

# BRAVES MEET JAYHAWKERS

## Kansas and Ottawa U. To Clash on Court in Practice Game.

The Ottawa University basketball team will initiate the oncoming basketball season by engaging the University of Kansas in a game Thursday night at Lawrence. The affair will start at 7:30. K. U., with a veteran team back, is doped to win the Big Six crown again this year, and so is favored to win over the Braves. It is scheduled as a practice game and should give both teams quite a bit of experience. Coach Dee Erickson of the Braves will watch the game with unusual interest due to the fact that his proteges will be trying out a new offensive system made necessary by a change in the rules which prohibits a player staying in his own free throw lane more than three seconds at a time while his team has the ball. That almost eliminates the center pivot play which has been so popular in the last few seasons.

The first opportunity which the Braves will have to display their wares at home comes next week when the pre-season 4-team tournament with C. of E., Baker, Rockhurst and Ottawa participating gets under way. That is expected to be a high light of the early season play and will be watched by most of the coaches in the section to see what the four teams have in the way of goal-shooting forwards, tall centers and leech-like guards.

### The complete O. U. schedule:

- Dec. 12—Kansas U. at Lawrence
- 17-18—Four-team tournament at Ottawa with C. of E., Rockhurst, Baker and Ottawa
- Jan. 10—William Jewell at Liberty
- 14—Baker at Ottawa
- 16—Bethany at Lindsborg
- 17—Kansas Wesleyan at Salina
- 24—Bethel at Ottawa (tentative)
- 27—C. of E. at Emporia
- 31—Bethany at Ottawa
- Feb. 4—McPherson at Ottawa
- 8—Kansas Wesleyan at Ottawa
- 11—St. Benedict's at Atchison
- 14—McPherson at McPherson
- 15—Bethel at Newton (tentative)
- 18—St. Benedict's at Ottawa
- 21—C. of E. at Emporia
- Mar. 4—Baker at Baldwin

Erickson yesterday cut his varsity squad down to 17 players. Five lettermen are included in the lot: Gerald Barker, Allan Pett, Ernest Klauman, Clarence Daylight and Hugh Mullen. Other veterans are Gail Reese, Arnold Allen and Joe Lynch. New men still out are Eugene Harding, Adrean Miller, Clarence Pearson, Francis Allard, Merle Severns, Wayne Martin, Bill Mattis, Edward Wiberg and Rule Seymour. Another division will be made soon and a second squad formed. It will play a regular schedule.

**Seniors Won Tourney.** — The seniors defeated the juniors last night in the finals of the Ottawa high school basketball tournament by a score of 16 to 13, in a close but raggedly played game. Elliott, Parks and Glaser were high point men of the game, each making five points. Elliott and Glaser are seniors and Parks is a junior. In the first games of the tournament earlier this week the juniors scored 15 points on the freshmen with Phil Mages of the juniors scoring five field goals and two free throws. The seniors won from the sophomores 20 to 8, with Sherman Elliott, senior, being high point man with four free throws and one field goal.

# OTTAWA IN FIRST GAME

## Coach Erickson Puts His Cagers To Test at Lawrence.

Ottawa, Kan., Dec. 11. — (Special) — Coach Charles Dee Erickson's Kansas conference champions will test their strength for this season in a basketball game with the University of Kansas Thursday night in Lawrence. Since the Braves have had only six varsity practice sessions it is not expected that the squad will be in shape to offer much competition to the talented Jayhawkers, but Erickson feels that it will be a fine opportunity to see how his team will act under fire as well as to see how a new offense made necessary by new rules will work out.

Early this week the Ottawa squad was cut down to 17 men. Included in the group are five lettermen. They are Gerald Baker, Ottawa; Ernest Klauman, Clay Center; Allan Pett, Topeka; and Hugh Mullen, Leavenworth. Three other men on the squad are also back: Joe Lynch, Rocky Ford, Colo.; Arnold Allen and Gail Reese, Ottawa. There seems to be some promising new material but a definite line has not been made on any of the freshmen.

