PRESIDENT'S NOTE

PENNY SWISHER

President

As I begin writing my last President's Page I find myself thinking back to our Fayetteville Convention. It sure was good to see old friends and my, the new friends I made make me look forward to LaCrosse all the more. It was a wonderful Convention / Tournament. The 1983-1985 National Council worked very hard and their efforts certainly paid off.

These past two years have been good ones for Pi Kappa Delta. There is new excitement in and about the organization. We have done a wonderful job of fostering relationships among forensic organizations, we had an integral role in the National Development Conference, we began development efforts, we sponsored several programs at SCA, co-sponsored a summer CEDA institute and had a wonderful tournament/Convention. That's "The Way We Were."

And now, with the addition of Harold Widney as Executive Secretary, Michael Bartanen as a new Council member and the leadership of Gary Horn and David Ray, these next two years will take us even further.

To Gary and David I say "full steam ahead." The organization is a strong one, make it stronger. To Harold Widney I offer my support for the demanding position of Executive Secretary. Robert Littlefield did a wonderful job in Fayetteville with the tournament, as tournament director for 1987 I'm certain it will be even better. Tony Schroeder has given us a journal to be very proud of. Continue to submit the quality articles and support "The Forensic." Let's help Terry Cole continue his great efforts at increasing chapter support of the organization. Mike Bartanen will be undertaking a much needed in-depth look at the constitution and offering suggestions to you in the form of revision—help him!

To our new student representatives Rios and Alan, thank you for being here. I hope students in Pi Kappa will find ideas to help meet your needs in the organization.

"We are the Champions . . ." in every way. The membership, the council, every part of Pi Kappa Delta makes us the champions. And the feelings of excitement I have as I now look forward to the celebration of our 75th Diamond Anniversary to be held in LaCrosse in 1987 puts the past in a reflective state and the plans for the future a reality. I sincerely hope to see you as we "Escape to LaCrosse" for our 75th.
