

CHORUSES REORGANIZED.

Meeting of Last Year's and Some New Members Held.

The male chorus of the college met Monday afternoon at 1:30 in the college chapel. Six of last year's group and three new men were present. After the usual practice, Carl Welch, '14, was elected president to succeed H. Clay Dale, '09, and Marcus Clemmons, '12, was elected secretary-treasurer. Prof. Bixel gave the opinion that there were possibilities for a much better chorus than last, because of the association of the old members and the ability of the new. All of last year's group are urged to be present next Monday at 1:30.

The young women's chorus had a

preliminary meeting at 2:30 last Monday.
