NATIONAL MUSEUM OF INDIA,
NEW DELHI.

Dated the 14th Sept., 1961.

Dear Miss Holt,

It gives me pleasure to send you a copy of our deluxe publication on "Kangra Paintings of the Bhagavata Purana". It may serve you as one of the souvenirs of your long and most helpful service to India as well as your thoughtfulness and contribution to our work in the imposing gifts of publications made to our library. If you do have time before you leave India I should be happy if you would let me know and we could have a visit. Anything you would care to put down as recommendations based on your broad knowledge of the country I should much appreciate. We are trying to build up an extremely efficient and modern art reference library which will include indispensable reference material on arts, archaeology and anthropology of other parts of the world as well as the fullest possible collection of subjects represented in our exhibitions and collections of material.

All good wishes and again warm thanks,

Yours sincerely,

(Grace Morley)
