

and forwarded the form
above recorded and adopted

A form of Petition
to Secretary of Interior for
the issuance of a patent to
the six hundred and forty
acres of land constituting
the School section was
presented and adopted and
President and Secretary of
this board instructed to
execute the same and
forward ~~forward~~ to Home
Mission Society for their
cooperation in said petition
On motion the chair appointed
M. L. Ward W. Littlefield and
Pales to serve as a

committee to examine charter
and determine whether it
be practically to amend so
as to make all endowment
funds sacred for endowment
purposes of which only the interest
can be used and that for
current expenses only

A communication from Rev.
L. H. Holt Secy. of Baptist State Con-
vention was presented stating
that at a meeting of said
Convention held at Winfield
Nov. 3rd 1888 the following named
persons were nominated
for membership of this Board
Viz Rev. J. M. Luke, Prof. P. Pales
and George P. Allen all to serve
as their own successors

And forwarded the form above recorded and adopted.

A form of Petition to Secretary of Interior for the issuance of a patent to the sic=x hundred and forty acres of land constituting the School Section was presented and adopted and President and Secretary of this board instructed to execute the same and forward ~~forevered~~ to Home Mission Society for their cooperation in said petition. On motion the chair appointed M.L. Ward, W Littlefield, and Pales to secure as a committee to examine charter and determine whether it be practicable to amend so as to make all endowment found sacred for endowment purposes of which only the interest can be used and that for current expenses only A Communication from Rev. L.H. Holt secy of Baptist State Convention was presented stating that at a meeting of said convention held at Winfield Nov 3d 1883 the following named persons were nominated for members of this board.
