A Note From The President

Welcome to this athletic event! Our athletic program is an important part of the O.U. Experience. Its very essence is symbolic of what can be experienced in many sectors of our life together here at Ottawa University. The experience of developing and testing one's skills is as old as the history of humankind. Whatever the area may be, the process has certain commonalities: personal interest, personal development through disciplines, the striving for excellence, and often experiencing the comparison of our skills and development with others. By one definition, the latter is the essence of competition. The learnings are many and valuable, for both the participants and spectators. Athletic competition is the most graphic portrayal of this and thus provides one of the most exciting dimensions of college life.

As one who thoroughly enjoys athletics and believes strongly in their legitimate place in a well-rounded college program, I welcome you to the game!

Today's Game

The Braves, now 5-3-1 after their 48-7 victory over the Tarkio College Owls, host Baker University in their final game of the 1981 season. Baker dropped their second game of the year last Saturday night as the nation's number two team, William Jewell, defeated the Wildcats 20-10 in Baldwin City.

Last week the Braves rushed for 409 yards. Three backs rushed for 100 or more yards: Ted Thomas 15-127, Robert Bush 15-119, and George Washington 7-100. Baker comes into today's game sporting the nation's second best rushing offense with an average of better than 340 yards a game. Taylor Gill and Ben Reed both surpassed the 1,000 yard mark weeks ago.

This afternoon's game marks the 74th meeting between Ottawa and Baker. The two schools first met in 1909, Baker won the game by a score of 6-5. The Wildcats continued to dominate the series until 1926, racking up a record of 14-0-1. The Braves turned things around and dominated the series through the Dick Peters era. Baker has won the last two outings to make the series record Baker 38 wins, Ottawa 33 wins, and two ties. The Braves last defeated Baker in 1978 by a score of 27 to 21 on OU's Cook Field.

THE NAIA CHAMPIONSHIP FOOTBALL PLAYOFF SYSTEM

DIVISIONS AND AREAS

Unlike basketball, where NAIA institutions compete in districts, NAIA football-playing members are classified according to Divisions — I or II. When the NAIA divided into divisions in 1970 member institutions at the time were given an opportunity to declare in which division they wished to compete. The NAIA Football Coaches Association Review Board has had the authority to rule on changes within divisions and an institution is required to spend at least two seasons in a given division once it is placed there. Within each division member institutions are arranged according to geographic areas. There are four such areas in each division.

RATERS AND RATINGS

Teams selected for participation in the playoffs are determined by weekly ratings of teams during a specified rating period through a season. Selected members of the NAIA Football Coaches Association submit a weekly rating of teams during this period which determines the participants in the post-season playoffs. Each division (I and II) is allocated 16 raters — four raters for each geographical area.

SELECTION OF TEAMS

- Institutions must declare their intent to participate in the NAIA championship program by September 15.

- Teams must be ranked in the top 12 in the final regular-season weekly rating in each division to be considered for the playoffs.

- The top-ranked team from each of the four geographical areas (in each division) within the top 12 in the final regular-season rating is automatically selected for the playoffs.

- The next four highest-ranked teams, regardless of geographic area, and not already selected, complete the eight-team field.

- No more than two teams from the same conference (within the same division) may be selected for the playoffs.

- Teams may be paired according to geographic proximity to each other for the first round (quarterfinals) and members of the same conference would play each other no later than the second round (semifinals).

- Teams with four or more non-winning games may not be selected for participation in the playoffs.

Media Coverage

Sports fans can follow the Braves in many different ways. Terry Ostmeier of the Ottawa Herald begins his seventeenth year covering the Braves, while Bob Hieronymus covers the beat for the Ottawa Times. Selected sportswriters will cover the action for The Campus, the University newspaper. The Braves have also made their mark in area newspapers such as the Kansas City Star/Times, the Topeka Capital-Journal, and the Wichita Eagle Beacon. The campus radio station, KTJO 88.1 FM, is once again the voice of the Braves home and away, with Sports Director Greg Webb. You can also follow the Braves on the local AM station KOFO with Glen Duderstadt doing the play-by-play. Be sure to tune in either KTJO or KOFO for all the hard-hitting action.
