# CHAPTER NOTES *(Slightly Edited)*

## SOUTHWEST MINNESOTA STATE COLLEGE

*Reporter:* Bonnie Borchert

The Minnesota Mu chapter of Pi Kappa Delta experienced a rewarding year in both debate and individual events. A total of sixteen tournaments and one festival were attended by thirty-five students. The forensics program at SMSC is now two years old and has added twelve new members to Pi Kappa Delta, six advancements to Degree of Proficiency, and ten new applications for membership.

In more recent happenings, Bonnie Borchert and Mary Lou Peterson have been entered in the Ninth Annual Akin Award Competition in Oral Interpretation, sponsored by the Department of Speech, University of Denver. Both are members of Minnesota Mu and have both represented SMSC ably at many tournaments this past year.

Plans are being made to host an annual high school tournament this year. Plans are also being made to expand our present intramural forensic activities to interest more SMSC students in speech activities. In the near future, SMSC is planning an annual collegiate tournament.

## LEWIS AND CLARK COLLEGE OREGON

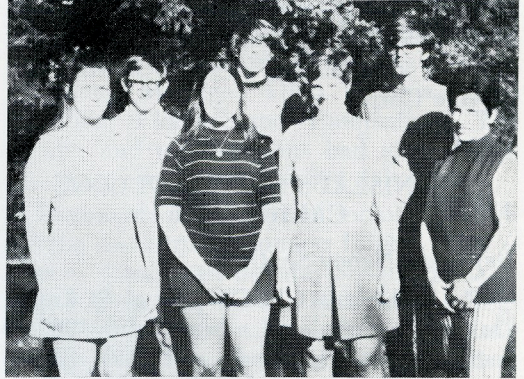

*Reporter:* Le'Anne Hall

Oregon's Beta Chapter, Lewis and Clark College, completed a most successful year of forensics competition. Attending a total of some 30 tournaments in 12 different states, Lewis and Clark brought home 6 sweepstakes awards and more than 70 trophies. In addition to competing in various tournaments, our Beta chapter supplied judges for frequent high school forensic activities. We also hosted 3 tournaments, one for 60 high schools, here on our campus. Five of our chapter members attended the Province tournament at West Yellowstone, along with the Province Governor, Mrs. Jean Ward of Lewis and Clark. Fol-

lowing their return from Yellowstone, our chapter elected the following officers for the ensuing year: Mike Fitzgerald, President; Paul Nelson, Vice President; and Le'Anne Hall, Secretary-Treasurer. Our year's activities will end with our annual Pi Kappa Delta forensic banquet for both actives and alumni.

## IDAHO STATE UNIVERSITY POCATELLO

*Reporter:* Candy Stanford

Steve Wetzel, a freshman sociology major from American Falls, Idaho, has been elected president of the Idaho Gamma chapter of Pi Kappa Delta for the 1970-71 school year. Other recently elected officers include Tom Burt from Moore, Idaho, vice president, and Candy Stanford, secretary, from Nampa, Idaho. Both Burt and Miss Stanford are freshmen majoring in general studies and speech communications.

The new officers were sworn in at the fraternity's annual awards banquet in May. William N. Corbin, director of forensics, advises the group.

Idaho State University students attended the Big Sky Invitational Forensics Tournament last April in Montana. Over 30 colleges and universities from the intermountain area participated in the tournament. Dan Parker placed second in impromptu speaking, while the team of Candy Stanford and Steve Wetzel tied for third place in debate. The Big Sky Tournament was the final one for the 1969-70 school year for ISU debaters.

## NORTH TEXAS STATE UNIVERSITY DENTON

*Reporter:* Don Edward Beck

William DeMougeot has resigned as Director of Forensics at North Texas State University in order to devote full time to his duties as Chairman of the Division of Public Address/Communication. Ben Chappell, who formerly was at Texas Christian University, has assumed the forensic position.

Dr. DeMougeot was honored with a banquet in May for his outstanding contribution to forensics, both in the state and nation, since he came to this university seventeen years ago.

## HARDING COLLEGE, ARKANSAS

*Reporter:* Wayne Dockery

The Arkansas Zeta Chapter of Pi Kappa Delta at Harding College achieved an enviable record at thirteen tournaments in 1969-70 forensic competition. The debate team began the year strongly. Notable among early successes were second place sweepstakes finishes at Southern Methodist University and Abilene Christian College. Harding had two undefeated debate teams and placed third in sweepstakes at the Bradley University tournament, reputed to be the largest speech tournament in existence.

