

her brilliant singing. Of special brilliance was "The Wind's in the South Today" by Scott, and the closing waltz song, "With All My Heart", by Strauss. The tonal beauty and smoothness of Schubert's "Ave Maria" and the "Lullaby" by Scott with its quiet, sustained mood, won the audience as high spots in the program.

The new song by Mr. and Mrs. Powell Weaver, "To An Almond Tree", was also beautifully sung and well received. The song is in manuscript and carries the subtitle "A Lullaby for Tommy", the little son of the Weavers.

Miss Frances Gentry played the piano accompaniments in an unusually fine manner.

A short reception was held after the concert for relatives and friends of Miss Kinderdick and Miss Gentry.

Among relatives present were the parents of the singer, Mr. and Mrs. A. C. Kinderdick and daughter, Ola Jean, of Lyons, and her aunt, Mrs. Winston Schowengerdt of Wichita.

O. U. Orchestra in Concert Next Week

As a special feature for music week the Ottawa University orchestra, directed by Everett Fetter, will give its annual concert next Wednesday evening in the University auditorium. Admission will be free to the public. A special offering will be taken to meet expenses.

A feature will be Powell Weaver at the piano. The head of the O. U. music school and prominent composer will play two groups of numbers. One selection will be a composition of his own, the finale from his concerto for the piano. This is being given by request of several friends in the city.

The orchestra under direction of Mr. Fetter will play several beautiful numbers. Mr. Fetter has especially selected the orchestration to please a large group of music lovers and believes that the program has enough variety in it to have something for everyone. This is the first time this year that the full orchestra will have appeared in concert, although the string ensemble has given many programs.

SELLING BAGS OF TEA FOR CHINESE RELIEF

The coming of Dr. T. Z. Koo of China to a union church service Sunday evening starting at 7:30 in Memorial auditorium will climax a week of effort on the part of Ottawa University students to raise funds for Chinese relief.

Leaders at O. U. were busy Thursday selling small tea bags at slightly fancy prices in order to raise money for the funds. Students seemed not to mind paying from a nickel to a quarter for a

one-cent package of tea, apparently feeling that the excessive charge was all right as long as the proceeds went to aid the Chinese. Younger people in colleges throughout the land are responding to requests for funds.

The service Sunday evening is being sponsored jointly by the O. U. Student Christian association and the Ministerial Alliance of the city. An added feature will be several songs by the full Ottawa University choir under direction of Edgar D. Kerr. An offering will be taken. It will go to Dr. Koo.

Delta Phi Delta Party

The Delta Phi Delta of Ottawa University spring formal was held last night at the Nelson Hotel. The three course dinner was served at 6:30 o'clock, the appointments carrying out a blue and silver color motif. "The Glittering Heavens" was the theme, and garlands of blue and silver and many silver stars were used in decorations. A starshaped table was centered with a round plaque with blue and silver cloth, and silver bowl of blue carnations and silvered foliage on a plateau mirror, flanked with blue and silver tapers in silver sticks. Blue bud vases with blue carnations and silvered sprays centered the point tables, and on either side were blue ribbons with appropriately named songs printed in old English. The nut cups were small blue baskets, with silver bands. The black and white program and menu booklets were decorated with the O. U. emblem, and the favors for the guests were gold mesh bracelets bearing the group emblem on small pendants.

Following the serving there was a toast program carrying out the party theme in detail, with Mr. David McWilliams serving as toastmaster. Those responding to toasts were: "Evening Star," Dr. Andrew B. Martin; "Stars of Summer Night," Dr. Adrian Tieleman; "Lucky Star," Miss Edith Moffatt; "Little Dipper," Mr. Roland Nelson; "Stardust," Miss Mary Holman and "Big Dipper," Mr. Jack Wisehart. Records to Fall In College Meet?

O. U. Host to Conference Events This Week-End

Athletes from seven colleges will gather in Ottawa Thursday and Friday for the annual Kansas conference track and field meet. Tennis players and golfers will open competition Thursday morning and continue through Friday on the O. U. courts and the Country club course. The track and field men will arrive Friday morning for preliminaries on Cook field in the morning and finals starting at 1:30 in the afternoon.

