

# O. U. DRIVE OFF TO GOOD START

**SUM OF \$1,420 REPORTED  
RAISED FIRST DAY**

**Ed. Lister's Team Leads with \$469  
—Foundation Pledges Get  
Credit With Gifts Now**

Having worked only a half day the Ottawa University campaign committees reported at noon today that \$1,420.00 had been raised. A. C. Carpenter, chairman of the drive, said the committee felt encouraged over the early showing, but feels that the teams will have to work hard the rest of the week in order to succeed in the campaign. Ed Lister's team led in the report of the morning with \$469.00.

At the dinner held last night to set off the drive Mr. Carpenter presided and introduced Dr. Andrew B. Martin who made the first address. It was an informal talk in which he stressed the need for the university to advance. He told the workers the university had retrenched and stood still just as long as it could. If it is to be a continuous community asset certain expansions must be made, he said.

M. H. Forester was the next to speak. He spoke of the fine reputation that Ottawa has in the middle west for being a town that accomplishes many civic projects. He further stated that no institution was more deserving of community support than Ottawa University.

F. F. Fockele expressed his belief in the university and in the future that is before it. He feels the school now has competent management and should be able to make wise advances.

Mr. Carpenter gave directions to the teams following Mr. Fockele's talk. The teams are to report to their captains at 11 o'clock each day.

One matter has caused considerable questioning. Those who joined the Foundation last summer are wondering what relation that has to the present campaign. Those who signed Foundation cards last summer and give at this time will be credited as having contributed something through the Foundation to the university. Foundation signers giving in this campaign will not be approached again this year.

The headquarters of the campaign are in the offices of the Gas Service company. It is possible to make subscriptions to the campaign by calling at the office.

## PRIZE TO 3 IN FAMILY

**Lyons Brothers, Two in O. U.,  
Win Schepp Awards.**

Carl Lyons, son of Rev. W. A. Lyons of Fort Dodge, Ia., has just received a check for \$100 from the Leopold Schepp Foundation, New York City, for having lived up to the pledge of the foundation for living according to its standards for three years. He is a sophomore in Ottawa University. He had received \$100 at Christmas time, and this is the final payment. His brother, Ernory, a junior in O. U., had received \$200 previously from the foundation. Another brother, a senior in Sioux Falls, S. D., college, had also received the \$200 award.

# PLEDGES FOR O. U. AT \$5,780 TODAY

**HALFWAY MARK IS PASSED  
IN CAMPAIGN**

**Hoped To Finish Canvass by First  
of Next Week—Lamb's Team  
Still Leads.**

The Ottawa University campaign stood at \$5,780 at noon today. Harold J. Lamb's team with \$1,340 was still in the lead.

A. C. Carpenter, chairman, announced that the committee would like to have all of those persons who signed Foundation membership cards last summer and who have not been called on in the present campaign to bring their contributions to the campaign headquarters office. Since a house-to-house canvass is not to be made it is difficult for the teams to call on everyone. It is hoped all persons who signed Foundation cards will contribute to the present drive.

The committee, having passed the half-way mark in the campaign feels greatly encouraged even though there is quite a distance between the present total and the \$10,000 which is being sought.

The committee reemphasized this morning the fact that contributions can be made over a six months period. Many are doing that.

Mr. Carpenter is hoping the work of the drive can be as nearly completed as possible by the first of the week. Some of the team members have not been able to see all of their list of prospects due to the cold weather, inventories, sales and other causes. Team members reported most all of those called on are giving something to the drive. The turn-downs are not very numerous.

# O. U. FUND UP TO \$7,744

**THIS TOTAL INCLUDES  
ADVANCE PLEDGES**

**Efforts to Secure Balance  
ing Redoubled—Wass  
Team Leads Today**

The Ottawa University was up to a total of \$7,744 noon today. This amount included all of the larger gifts were secured by the advance committee. The committee, this morning that going plenty tough from here but since a large number of prospective donors have not approached as yet there is possibility the drive will succeed during the first week. J. L. Wassmuth led this morning with \$1,000 of the teams were over way mark with each having other prospects to see.

