talks with a pep talk after which the students and townspeople went over to a big bonfire on the south campus for a few cheers. Then the freshmen clad in a variety of pajamas paraded downtown to the delight of many on-lookers.

The two big teams are all ready to go. The Omaha team arrived today and is in fine shape and mettle for the fray. Coach C. L. Hartman's Nebraska boys already have one victory this season, having beaten Morningside college in Iowa last Friday 14 to 6. Against Ottawa he will start an experienced and heavy team with the hope of duplicating the 26 to 0 victory over the Braves last year in Omaha.

Fans are anxious to see what the Braves have. Last night the veterans and newcomers on the squad assured the folks attending the rally they would be out on the field giving their best every minute of the game. There are

many who think that "best" is much better than it was last year.

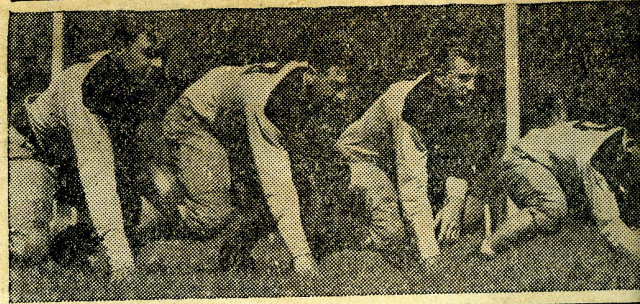

In the backfield Coach Charles Dee Errickson will probably start Gerald Barker, Hugh Mullen, Lloyd Frear and Henry Loveless. There is a quartet with experience and power. At ends the starting lineup will be, more than likely, Ernest Klauman and either Allan Pett or Bill Mattis. The tackles will be Bob Harrop and Harold Pitts. The guards will be Paul Dietrich and Gordon Daugherty. Homer Martz will be the center.

Hartman will probably start Tyler, Peary, Loder and Brown in the backfield. Elliott and N. Sorenson will be the ends, Gardner and H. Sorenson will be tackles, Crawford and King will be the guards. Johnk will be center.

The field is in excellent shape. Gates will be open at 7 o'clock. Tickets will be on sale at the Davis-Wassmer clothing store until 6 o'clock. Fans are urged to buy downtown if possible to avoid the crowd at the gate.

Officials tonight will be McCleary, Oklahoma, referee; Hodges, K. U., umpire, and Dr. J. A. Reilly, Georgetown, head linesman.

RESERVES TO FORT SCOTT

O. U. Seconds To Take on Fast Junior College Friday Night.

A bus load of Ottawa University football reserves will leave tomorrow afternoon at 2 o'clock for Fort Scott where they will meet the Fort Scott junior college team tomorrow night.

The rookies are very raw. Most of them are freshmen without any college football experience. Since most of the training has been done with the varsity team in the 10 days of practice not much polishing work has been possible. They will not have too many plays. Someone said yesterday they would have a pass, a punt and a lot of prayer.

Against them will be the state championship junior college team, a squad of veterans. But whatever happens some of the men are going to get some valuable experience. Coach Charles Dee Errickson is keeping an eye on several candidates and hopes he will be able to see some material develop under fire that will bolster up his varsity squad. The boys to make the trip will be named tonight.

Meanwhile the varsity men are continuing their heavy workouts in preparation for the important Omaha game here on the night of Sept. 27. A glimmer of hope that John Haley will be made eligible was entertained yesterday. It is also probable that Allan Pett will be able to come out shortly. With the addition of these two the Braves' chances of having a fair season would be considerably improved.

At Rules Meeting.—Coach Charles Dee Errickson of Ottawa University is in Kansas City today attending a meeting being held to explain the 1935 football rules. The meeting was held in connection with the Big Six conference meeting.

TO PLAY FORT SCOTT

O. U. Reserves Will Engage Practice Game Tonight

The Ottawa University Reserve team left at 2 o'clock on a special train this afternoon for Fort Scott where they will meet the Fort Scott college team in a practice game tonight.