Baer university is the reigning favorite to cop the big meet this year and bring to an end the 2-year supremacy of Ottawa. The competition for second place should be the most torrid with College of Emporia, Kansas Wesleyan and O. U. fighting it out right down to the last event.

A look at the impressive conference records indicates that not many of the marks will be threatened. A few of the standards, however, will be on the border line. Mike Davis, hot hurdler from Wesleyan, ran the highs in 15.5 seconds last week at Sterling and might crack the 15.4 record set by Walker of Baker in 1930. In fact with a clear day and a fast track he is almost a cinch to do that.

Ottawa's Jack O'Neal by some hard driving work could put up a new mark in the 100-yard dash and in the 220-yard low hurdles. The mark of 10 flat in the century is held by Farrow of Baker and Richardson of Ottawa. O'Neal paced the distance in 9.9 seconds last week at Sterling. He has not yet equaled the 25-second flat record in the lows, also held by Walker, but has come close to it and might turn the trick Friday.

Outside of these three events, the records are apparently safe although there might be unexpectedly good performances on the part of several of the athletes.

For instance there is Miles Cleland of Baker who will make good, if not record, times in the mile and 2-mile events. Bob Williams is a cracking good half-miler at Baker. His teammates, Finley, Timmons, Kramer and others, will be in there earning points.

Bulwark of the C. of E. track men will be Haskell and Neal. Haskell will challenge the supremacy of O'Neal in the two dash events, while Neal is a favorite to take the quarter-mile event. Experts believe that he is capable of stepping the distance in close to 50 seconds flat if he is hard pressed.

The orchestra, under the able direction of Everett Fetter, will be heard in several numbers. The concert will open with "Fingal's Cave Overture" by Mendelssohn and close with two movements from "L'Arlesienne Suite" by Bizet.

O. U. Orchestra To Play Tonight

Rare Treat in Store For Music Lovers

The Ottawa University orchestra last night had its dress rehearsal for the concert which it will present tonight at 8:15 in the university auditorium. Powell Weaver, head of the music school, made an instantaneous hit with the students as he played two concertos accompanied by the orchestra. The young players are predicting that music lovers will appreciate the noted composer's performance tonight.

Prof. Everett Fetter will direct the orchestra in several numbers, one of the best being the Fingal's Cave Overture by Mendelssohn. This was a legendary background and is based on the old Scottish folk story of sea-faring robbers. One of the movements, the Tschaiowsky suite to be played tonight contains the theme of the currently popular song "Moon Love."

Mr. Fetter described the Mozart concerto which Mr. Weaver will play with the orchestra, as being a dialogue between the orchestra and the soloist. The last number on the program is "Farandole" which has a typical march theme built upon a middle ages folk tune, "We Three Kings."

Admission to the concert will be free, and the public is cordially invited by Mr. Fetter and officials of the university.

Close Races in Conference Meet

Big Annual Meet Here Tomorrow and Friday

Ottawa University track men are hoping for a fair day Friday when the Kansas conference track and field men gather here for the annual meet. The finals of the big meet will get under way at 1:30 on Cook field. Fans will be admitted at 25 cents each.

Despite the fact that Baker is a heavy favorite to win the championship, interest in the meet is developing fast due to the fact that several hotly contested races may develop. The two dash events, the 100 and 220-yard sprints—will find the supremacy of Jack O'Neal, Ottawa ace, being challenged by Haskell of Emporia and Timmons of Baker. Neel of Emporia should win the mile, but he

may get stiff competition from such men as Kramer and Findlay of Baker.

Another interesting race may develop in the mile relay. Baker has an edge but may be challenged hotly by College of Emporia. Neel will run the final lap for the Presbies and someone better have a good lead on him, because he will be trying very hard. The Ottawans also will be in this race, although it is not likely that they will run O'Neal in the final lap as they did at Sterling to beat C. of E. The flash sprinter has a good many races lined up for the day and will probably be too tired to take part in the relay, according to Coach Dick Godlove.