The new men are Adrean Miller, Belpre; Eugene Harding, Leocompton; Merle Severns, Florence; Bill Mattis, Ellis; Edward Wiberg and Clarence Pearson, Kansas City; Francis Allard, Soldier; Wayne Martin, Princeton; and Rule Seymour, Lane.

On Dec. 17 and 18 the Braves will participate in a four-team tournament at Ottawa with Baker, C. of E. and Rockhurst furnishing the opposition. In this short tournament the winners of two games on the first night will be matched against each other. The affair has been arranged as a practice affair and all coaches are going to sub freely in order to find out what sort of a team they will have for the coming conference races.

The Ottawa schedule is now complete with the possible exception of a couple of games which may be arranged late in February with Rockhurst. The schedule:

- Dec. 12—K. U. at Lawrence.
- Dec. 17 and 18—4-team tournament at Ottawa with C. of E., Ottawa, Baker and Rockhurst competing.
- Jan. 10—Wm. Jewell at Liberty.
- Jan. 14—Baker at Ottawa.
- Jan. 16—Bethany at Lindsborg.
- Jan. 17—Kansas Wesleyan at Salina.
- Jan. 24—Bethel at Ottawa (tentative).
- Jan. 27—C. of E. at Emporia.
- Jan. 31—Bethany at Ottawa.
- Feb. 4—McPherson at Ottawa.
- Feb. 8—Kansas Wesleyan at Ottawa.
- Feb. 11—St. Benedict's at Atchison.
- Feb. 14—McPherson at McPherson.
- Feb. 15—Bethel at Newton.
- Feb. 18—St. Benedict's at Ottawa.
- Feb. 21—C. of E. at Ottawa.
- March 4—Baker at Baldwin.

## INTRA-MURAL PLAY OPENS

The Ottawa University intra-mural basketball league will get under way this evening, Coops meeting the Hotshots at 7:30 and the Hoodlums taking on the Jelly Beans at 8:30. There is quite a bit of student interest in the opening. The O. U. band is to play and a large number of students and townspeople are expected to be present. No admission is to be charged and everyone is invited. Four other teams, including Hoodlums No. 2, Bachelors, Kimballs and 842, will play games possibly Thursday night.

## Jayhawkers Hold Series Edge Over Foe at Lawrence Tonight.

Lawrence, Kan., Dec. 11. — (Special) — Kansas university will continue its non-conference basketball competition against Ottawa university at the auditorium tomorrow night at 7:30. It will be the opening game of the season for Ottawa while the Jayhawkers defeated Washburn 35 to 18 in their first contest Monday.

Kansas and Ottawa have met nine times, with Kansas the victor six times. The Jayhawkers won 14 to 8 in 1901, but lost 21 to 25 and 16 to 26 in 1904. Kansas won 37 to 35 in 1907, and the next year the series was divided 66-22, Kansas and 39-33, Ottawa. The Jayhawkers have captured the last three games, in 1909, 61-22, and in 1933, 35-27 and 43-23.

## A PRE-VIEW OF TEAMS

### Half the Kansas Conference in Action Here Next Week.

Ottawa fans will get a chance to see what half the Kansas conference is going to have in the way of basketball teams this year when the 4-team basketball tournament is held in the junior high gymnasium next Tuesday and Wednesday evenings. In addition to Rockhurst, a non-conference team, College of Emporia, Baker and Ottawa U. will parade their squads on both nights, thereby giving the fans opportunity to get a line on what to expect in the conference this year.

The games are scheduled to start at 7:30. The drawings are to be made soon for the first night. On the second night the winners of the Tuesday evening games will play and the losers of the first games will battle for third place honors.

Rockhurst will bring to Ottawa the best team the Kansas City school has had in several years and will probably be as skillful with the ball as any of the four teams; consequently it is expected that patrons will see some fancy passing when the Hawks take the floor. Lack of height in the forward wall will be the main disadvantage that the Rockhurst team will have to overcome.

The three conference teams are more powerful than they were last season. C. of E. and Baker will have virtually the same teams they had last year. Ottawa lost only one off the first five; so should be a little stronger than last season; that is, if the Braves profit from experience. Last season the three teams fought close games all season. Ottawa beat Baker twice after close, hair-raising entanglements. The Braves split even with the Emporia Presbies. The Baker team won two close contests from Emporia.