Coach Charles Dee Errickson took the following men: Adrian Miller, Bob Gray, I. Wiberg, Charles Davis and Schendel. Tackles—Gilford, Carroll Cook, Francis Allan, Kenneth Aeschleman. Guards—Arnold Allen, George Lister, Van Horn and Lester D. Centers—Leo Updike and Mattis. Backs—Joe Lynch, Sweetman, Merle Severns, Eugene Daylight, Malvin Ma. Dean Fockele, Roy Newber, Eugene Harding.

After a heavy workout day the varsity squad will day off but will hit the field hard and heavy on Monday noon to lay all possible touches on the team in preparation for the important game to be played on Cook field next Friday night. The Ottawans will bring a polished team of veterans to Ottawa. Here the Ottawans are remembering the drubbing last year and are trying all sorts of pressure tactics to get themselves in shape. Undoubtedly it has all the earmarks of a furious battle. Errickson coached teams do not seem to be in the habit of forgetting defeats.

TO PLAY FORT SCOTT

O. U. Reserves Will Engage in a Practice Game Tonight.

The Ottawa University Reserves left at 2 o'clock on a special bus this afternoon for Fort Scott where they will meet the junior college there in a practice football game tonight.

Coach Charles Dee Erickson took the following men: Ends—Adrian Miller, Bob Gray, Edward Wiberg, Charles Davis and James Schendel. Tackles—Gilford Orr, Carroll Cook, Francis Allard and Kenneth Aeschleman. Guards—Arnold Allen, George Lister, John Van Horn and Lester Davidson. Centers—Leo Updike and Bill Mattis. Backs—Joe Lynch, Lyle Sweetman, Merle Severns, Clarence Daylight, Malvin Marchand, Dean Fockele, Roy Newberry and Eugene Harding.

After a heavy workout yesterday the varsity squad will have a day off but will hit the practice hard and heavy on Monday afternoon, to lay all possible finishing touches on the team in preparation for the important Omaha game to be played on Cook field next Friday night. The Nebraskans will bring a polished squad of veterans to Ottawa. However, the Ottawans are remembering the drubbing last year and applying all sorts of pressure to get themselves in shape. Unquestionably it has all the earmarks of a furious battle. Erickson-coached teams do not seem to be in the habit of forgetting past defeats.

O. U. RESERVES LOST

Newberry, O. U. Player, Suffered a Broken Collar Bone.

The Ottawa University reserves were defeated 32 to 0 last night at Fort Scott by the Fort Scott junior college. The veteran junior college team led by a flashy backfield star, Melvin Seeley, tromped over the Braves in the second and fourth quarters for five touchdowns.

Coach Charles Dee Erickson's crew lacked polish as was expected. But at times they showed quite a bit of stuff and once carried the ball down to the juniors' 2-yard line. Once again they forced them back to the 8-yard line and another time down to the 12.

One serious injury was sustained. Roy Newberry, freshman backfield man from Neodesha, received a broken collar bone. He will be kept out of the game for some time.

Coach Erickson was not too much disappointed but feels there is much work to do before the Omaha game next Friday night.

The young Braves hope they will be in better shape when they meet Iola later in the season.

The players who made the trip were Robert Gray, Carroll Cook, Arnold Allen, Leo Updike, George Lister, Gilford Orr, Adrian Miller, Lyle Sweetman, Clarence Daylight, Roy Newberry, Joe Lynch, Dean Fockele, Bill Mattis, Francis Allard, Lester Davidson, James Schendel, Malvin Marchand, Eugene Harding, John Van Horn, Charles Davis, Merle Severns and Edward Wiberg.

Mattis' Team Won.—The Corning high school football team won its first game against Havensville last Saturday by a score of 20 to 0. Art Mattis, O. U. football star last season, is coaching at Corning this season.

THREE VETERANS REPORT

O. U. Works Out on New Plays for Omaha Game.

Prospects for an improved football team loomed to the fore yesterday afternoon as three lettermen reported for duty on the practice field at Ottawa University yesterday afternoon. Allan Pett, big end and a star on defense, came out with the report that his eyes are much improved since a recent change in his glasses. Asa Eagles reported and will be a boost for the tackle positions. Bob Vaughn reported for duty in the backfield and will add considerable power in that section.