The tennis and golf competition is scheduled to start tomorrow. The first 36 holes of golf will be played tomorrow on the Country club course and the final 18 will be played Friday. George Von Arb, who won the individual championship last year, is a favorite to repeat for Ottawa this year. In tennis, which will be played on the O. U. courts, Spencer Self of Baker is expected to win the singles again this year.

O. U. as Host to Conference Meet

About 100 Athletes and Coaches in Ottawa

Preliminaries of the Kansas conference track and field meet will be held tomorrow morning at 10 o'clock and finals will be at 1:30 in the afternoon. Coaches and faculty representatives will convene in a session at North American hotel tonight at 6:30 at which business affairs of the conference will be discussed. The 1941 basketball schedule will also be drawn up, and new officers will be elected. The conference meet is expected to bring about 100 visitors to Ottawa.

The preliminary events will be the 100 and 220-yard dashes, the quarter-mile, and the low and the high hurdles. All other events will be started and completed in the afternoon. E. A. Thomas of Topeka will be the starter. Coach Dick Godlove said that the meet would be held rain or shine.

The Ottawa Braves are in fair shape for the meet and their coach expects them to give a good account of themselves. Thus far Godlove has not yet decided definitely upon the men he will enter in the various events. A big share of the running will fall to Jack O'Neal, Jewell Anderson, Dorbin Gardner, Tom Allan and Leonard Fergus. In the field events Willard Beaman, Jack Jeffries, Burton Cowan, Lyman Morgan and Bob Wilson will do most of the point winning for the Braves.

Baker University reigns as the favored team to take the championship with Kansas Wesleyan having a slight edge over Ottawa and College of Emporia for second place. Bethany, McPherson and Bethel will take a number of points and might be good enough to beat out one of the leaders.

The bright morning sun today made it possible for the golf and tennis competition to start. The golfers began at 10 o'clock on the Country club course and the tennis players began batting around on the O. U. courts at noon.

Admission to the track meet will be 25c. It is expected that it will last from 1:30 until about 3:30.

may 9/40

O. U. Choir At Plaza.—The Ottawa University choir of 42 voices which toured Kansas this spring will appear tonight at the Plaza theater as a feature of music week in Ottawa. The big choir under direction of Edgar D. Kerr will sing a number of its lighter numbers. Mr. Kerr has selected numbers which will appeal to all. Such songs as the "Echo Song" and various spirituals will be the high points of the program. Miriam Kinderdick, soloist, will also be heard in special number. The singers will wear the yellow-gold tunics just as they do in their tour concerts and will have time enough for several songs.

The audience was delighted with the latter composition and expressed its appreciation for several minutes. Afterwards the composer expressed his admiration for the manner in which Mr. Fetter and the orchestra played the accompaniment.

As for the orchestra itself, high points were reached in the Fingal's Cave overture and the slow movement of the Tschalkowsky Fifth symphony. The French horn playing of Winston Kinderdick in the latter number was especially commendable. O. U. Cooperates In Concert Course

Ticket Sale Good, to Push for Still More

It was announced today that Ottawa University will participate in the Ottawa Cooperative Concert association this year and all students enrolled at the college will be allowed to attend the concerts. Dr. A. B. Martin announced that Everett Fetter and a student representative will be included on the artists' selection committee which will meet Saturday evening to choose the two attractions which will be included with the Don Cossack chorus. Nearly 100 colleges and universities of the country participate with the local organized concert audiences by having student blocs.

Ottawa Cooperative Concert association's check-up meeting Thursday afternoon showed an excellent response and plans for a highly intensive drive on Friday and Saturday were formulated. It was announced that Ottawa is assured of a concert series and the workers have decided to increase the membership as much as possible in order to give a greater variety in selection of artists and to have three better known and more expensive attractions.