In February, Harding speakers ranked first and second in both Junior and Senior division at the Spring Hill tournament in Mobile, Alabama.

Forging an outstanding finish to a successful year, the team swept three out of four tournaments in the last weeks of the season, including triumphs at the Mint Julep tournament hosted by Memphis State University and the Arkansas State Speech Festival, as well as an eye-opening sweepstakes victory at the tournament of the combined Pi Kappa Delta provinces of the Lower Mississippi and the Southwest.

Rounding out the total Harding forensic program, Pi Kappa Delta members con-

ducted debate clinics for interested Arkansas high schools and staged a campus-wide demonstration debate.

## BOISE STATE COLLEGE, IDAHO

Reporter: C. Harvey Pitman

For thousands of motorists driving to and from Idaho's "Capital City", Boise, Idaho, their curiosity was aroused by the Boise State College marque celebrating the May 13 installation of the Idaho Epsilon Chapter of Pi Kappa Delta.

B.S.C. is Idaho's newest 4-year college (four year status, February, 1965) which already has an enrollment equal to the enrollment of each of the other two state universities. The 32% increase in students during 1969-1970 forced an emphasis upon growth and survival (our own ecology, so to speak). The inter-collegiate forensic program was an active one last year including eight major tournaments: The two highlights for the season included our first participation in a Pi Kappa Delta N. W. Province tournament in West Yellowstone, Montana, and the Western Speech Tournament in San Diego, California.

Former Pi Kappa Delta President, R. D. Mahaffey, installed the Boise chapter, May 13, 1970. He was assisted by Craig Singletery, Lt. Governor of the N. W. Province and Mrs. Dorothy Olde of the College of Idaho. B.S.C. eagerly awaits receiving the official charter in Houston, Texas, 1971.

Pictured in the installation service of Boise State College are left to right — front row: John Warwick, B.S.C. Speech Department Chairman; Janet Beautrow, B.S.C. Voting Delegate; Dr. Craig Singletery; Robb Barraclough, B.S.C. chapter President; Mrs. Dorothy Odle, Installing officer from the College of Idaho; Dr. R. D. Mahaffey, Former National President; and Harvey Pitman, B.S.C. Director of Forensics. Second row: Robert Buttane, David Rayborn (honorary member), Eugene Brown, Patrick McDermott, Charles Davis, and Rick Hunt.

We are pleased to present our first report from Boise State College, Boise, Idaho. This picture of the marque was taken at the suggestion of R. D. Mahaffey, past Pi Kappa Delta President. He felt the "BSC welcome" to be unique and possibly useful to you — we hope so.

# STUDENT REPRESENTATIVE REPORT

Karen Marshall, Oklahoma State University

John Cliff, University of Houston

Since Dr. Rau informs us that we have only a page and a half to remark on the activities of the National Council Planning Session for the spring convention, we will omit any witty, "attention-getting" introduction.

The first thing of interest to you is the possibility of an extemporaneous debate division as an addition to the other debate divisions. The inclusion of this event depends on the response to a ballot included with the extemp. topic area ballots in the annual Secretary's fall letter. This experimental division would provide an opportunity to escape — at least for a tournament — from the "Computer Age of Debate." Be sure and make your views on this event known to your coach.

All of you — especially we low-budget squads — will be glad to know that convention accommodations at the new Royal Coach Inn and the Ramada Inn are luxurious. They both have a large swimming pool, private club, and coffee shops, and are within walking distance of a large shopping center. These facilities should make a possible evening student meeting a pleasure.

The University Center at the U. of H. will provide the facilities, and we're planning all types of "diversionary tactics" for you — bridge, spades, table tennis, bowling, and pool tournaments. We'll also have access to the student snack bar, the bookstore, an indoor swimming pool, tennis courts, and a check-cashing service.

We have planned a student meeting on the day of registration at the Royal Coach Inn. This should provide an opportunity for you to give us your ideas and suggestions for Pi Kappa Delta so that we can take them back to the National Council. We both have full privileges as voting members of the Council to express those ideas, and

John Cliff and Karen Marshall

we know from the Planning Session meetings that they will have a significant effect on the policies made.

One of the things we were most impressed with at the Planning Session was the friendliness of all the members of the Council and their receptivity to ideas and suggestions we had. They are great people to work with, and you'll enjoy meeting with them in March.

We will be personally communicating with all local chapter student presidents before spring convention. We look forward to receiving your ideas either by mail or in person during the year.

Good luck during the year, and do come to Houston in March.
