

the education of Indian youths as provided by an act of congress, together with a proposition from Maj. Hayworth Supt. of Educational Branch of Indian Dept. to furnish Ottawa University a number of these children to be educated, boarded, clothed and cared for at the rate of one hundred and sixty seven dollars each per year. After a full consideration of the matter in which Messrs. Grover, Boomer, Stewart, Holt, Fales, Luke Ward and others expressed their views it was unanimously voted to accept the proposition and that the number of children so taken and other details be left with the Board of Directors. President Ward presented approximate estimate of cost in finishing and furnishing 3rd story of college building suitable for the accommodation of fifty or sixty Indian girls. On motion voted to authorize Board of Directors to ^{make} said provision at their discretion provided this Board shall not be made liable for a greater sum than five hundred dollars.

The education of Indian youth as provided by an act of congress, together with a proposition from Maj.
