

Dr. John A. Davis

Dr. John A. Davis, '27, will be the new head of the chemistry department succeeding Dr. Karl Bergstresser who has accepted a post with a chemical firm in Philadelphia. John holds a master of science and a Ph. D. from K. U. and has been assistant professor of chemistry at the University of Idaho since '28. His wife was Cleo Pruett, and they have a son, Jack, seven years old.