A. C. Carpenter, chairman of the drive, believes the first week will see a good revival work of the teams. The tee, he says, is determining that the goal of \$10,000 reached.

Dr. Andrew B. Martin, of the university, is anxious to have the drives here as state finished so he may know how much expansion the city can make for next year.

Since no house-to-house canvasses are being made, Mr. Carpenter emphasized that those persons in the residence who will not be called by teams working the business district should come to the headquarters at the Gas company offices. Several made contributions this morning.

The freshman class of Ottawa University held an enjoyable party last night in the common room of the Action building. Miss Ruthson was chairman of the committee which arranged decorations of red and white festoons and heart contest, the prize by Miss Wilburma Shield. John Fowler, Miss Miller received the favor of hearts. Other entertainment included a love song, a cowboy heart hunt and a raffle. Mr. Maurice Jackson, invited the young gentlemen to the class and served refreshments of ice cream, red heart center, and cakes. Miss Esther Pinson, general chairman in charge, Charlene Cheney was her committee which planned entertainment and Miss Juarill was chairman of the gifts committee. About sixty-six persons present, including instructors, Miss Lulu B. Prof. Edgar Kerr and M.

## O. U. FUND UP TO \$7,744 NOW

**THIS TOTAL INCLUDES ALL  
ADVANCE PLEDGES**

**Efforts to Secure Balance Are Be-  
ing Redoubled—Wassmer's  
Team Leads Today**

The Ottawa University drive was up to a total of \$7,744.00 at noon today. This amount included all of the larger gifts which were secured by the advance committee. The committee admitted this morning that going would be plenty tough from here on out, but since a large number of prospective donors have not been approached as yet there is a good possibility the drive will be near success during the first part of the week. J. L. Wassmer's team led this morning with \$1,750. All of the teams were over the half way mark with each having many other prospects to see.

A. C. Carpenter, chairman of the drive, believes the first of the week will see a good revival in the work of the teams. The committee, he says, is determined to see that the goal of \$10,000 is reached.

Dr. Andrew B. Martin, president of the university, is anxious to have the drives here and in the state finished so he may know how much expansion the university can make for next year.

Since no house-to-house canvasses are being made, Mr. Carpenter emphasized the fact that those persons in the residence section who will not be called by the teams working the business district should come to the campaign headquarters at the Gas Service company offices. Several persons made contributions there this morning.

The freshman class of Ottawa University held an enjoyable Leap Year party last night in the Commons room of the Administration building. Miss Ruth Thompson was chairman of the committee which arranged attractive decorations of red and white paper festoons and hearts. In a heart contest, the prize was won by Miss Wilburma Shields and Mr. John Fowler. Miss Mary Ellen Miller received the favor in games of hearts. Other entertainment included a love song contest, candy heart hunt and a reading by Mr. Maurice Jackson. The girls invited the young gentlemen of the class and served them with refreshments of ice cream, with red heart center, and individual cakes. Miss Esther Pinson was the general chairman in charge, Miss Charlene Cheney was head of the committee which planned the entertainment and Miss Juanita Harrell was chairman of the refreshments committee. Among the sixty-six persons present were instructors, Miss Lulu Brown and Prof. Edgar Kerr and Mrs. Kerr.

## SEEKS TO SPUR O.U. MONEY DRIVE

**GENERAL COMMITTEE HELD A  
MEETING THIS AFTERNOON**

**Total Had Reached \$7,865 Today  
—Bad Weather Has Delayed  
Some Solicitors**

Solicitation on the Ottawa University drive being put on in Ottawa by the Chamber of Commerce was moving slowly this morning. The total at noon was \$7,865.00 including all subscriptions secured by advance teams.

