CHAPTER NOTES *(Slightly Edited)*

EAST CENTRAL STATE COLLEGE

Reporter: D. J. Nabors

Honorary member, President Wagner, receives membership certificate from Chapter President, Karen Massey.

Here is a picture of our PKD President, Karen Massey, presenting an honorary membership in Pi Kappa Delta to our new college president, Dr. Stanley P. Wagner. All three of our college presidents since 1930 have been members of our chapter which has been of great value to us.

MIDWESTERN UNIVERSITY, TEXAS

Reporter: Tinker Air Force Base

USAF Captain George C. Steere is attending the Air University's Squadron Officer School at Maxwell AFB, Alabama.

Captain Steere will receive 14 weeks of instruction in communicative skills, leadership, international relations, and responsibilities that prepares junior officers for command-staff duties.

He was commissioned upon completion of Officer Training School at Lackland AFB, Texas.

The captain is a 1956 graduate of Wichita Falls Senior High School and received his B.S. degree in 1965 from Midwestern University, where he became a member of Pi Kappa Delta.

WILLIAM JEWELL COLLEGE, MISSOURI

Reporter: Julia Moore

William Jewell College quickly returned to the swing of tournament schedules after summer vacation and a PKD get-together proclaiming this year's resolution. A warm welcome home was extended to Dr. Georgia Bowman who had just returned from sabbatical leave and a lengthy stay in England where she was researching a new book on the Anti-Coin Law Movement. Mr. Tom Willett was on hand to support and sponsor the new year's forensic movement.

Debaters have journeyed to several early-season tournaments and combined efforts to capture victories. Georgia Pearson and Tom Boone returned from the University of Nebraska at Omaha with the distinction of having qualified for The Tournament of Champions to be held at Loreado, Texas. At the Wisconsin State University Tournament held at Whitewater, Margaret Kindred and Tom Dison teamed up to compile a record of 3 and 1; a few weeks later, Margaret switched partners to attend the University of Missouri at Columbia Novice Tournament with Chris VonErdmannsdorff where the team reached the quarter finals of competition. Marianne Millen, Cathy Proctor, and Terry Siron are busy preparing briefs for the upcoming tourneys to be held before Christmas.

Individual events were duly initiated with nine squad members attending Nebraska Wesleyan University's individual events tournament. Some members had performed successfully at previous contests but this was the first opportunity for the entire PKD and forensic cast at Jewell to participate. The squad returned to the "hill" victorious: Tom Dison placed 1st in Humorous Impromptu; Julia Moore placed 2nd in Original Oratory; and Georgia Pearson took 1st in Extemp. Vicki Cole advanced to the finals in Oratory and Ben Morse rounded out the set of three oratorical entries.

On October 30, Dr. Melville J. Ulmer, Professor of Economics at the University of Maryland, presented a telelecture on this year's debate proposition. Central Missouri State College, William Jewell College, Rockhurst College, and the University of Missouri at Kansas City, all PKD members, were among those invited to listen on Dr. Ulmer's presentation.

We're all looking forward to seeing "you all" at the National Tournament in Houston, Texas this spring.

MONMOUTH COLLEGE, NEW JERSEY

Reporter: William A. Yaremchuk

The Forensic Team at Monmouth College has been accepted for membership in Pi Kappa Delta, the national honorary fraternal organization for intercollegiate debaters and orators.

William A. Yaremchuk, assistant professor of speech and dramatics in the college's Fine Arts Department and director of forensic activities, said installation ceremonies for the local chapter, the first chapter of Pi Kappa Delta in New Jersey, will be scheduled sometime in October.

The purpose of Pi Kappa Delta is to promote scholarship, especially in the field of forensic speaking in senior American colleges and universities. Currently, active chapters are located on more than 250 campuses across the country. The organization was founded in 1912-13 by representatives from 10 mid-western colleges and universities.

The membership of Pi Kappa Delta, according to its literature, "is composed of men and women united in the ideal of free speech — the art of persuasion, beautiful and just. For half a century, Pi Kappa Delta members through research, leadership, and service have nurtured, encouraged, and promoted higher ethics and increased proficiency in the use of the spoken word as the means of clarifying, guiding, and protecting the democratic processes of our American heritage."

Two faculty members and 13 students are members of the local chapter. Besides Prof. Yaremchuk, the other faculty member

Professor William A. Yaremchuk and students examine the PKD key. Monmouth will become our first chapter in New Jersey.

to be installed is Everett L. Rich, assistant professor of speech and dramatics.

The student members of the new chapter, their class and their hometowns are: Douglas Newlin, senior, Milltown, Robert Siegel, senior, Red Bank, Miss Lauren Sosanie, senior, Fairlawn, Herbert Strucek, senior, Brielle. Also, Arthur Tuckerman, senior, Ocean Twp., Miss Patricia Taylor, junior, Murray Hill, Miss Marie Valentino, senior, Elberon, Long Branch City, Miss Janice Vertucci, sophomore, Newfoundland. And, Miss Gloria Barsky, graduate student, Irvington, Miss Rosara (Micki) Ferrara, grad. student, Wanamassa, Ocean Twp., Miss Diane Holtzer, grad. student, Cornwells Hts. Pa., and Miss Sharon Meskin, grad. student, Upper Montclair.

ATTENTION

Province of the Lakes
Province of the Southeast
Province of the Northeast

It's your turn in 1973!!! The system adopted in 1969 provides that one of these three Provinces should be the site of the 1973 National Pi Kappa Delta Convention. **Now** is the time to decide if your school wishes to **consider** being the host. If so, contact the undersigned by February 1st. You will receive information on what it takes to be able to handle such a convention. Then, by March 1st, you need to submit to your Province Governor an invitation, with supporting data. The Governors will poll their Provinces on preferences. The Invitations Committee will then consider the top choices of each Province.