Tackling practice that was plenty stiff was the big order yesterday and it was topped off with a bit of scrimmage that was far from being tame, after a round or so on a heavy tackling dummy.

Football fans are getting the reserves early. They are on sale at the Davis-Wassmer clothing store. The reserves have been reduced this year to 75 cents.

Coach Charles Dee Erickson has also announced there will be about 200 unreserved seats at 55 cents on the east side. Standing room will also be sold at 55 cents. The bleacher seats are expected to be taken by 7 o'clock.

The hard driving Omaha team is working out in Omaha on an attack that is designed for speed and power both of which the squad seems to have in no little quantities. In Jonck the Nebraskans have a center who weighs 225 pounds, stands about 6 feet, 4 inches and is rough and tough. He is planning on giving the guards and centers of the Braves plenty of trouble as he did last year. And they say he was just a boy last season and has now grown up.

The Braves are going to be carrying a considerable load of fire as they go into the fray and whether there be a half dozen Joncks on the Omaha team or not

DEE IS NONCOMMITTAL

Sideline Watchers Think O. U. Grid Squad Looks Good.

"They looked right good to-night, didn't they, coach?"

But Coach Charles Dee Erickson would make no comments on how good his Ottawa University football squad looked yesterday afternoon. "We'll be weak in some spots, but if the boys get in and work during the next few weeks at least we will be in there battling on every play." And that was the extent of Erickson's comments.

Meanwhile the squad went through the second session yesterday afternoon. Blocking and general conditioning was the order of the day. Assistant Coach Lloyd Dalton sent his line candidates through a practice period which included a turn at pushing the "sled."

TEAMS WELL MATCHED

Omaha-O. U. Game Friday Night To Be a Treat for Fans

Ottawa will not be left out in the national week of sports for Friday night Omaha University will invade the town for a game with Coach Charles Dee Erickson's Ottawa University Braves on Cook field at 7:45 p. m.

Frankly speaking the game would appear to be a toss-up to those who figure dope. The two teams will step onto the field weighing about the same. The Nebraskans will probably have a slight edge in experience. But the team which has the most "want to," the most dash and drive will probably come out the winner unless there are a series of breaks which, after all, make football the interesting game that it is. Omaha might come down with a rush and carry the fight to the Braves and win by a top heavy score, but that is not expected. It is expected that the Braves' forward wall will have enough weight and alertness to stem the Omaha thrusts at the line.

Erickson in between the stiff practice sessions which the boys have been holding this week has said nothing which indicates his plans for the lineup. It looks as if, however, he might start Mullen, Barker, Frear and Loveless in the backfield. That is a mighty good one. They have speed, brains, weight and power. Each can run, each can pass and catch passes, Loveless and Mullen can kick, all are experienced college players except Loveless and you never notice his lack of experience. He was a star in Ottawa high. If those boys start the game you can depend on seeing a hard driving quartet of Ottawa backs driving every minute of the game no matter how far they may get. They will be trying and doing that mighty hard.

The line is more of a problem to the side line guessers. Pett, Klauman and Mattis will be the ends to start—Pett if he is in shape will team with Klauman perhaps. Otherwise Mattis will team with the latter. Pitts and Harrop will be the tackles that may get the starting whistle. Martz will start at center. There is a line with plenty of experience and if they have the desire, they should be able to give a good accounting of themselves.

It will not be a weak team that O. U. sends in against Omaha. It will be a team on its toes with plenty of experience and enough ability to cope with situations unless Omaha is much better than last year.

C. OF E. BEAT O. U.

Braves Lacked Reserves in Second Half—Loveless Injured.

Ottawa University went down to defeat 12 to 14 against College of Emporia yesterday at Emporia but not until after the Braves had played a ripping, fighting game under handicaps. C. of E.'s touchdowns came on a drive featured by Hinkle, fullback, and on a 94-yard run by Harzman.

The first Ottawa score was made by Paul Dietrich who tore into a C. of E. punt, blocked it and dashed on to pick it up as it rolled crazily back toward the Emporia goal line. Followed by the entire Emporia team he galloped on over the goal line.