Checking over the prospect lists of the various teams, Chairman A. C. Carpenter reported that a large number of people have not yet been seen. He is hopeful that all workers will at least see all of their prospects by the middle of this week. A few solicitors have completed their work while others have hardly more than started. The cold weather with its sleet the last few days have hampered the solicitation considerably.

The general committee in charge of the drive held a meeting this afternoon at which time plans for the completion of the drive were to be completed.

*Feb. 3, 1936*

## O. U. FUND AT \$8,014 TODAY

**WORKERS HOPE TO REACH  
\$10,000 THIS WEEK.**

**Not All Prospects Have Been  
Seen, and Some Will Be  
Visited Again.**

The Ottawa University drive topped \$8,014 at noon. The goal of \$10,000 is still quite far away, but workers feel that in the week they will be able to get fairly close to that figure.

The general committee held a meeting yesterday afternoon at Nelson hotel to discuss the condition of the drive. It was found that 167 of the prospective givers have not yet been interviewed. The committee is hoping the teams will complete all solicitation this week.

The cards of those who turned down the pleas from the workers were checked over and some of them reassigned for second interviews. Undue pressure will not be brought on anyone, but all persons will be given ample opportunity to give.

It was decided at the meeting yesterday to ask all of those who signed Foundation cards last summer to give something to the campaign unless they have already given something.

The committee in charge of the drive is composed of A. C. Carpenter, J. G. Kaiser, J. E. Colby, J. L. Wassmer, A. E. Willis, G. M. Ross, F. F. Fockele and H. J. Lamb.

## O. U. DRIVE LAGS; MUST BE SPURRED

**TOTAL CONTRIBUTED REACH-  
ED \$8,200 TODAY**

**Committee Determined to Keep  
On Until Goal Reached, as  
O. U. Must Have It**

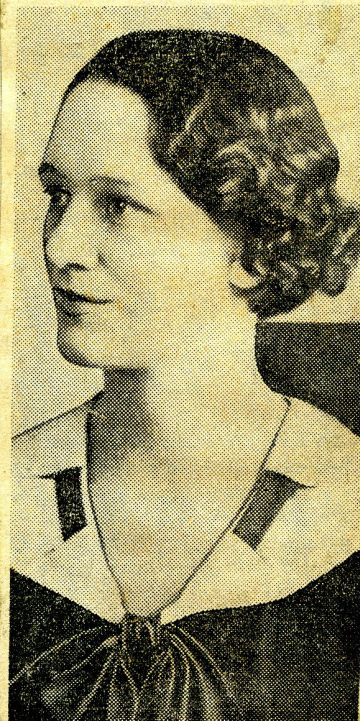

A lack of interest on the part of some of the workers and some of the givers is causing the Ottawa University campaign to lag quite a bit. At noon today the total had reached \$8,200.00.

The teams have not yet finished solicitation, there being over 100 prospects yet to be interviewed. These with a few other contributions that should be made soon will boost the total considerably. Later this week or the first of next week the general committee will have a meeting to determine the action that is to be taken in securing the balance.

"It may take us some time to raise this money," one of the committee members said this morning, "but we are intending to keep after the matter until the goal of \$10,000.00 is reached. We feel certain the welfare of the university makes it necessary that we raise at least the amount of the goal. None of the money is wanted for unnecessary purposes. It is all needed to make expansions which must be made if the university is to keep up to certain standards in the educational world. We want to continue having a first rate university in Ottawa and in order to have it we must contribute something toward its support."

**A YOUTH FOUNDATION  
SPEAKER.**

Miss Minnie Maude Macauley, dean of women and gymnasium instructor at Ottawa university, Ottawa, Kas., will speak at the American Youth Foundation banquet in St. Louis Saturday.

## TO SPUR EFFORT IN O. U. DRIVE

AT NOON TODAY TOTAL HAD  
REACHED \$8,250

More Than 100 Persons Haven't  
Been Visited—Will Solicit Or-  
ganizations Also

The Ottawa University cam-  
paign was still dragging at noon  
today. The total was \$8,250. Fair  
weather is expected to permit all  
of the work to be finished very  
soon.