Memberships were reported at headquarters Thursday from Richmond, Wellsville, Garnett, and several other nearby communities. Miss Alma Schweitzer, treasurer of the organization, said today at headquarters: "It strikes me from a business point of view, that buying the young stars on the 'way up' before they are so renowned that they can command large fees, is a wise policy. Our local artist committee is in close touch with musical developments at all times and I, personally, am willing to accept their judgement on the other attractions to complete the series in addition to the Don Cossack Chorus of 27 singers and dancers."

At the meeting Thursday officers cited the case of Nelson Eddy who now receives from \$4,500 to \$5,000 per concert and six years ago when he was unknown and starting out in concerts, his fee was only \$400. Other names such as Pons, Tibbett, Martini, Moore, Heifetz, and others likewise were much less when they were not so well-known. One of the officers, said that "there are many great young artists available now at modest fees who will be the headliners of tomorrow."

Conference Meet Winds Up Today

Basketball Schedules Drawn By Coaches

The Kansas Conference spring sports competition got under way yesterday with golfers and tennis players sharing the spotlight. In the evening the faculty representatives and coaches met. Today they yielded to track and field men. Preliminaries for the big meet were held at 10 this morning, and the finals started promptly at 1:30.

George Von Arb, senior Ottawa University golfer, seemed to be on the verge of retaining his crown. At the end of the first 36 holes he was leading the field with 144, a good dozen strokes ahead of Bernard Malone of Baker who had 156. Don Campbell of Ottawa was third with 168 and Bob Hill of Ottawa was fourth with 177. The final 18 holes were being played today.

The tennis tournament brought about an upset when Junior Shaw of Kansas Wesleyan turned back Spencer Self of Baker, titleholder in the singles, 6-3, 4-6, 9-7. Tomorrow he will play in the finals against Harold Entz of Bethel who outstroked Gordon Goodwin of Ottawa, 6-1, 7-5. In the doubles Goodwin and Charles Eichman of Ottawa will oppose Self and Maurice Jewell of Baker in the finals.

The faculty representatives in their official meeting last evening voted to oust formal spring football practice in the conference. The instructors were not against light drills and touch football, but frowned on heavy scrimmage practice. The group also voted to send not only a regularly elected representative to the annual National Collegiate Athletic association meeting, but also to send the secretary of the organization each year. At present, E. J. Cragoe of Baker is the secretary. Dean A. H. King of Kansas Wesleyan will be the elected delegate. Other faculty men attending the meeting were E. O. Deere, Bthany, president; J. H. Fries, McPherson; W. B. Wilson, Ottawa; L. C. Kreider, Bethel, and C. F. Little, College of Emporia.

The coaches spent most of the time in working on drawings for the meet being held today. They concluded with a long session in which they drew up conference basketball scheduled for next season. Due to many conflicts, this is always a difficult job.

The Ottawa schedule:

- Dec. 18—McPherson at McPherson
- 19—C. of E. at Emporia
- Jan. 9—Bethel at Ottawa
- 11—Bethany at Lindsborg
- 15—Baker at Baldwin
- 24—C. of E. at Ottawa
- 31—Kansas Wesleyan at Salina
- Feb. 6—Bethany at Ottawa
- 12—McPherson at McPherson
- 15—Bethel at Newton (tentative)

Buffet Supper

Members of Phi Kappa Chi of Charlton Cottage were entertained last night at a buffet supper given by three of the sponsors, Mrs. A. L. Cook, Mrs. H. C. Constant and Mrs. M. H. Forester, at the Cook cabin. The supper was served at 6:30 o'clock, with tulips, colored pottery and Mexican luncheon sets forming the decorations and appointments. O. U. Open House In Science Building

20

One of the features of the 75th anniversary of Ottawa University will be "A night of science" next Tuesday evening at Ward science hall on the campus. It will be in the nature of an open house starting at 7:30 sponsored by the departments of biology, chemistry and physics. No admission will be charged and townspeople are invited to come whenever they desire and stay as long as they like.