The second touchdown came in the last quarter when Harzman fumbled Swetnam's punt deep in his own territory. A pack of Ottawa players swooped down upon him and knocked the ball to the end zone where Pitts recovered for a touchdown.

The toughest break for the Braves came on the first play of scrimmage right after the opening kickoff. Big "Hank" Loveless suffered a broken bone in his foot and had to be carried off the field. In the third quarter Hugh Mullen received a hard blow and went out of his head for a few minutes and had to be removed.

In the first half Ottawa outplayed the Presbies but did not have enough reserve power to hold the power of the Emporians in the second half.

The entire Ottawa line played a smashing game and repeatedly knocked down the Emporia backs for loss even though the powerhouse did make considerable yardage on some plays. Paul Dietrich led the fighting of the line and had able assistance from "Deacon" Pitts and Bob Harrop.

Four Ottawa University seniors played great ball in their last appearance. Until he went out in the third quarter Hugh Mullen guided he team in its fighting efforts. Gerald Barker played a hard fighting game and did much nice work on offense and on defense. Allan Pett and Homer Martz in the line did a powerhouse job. Once Pett grabbed a kickoff and ran it back to the 40-yard line after eluding half the Emporia team. Martz broke up several Emporia plays before they got to the line of scrimmage. An example of the fighting spirit the Braves showed occurred in the last quarter. Emporia started what looked like a long drive making a first down. Then the Brave forward wall broke through and in three plays tossed the Presbies for 19 yards of loss.

Eugene Harding, freshman back, played a great game and showed promise for the future.

Yesterday closed the season for both teams.

The lineups and summary:

TO PLAY LAST GAME

Four Seniors End Football Careers for O. U. at Emporia.

Four Ottawa University seniors will be playing their last football game for their school Thursday afternoon when the Braves go to Emporia for a game with C. of E. They are Gerald Barker, Ottawa; Hugh Mullen, Leavenworth; Allan Pett, Topeka; and Homer Martz, Paola.

A large number of Ottawa University students and rooters are planning to attend the Turkey day festival at Emporia. The university band under direction of Howard Doman will make the trip.

Naturally, this year, the C. of E. team has the edge in the dope, but not so much of an edge that the Braves cannot beat it down. The locals are capable of playing an excellent brand of football and have exhibited that ability on numerous occasions, but never this season have they played 60 minutes of hard football. If they should do that at any time, there might be a favorable outcome. They lack man-power at several points but easily could overcome that difficulty by putting some ferocious play into the game.

One of the big problems the Braves will have to overcome is the Emporia fullback, Hinkle. He is more than a fair ball lugger, but it is on defense that he is the all-important cog. He backs the line roving back of the C. of E. forward and smashing through to ball carriers for losses or hauls them down on the line of scrimmage.

Incidentally this Turkey day game may become a regular feature between Ottawa and Emporia, replacing the far famed Emporia Teachers-C. of E. game which was played annually for over 40 years. Last year the Teachers severed relationships and took on a game with Pittsburg Teachers.

C. OF E. MEETS OTTAWA

New Turkey Day Series Opens at Emporia Tomorrow

Emporia, Nov. 26.—(Special)—A new football set-up for Emporia on Thanksgiving Day will be established Thursday when the College of Emporia meets Ottawa university. For nearly 40 years C. of E. and Emporia Teachers played on Thanksgiving Day but this year the schools went separate ways. The Teachers will be in Pittsburg for a Central conference game with the Gorillas.

Coach Herb Worl today pronounced his C. of E. team ready for the holiday against the Braves, who have not won a conference game this season. He announced his probable starting lineup as follows:

R. Lee, left end; Newland, left tackle; Wasson, left guard; Stafford, center; Laazure, right guard; Klauman or H. Lee, right tackle; Edwards, right end; Willis, quarterback; Harzman, left half; Smith or Clift, right half and Hinkle, fullback.

PLAN PRACTICE TOURNEY

Rockhurst, Baker, C. of E., and O. U. Here Next Month.