A check over the lists today  
indicated that over 100 people  
have not yet been approached. The  
committee in charge is hopeful  
that teams having names of these  
people will see them as soon as  
possible.

Several organizations are mak-  
ing arrangements to give dona-  
tions to the drive. A. F. Stephen-  
son and Mrs. W. A. Swift are in  
charge of this section of the work  
and probably will be able to re-  
port a few hundred dollars from  
this source. In view of the fact  
that so much is yet needed on  
the drive it is hoped that the  
clubs and organizations will give  
as generously as possible.

The probability of nice weath-  
er will probably add new life to  
the campaign and much of the  
balance should be cleared up by  
the end of the week. The commit-  
tee expects, however, to continue  
its efforts until the goal of \$10,-  
000 is reached.

## FUND FOR O. U. UP TO \$8,416

A SLIGHT GAIN REPORTED BY  
WORKERS TODAY.

About 75 Persons Remain to be  
Seen—Committee Determined  
To Reach Goal of \$10,000.

The Ottawa University cam-  
paign went up to \$8,416 at noon  
today, still short of the goal of  
\$10,000. This is the eleventh day  
of the drive which is being put  
on by the Chamber of Commerce.

About 75 persons whose names  
are on the prospect list have not  
yet been interviewed. Several  
teams were working today. The  
committee in charge had hoped all  
prospects might be seen by the  
end of the week but this is doubt-  
ful at the present time.

Any expansion plans which the  
university will make must be held  
up until the results of the cam-  
paign here and in the state are  
made known. The goal in the  
state outside Ottawa is \$15,000.  
If possible a department of  
economics, business and admin-  
istration will be added to the uni-  
versity curriculum if sufficient  
funds are obtained.

The lag in the fund raising  
campaign is seriously effecting the  
development program. All, or  
practically all, of the publicity to  
prospective students is pending  
definite plans.

The general committee headed  
by A. C. Carpenter will hold a  
meeting the first of the week in  
order to determine action in se-  
curing the balance of the funds.

Feb. 7, 1936

Misses Dorothy Rumbek and  
Viola Kuykendall gave an enjoy-  
able Valentine party Saturday  
night following the basketball  
game, at the home of Mr. and  
Mrs. C. W. Rumbek. It was in  
honor of Mr. Lauren M. Rich-  
mond of Kansas City, who was a  
week-end guest of the Rumbek  
family. Games of monopoly formed  
the diversion. Partners for the  
card games were found by valen-  
tines. Mr. Prentiss Haworth won  
the first prize and the consolation  
favor was awarded Mr. Robert  
Schendel. Mrs. Rumbek assisted  
in serving a luncheon of chicken  
salad, heart-shape open face  
sandwiches, heart shape candy,  
olives and coffee. Red crepe pa-  
per runners and white lace doilies  
formed pretty table decorations.  
Beside the honor guest and prize  
winners, those present were:  
Misses Mary Ruth Treat, Ruth  
Jones, Viola Heitschmidt, Ardelle  
Baker, Alice Jackson, Marjorie  
Schober, Mildred Wilson and  
Frances Easton; Messrs. Gordon  
Schroeder, Leo Stewart, Eldon  
Addy, Lowell Orbison, Don Cold-  
ren, Wendell Starr and Chester  
Fleming.

## TO PUSH AHEAD FOR O. U. TOTAL

COMMITTEE DETERMINED TO  
REACH \$10,000 GOAL

It Is Felt Some Have Given Too  
Little, and Some Who Have  
Not Given Will Be Urged.

The Ottawa University cam-  
paign committee met yesterday  
afternoon and outlined plans for  
finishing the drive for \$10,000.00.  
At the present time \$8,672.00, has  
been raised.

