

Meet Dr. Martin

With the coming of Dr. Andrew B. Martin as president, Ottawa University looks toward a new day of achievement. Dr. Martin, who assumed the duties of president November 1, 1935, has excellent qualifications for this position.

Dr. Martin has clearly in mind what a College ought to be, and is desirous of making Ottawa that kind of a School. His fine personality, his knowledge in the field of religious education, and his work in College administration combine to fit him for the position of leading Ottawa University on to a greater and nobler future than anything we have ever known.