Coach Charles Dee Erickson of Ottawa University announces he has scheduled an early season basketball treat for fans. On Dec. 17 and 18 Rockhurst, Baker, C. of E. and O. U. will play on the local high school court in a series of four games. On the first night the four teams will be paired off for games and on the second night the pairings will be switched or it may be that the winners of the first night will play each other on the second.

All of the coaches will be attempting to solve the problem of putting new players into the lineups. Coach Erickson will be faced with the problem of finding at least one good guard to work with Allan Pett and a good center to alternate with Ernest Klauman. He can also use strength at the forward post to work with Gerald Barker and Clarence Daylight.

BRAVES TO MEET JAYHAWKS

Ottawa U. Hopes for Strong Showing Against K. U. Tonight.

The Ottawa University Braves will meet the University of Kansas at Lawrence tonight in a non-conference basketball game starting at 7:30. The Braves hope to make a good showing but have small hopes of triumphing over the fast traveling and experienced Jayhawks. The locals have had only a few practice sessions as compared to almost two months of work by the Kansans. Good experience will be the chief reward tonight for Erickson's Braves.

Kansas and Ottawa have met nine times, with Kansas the victor six times. In 1901 Kansas won 14 to 8, but lost both games of 1904, 21-25 and 16-26. In 1907 Kansas came back to win, 37-35, and the next year split the series, 66-22 and 33-39. The 1909 game went to Kansas 61-22, and in 1933 K. U. won both, 35-27 and 43-23.

Dec. 4, 1935

BRAVES MEET OTTAWA U. TO CLASH ON COURT IN PRACTICE GAME.

The Ottawa University basketball team will initiate the oncoming basketball season by engaging the University of Kansas in game Thursday night at Lawrence. The affair will start at 7:30. K. U., with a veteran team back, is doped to win the Big crown again this year, and so favored to win over the Braves. It is scheduled as a practice game and should give both teams a bit of experience. Coach Erickson of the Braves will welcome the game with unusual interest due to the fact that his program will be trying out a new offensive system made necessary by change in the rules which prohibits a player staying in his free throw lane more than three seconds at a time while he has the ball. That almost eliminates the center pivot play which has been so popular in the few seasons.

The first opportunity which the Braves will have to display wares at home comes next when the pre-season 4-team tournament with C. of E., Rockhurst and Ottawa participating gets under way. They are expected to be a high light of early season play and will be watched by most of the crowd in the section to see what four teams have in the way of goal-shooting forwards, tallsters and leech-like guards.

The complete O. U. schedule:
Dec. 12—Kansas U. at Lawrence
17-18—Four-team tournament at Ottawa with C. of E., Rockhurst, Baker and Ottawa
Jan. 10—William Jewell at Liberty
14—Baker at Ottawa
16—Bethany at Lindsborg
17—Kansas Wesleyan at Ottawa
24—Bethel at Ottawa (tentative)
27—C. of E. at Emporia
31—Bethany at Ottawa
Feb. 4—McPherson at Ottawa
8—Kansas Wesleyan at Ottawa
11—St. Benedict's at Atchafalaya
14—McPherson at McPherson
15—Bethel at Newton (tentative)
18—St. Benedict's at Ottawa
21—C. of E. at Emporia
Mar. 4—Baker at Baldwin

Erickson yesterday cut his varsity squad down to 17 players. Five lettermen are included in the list: Gerald Barker, Allan Ernest Klauman, Clarence Daylight and Hugh Mullen. Veterans are Gail Reese, Allen and Joe Lynch. Not still out are Eugene Harding, rean Miller, Clarence Peterson, Francis Allard, Merle S. Wayne Martin, Bill Matt, Ward Wiberg and Rule Se. Another division will be soon and a second squad will play a regular schedule.

Seniors Won Tourney. Seniors defeated the juniors in the finals of the high school basketball tournament by a score of 16 to 10. The Braves played close but raggedly played Elliott, Parks and Glas high point men of the game making five points. Elliott, Glaser are seniors and P. junior. In the first game of the tournament earlier this season the Braves scored 15 points while the juniors scored 10. The Braves scored five field goals and two free throws. The seniors scored 20 points.