The list of the contributors and  
those who have turned down soli-  
citors was discussed. In many  
cases contributors have made gifts  
which have been especially large  
considering their positions. An  
analysis of the record of the gifts  
indicated that a large number  
and most of the prominent busi-  
ness leaders of the community  
have been heavy contributors to  
the drive.

The committee felt, however,  
there have been many business  
men in town who have either given  
nothing or little toward the  
campaign. It was felt that several  
who derive large direct and in-  
direct benefits from the univer-  
sity have not given or have not  
made gifts large enough.

Committee members expressed  
disappointment at the lack of re-  
sponse of foreign-owned stores,  
they said today. Three have made  
contributions, it was reported, J.  
C. Penney, Mace-Ryer and Safe-  
way. Further appeals will be  
made.

Early next week, or as soon as  
the weather improves, a clean-up  
committee will be organized.

### TO CORRELATE PROGRAMS

O. U. Students Approve Recently  
Developed Plans

The student body of Ottawa  
University this morning empowered  
the student council to proceed  
with plans for correlating and de-  
veloping social and religious life  
on the campus. The council pre-  
sented plans to organize a student  
Christian association and a board  
of social activities. These organ-  
izations will fit in with the stu-  
dent union which was recently or-  
ganized.

The social board will have a  
representative from each class, a  
member from the student council  
and two faculty members. Its du-  
ties will be to correlate present  
activities and to create new means  
for recreation and amusement.

The student Christian associa-  
tion will have all students as its  
members and will be controlled by  
a cabinet consisting of presidents  
of religious groups now organized.

# O. U. STUDENTS TRY TEACHING

FORTY-ONE PRACTICE IN  
CITY SCHOOLS

Largest Group in Recent Years—  
Aspirants Work Out in High  
Schools and Grades.

Forty-one Ottawa university students who are majoring or minoring in education and planning to enter the teaching profession are getting their practice teaching this semester in the Ottawa public schools. The group is the largest in the last several years.

The state requires that beginning teachers have practice teaching experience. Under the plan in effect here, the university students are required to spend five hours each week in the grade or high school class room, in addition to grading papers, assisting in extra-curricular activities, and aiding the regular teacher in various ways. The first three weeks of the semester were spent in observation. Now the students may engage in actual teaching, with permission and under supervision of the regular teacher. They assist individual pupils, aid in lesson planning, and assist in various ways. Once each week the student-teachers meet with Supt. G. H. Marshall for discussion of teaching problems.

In addition to the 41 from the university who are doing their practice teaching this semester, are Dorothy Rumbeck and Mary Ruth Treat, who did their work the first semester.

In the following list, the first name given in each case is the student-teacher and the one in parentheses is the training teacher:

Junior-senior high—David Apra, history (Ethyle Welton); Ardelle Baker, geometry (Nora E. Evans); Gerald Barker, history (B. Smith Haworth); Jane Bowers, history (Ethyle Welton); Mary Eleanor Brinsmaid, biology (Zelma Thompson); Louise Clark, music (Isla Romig); Frances Clinton, physical education (Elisabeth Bryan); Josephine Dalton, music (Isla Romig); Lyle DeTar, music (Hazen L. Richardson); Kathryn Fuls, physical education (Elisabeth Bryan).

Trenna Goodwin, English (Velma Hall); Cleta Harsh, algebra (L. A. Wilson); Viola Heitchmidt, music (Hazen L. Richardson); Thelma Henshaw, English (Velma Hall); Olive Jackson, algebra (Mary McKenna); Charles Johnson, history (B. Smith Haworth); Hazel Kruse, English (Jesse Harold); Margaret Morrison, music (Hazen L. Richardson); Hugh Mullen, physical education (Orlis Cox); Allan Pett, history (B. Smith Haworth); Robert Schen-

del, general science (Marguerite Chaffin); Wendell Starr, English (Margaret Prunty); Carol Steiger, music (Hazen L. Richardson); Mrs. Viola Whitaker, history (Marie Thole) Leland White, algebra (Mary McKenna); Mildred Wilson, English (Margaret Prunty).

