Spring Term

Arithmetic B	Enrolled	11
Arith Completed	"	24
Algebra	"	28
Geometry Plane	"	14
Spherical Trig. & Surveying	"	17

I have also met the Sophomores (10) in Bible Class, on Tuesday mornings during the whole year.

As a whole the work during the past year has been quite Satisfactory. There should have been a different arrangement of the divisions of the Arithmetic class during the winter term, but it seemed impossible to make it.

The disparity between the number enrolled in some classes and the number passed is accounted for in this way. Several dropped out of school before Examination.

In my opinion greater care should be taken in arranging classes in the