The newly remodeled museum will be a center of attraction, but it will not be the only thing. Laboratory classes of all three departments will be in session in order that visitors may see how students go about the study of science. Special scientific demonstrations of several types will be made at intervals for the benefit of the "one night scientists."

Spectators will also have a chance to peer through several high-powered microscopes and do a number of other things on their own, just by way of getting the feel of scientific instruments.

Extensive work has been done during the last year on the museum. All of the exhibits have been conditioned, in many cases reclassified and relabeled, and the cabinets have been repainted and decorated. The room of the first floor in which the museum is housed has been repainted so that the exhibits are in an attractive location. Elsewhere in the building is the famous collection of insects presented to the university a few years ago. It numbers 18,000 and includes a large number of exquisitely beautiful butterflies, many of which are from the tropics.

Dr. Stuart Pady of the biology department, Dr. Karl Bergstresser of chemistry and Dr. Alvin Pershing of physics are the university faculty men directing the show.

Outstanding part of the entertainment was Mr. Fetter's performance of "Allegro from Concerto in D Major" by Brahms and "Sonatina in G Major" by Dvorak. The program was finished with a series of shorter numbers, the last one being Kreisler's "Tambourin Chinois." Miss Frances Gentry was the accompanist.

URGE BETTER MARKING OF OTTAWA UNIVERSITY

A group of Ottawa University students suggest that Ottawa University, one of Ottawa's biggest assets, should have better directional signs. The signs north and south of town, they say, have some value but do not give adequate information to visitors.

Everett Sugarbaker, one of the boosters of the idea of better marking, said the students would take it up with the Chamber of Commerce and the city commissioners. He thought perhaps other points of large interest in Ottawa should also be given more adequate marking.

School Closing Events Pile Up

**Many Activities Keep
Ottawa Students Busy**

School activities draw to a climax this week, adding to the busy rush of final examinations. Second presentation of the senior class play and high school art exhibit is tonight at the high school auditorium. The art exhibit is in charge of Miss Willa Mae Darr, instructor. Tomorrow afternoon, after school, girls of the high school sewing classes are holding a fashion show for their mothers and friends, each to model at least one garment she has made in the past semester. The style show is to be in the auditorium, under direction of Miss Birdena Hackett, clothing instructor.

Thursday afternoon the grade schools will hold their annual inter-school track meet on Cook field at Ottawa University.

The annual hobby day displays by elementary grade school children is to be Friday afternoon at each of the four buildings.

O. U. Again Wins All Sports Crown

**Wesleyan and Baker
Tied for Second**

Ottawa University's Braves again have won the mythical major sports crown of the Kansas conference. By taking two out of the three major championships fought for in 1939-40, the Braves came up well ahead of the field of seven other league entries. They took first in football and basketball and second in track. Incidentally, their loss in the latter sport was the first championship in the last eight in which they have not figured.

The Ottawa total, based on the rankings of the teams in each major sport, was four. Kansas Wesleyan and Baker tied for second, each scoring 8½ points. Baker, winner of the track title, was the only school other than Ottawa to have a championship to its credit.

Fourth on the rating sheet went to Bethany with 11 points, only a poor showing in track keeping the Swedes from ranking close to the top. College of Emporia, McPherson and Bethel had a neck-and-neck race to stay out of the cellar. But the Presbies with 16 points and McPherson with 17 were successful, while Bethel with 19 was forced into the bottom row.

Coach Dick Godlove had little comment to make about the mythical title. "That shows we have a bunch of good boys who stay in there and pitch when the going gets tough," he said. But the boys said they figured they had one of the best coaches in the business, and while their all-sports crown is mythical, their head man isn't.

The rankings:

| | F'b'l | B'b'l | Tr'k | Total |
|------------------------|-------|-------|------|-------|
| Ottawa | 1 | 1 | 2 | 4 |
| Kas. Wesleyan | 3½ | 2 | 3 | 8½ |
| Baker | 3½ | 4 | 1 | 8½ |
| Bethany | 2 | 3 | 6 | 11 |
| Coll. of Emporia | 5 | 7 | 4 | 16 |