Field—Evelyn Cummings, first grade (Isabelle Cameron); Evalyn Livingston, fourth (Besse Cusick); Garnet Livingston, fifth (Irma Brown); Gleeman Long, sixth (C. F. Hogue).

Washington grades—Lael Graber, first grade (Addie Thomas); Helen Kadavy, second (Aileen Shaw); Maude Olson, second (Aileen Shaw).

Garfield — Lafayette Haughn, fifth and sixth (Edith Glasscock); Jessie Rich, first and second, (Martha Letkeman); Astrid Shannon, sixth (Edith Glasscock); June Wolgast, third and fourth, (Rowena Love).

Hawthorne — Robert Sanders, sixth (J. R. Stewart); Blanche Spaulding, second (Clara Dee Elder).

Lincoln—Nelle Stewart, third (Hazel Goodwin); Noel A. Woods, sixth (W. H. Hogue).

The Ottawa University Olympian Society entertained last night with a "green formal" at Tauy Jones hall. In an atmosphere of green lights, a program of music and entertainment was given under the direction of Miss Edith Clemmons, general chairman. Mr. Wilbur Swenson was master of ceremonies for the evening. The program included tap dance numbers by Miss Louise Cummings; two puppet show skits by Miss Margaret Roberts; songs with ukulele accompaniment; piano numbers by Miss Martha Woodroof; piano duet, Misses Woodroof and Helen Willson; reading, Miss Doris Barnes; songs, freshmen men's quartet, Messrs. Oscar Butler, Melvin Erickson, Malvin Marchland and Tad Hascall tap dance, Mr. Swenson. Refreshments carrying out St. Patrick's theme were served from quartet tables. The tables were centered with green paper top hats, green streamers being fastened from the hats to each corner of the table. The refreshments

were ice cream and cake and favors were gum-drop shamrocks. The serving was done by four Ottawa high school girls, Mary Cole, Alice Shinn, Margie Weien and Marjorie Johnston. Forty members and one guest, Miss Eleanor Macaulay were present. Beside the chairman, Miss Clemmons, other committees were: program, Misses Beverly Powers, and Wilburma Shields; publicity, Mr. Ross LeGate; refreshment, Miss Carol Steiger and Mr. Tracy Clement; and decorations, Miss Martha Woodroof and Mr. Kenneth Hilt. Miss Minnie Maude Macaulay is sponsor.

Dr. and Mrs. Andrew B. Martin entertained the Ottawa University faculty last evening at a St. Patrick's party. The university string quartet composed of Misses Byrna Brooks, Mary Twining and Lyle DeTar and Mr. Glen Betschart, accompanied by Miss Carol Steiger, played while the guests were arriving and to open a short program. Mr. Everett Fetter played a violin solo and Mr. Edgar Kerr sang two selections. Mr. Harry E. Cooper accompanied them. Following the musical numbers, Dr. and Mrs. Martin showed pictures of Ireland and England which they took while visiting those countries a few years ago. The group then enjoyed several games. Refreshments were served at quartet tables. A St. Patrick's day motif was carried throughout the decorations and menu. Those present besides the above mentioned were: Dr. and Mrs. B. P. Heubner, Mr. and Mrs. Charles D. Erickson, Dr. and Mrs. Willis Floyd, Rev. and Mrs. J. E. Woods, Dr. and Mrs. W. B. Wilson, Mr. and Mrs. Alfred Stout, Misses Lulu Brown, Ruth Bundy, Nelle Buchanan, Minnie Maude Macaulay, Helen Inness and Martha Stoltz, Mrs. Maude Goll, Mrs. Rollo C. Speer, Mrs. Nettie Hanks, Dr. S. P. Fogdall, Dr. Arthur Bernhart and Mr. Claude Webb.