This is the first time that such a tournament has been tried in Ottawa, but early interest indicates that the O. U. athletic department has been wise in bringing the four teams to Ottawa. Fans are sure to see plenty of fast basketball.

# BILLY WILL SPEAK

Former O. U. Grid Star On Platform At Pep Rally On Campus Tomorrow Evening

Featuring the presence of Congressman W. P. Lambertson, who was a football player in his days at O. U., the students of Ottawa University announce they have plans under way for the all-town pep rally Thursday evening in preparation for the big game with Omaha University Friday evening.

The rally will be held on the south campus. A loud speaker will enable all to hear. Attorney Fred M. Harris will introduce Lambertson who will say only a few words. Mayor E. V. Gibson, who claims to make no speeches will be on hand to give the students his assurance that the town is back of the team. A gigantic bonfire celebration will follow the introduction of the squad by Coach Charles Dee Erickson.

After the short speeches the freshmen clad in their pajamas will lead a student parade downtown.

Sept. 24, 1935

Hugh Mullen, Ottawa University quarterback, who will be starting his fourth year of competition when the university meets Omaha University Friday night.

Sept. 28, 1935

"Hank" displayed his punting power by dropping the ball on the Omaha 1-yard line after a 35-yard kick. That is punting as punting should be done. With little more polish in running on the kicking toe this freshman will be another great football star to shine out as brightly as did Jack Knapper.

## O. U. IN GOOD SHAPE

Coach Erickson Promises a Good Battle Against Omaha.

The Ottawa University football squad topped off its preparation for the important Omaha game tomorrow night with a heavy workout. A light practice tonight will be the final touch.

This morning Coach Charles Dee Erickson had only one comment to make, "The boys are in good shape and we will be in there battling." Everyone knows the red clad warriors will furnish the Braves with plenty of opportunity to do all the battling they want. Not that they cannot do that, for the Braves are going to be a tough outfit tomorrow night. Omaha might bring down a grid-iron machine too keenly poised to be upset but no matter what the score may be, Omaha will have a fight on its hands.

If no more rain falls today or tomorrow, the field will be in excellent shape. Full preparations are being made to entertain the crowd. The bleachers are being repainted and repaired and everything possible is being done to make the field attractive.

This year illustrated programs with a 4-color cover page will be available to the fans. The programs will contain the probable starting lineups, squad lists and the jersey numbers. They will sell at 10 cents each.

The loudspeaker from the Blair Electric shop will again be used to keep the fans posted as to the progress of the game.

Despite the bad weather the ticket sale was going along at a merry clip. Reserved seats at reduced prices were quite popular. They will be on sale until 6 o'clock tomorrow evening at the Davis-Wassmer store. Unreserved seat tickets may be purchased there also. Erickson has advised that everyone possible buy tickets downtown in order to relieve congestion at the gate. The ticket booth, however, will have two ticket sellers.

## O. U. EASY FOR OMAHA

Big Red Team Scored 29 Points Here Last Night.

Omaha University ran the scoring gauntlet last night on Cook field and submerged the Ottawa University Braves 29 to 0. The big red team showed plenty of power in the pinches and scored two touchdowns by force of carrying the ball over, passed 33 yards for another, intercepted a pass for another, and kicked a field goal. Leo Peary was the star for the visitors, scoring two of the touchdowns.

The Ottawans while never getting too near the Omaha goal line showed power at times and prevented the Nebraskans from having their own way, even to a greater degree than the score indicated. The Braves made 6 first downs to the Nebraskans' 8. The summary shows the yardage not favoring Omaha too overwhelmingly, 199 to 90.

Ottawa initiated a spinner type of offense and since it was the first time of its use, the timing was not as good as it might have been. It showed possibilities and permitted a nice amount of deception. The Braves' line at times showed polish, opening nice holes in the heavier Omaha line. The locals lacked punch frequently and had difficulty in taking care of Johnk, Omaha center, and Gardner and H. Sorenson, big tackles.

The first Omaha score came in the first quarter after a double exchange of punts had placed the ball on the Ottawa 36-yard line. After Peary's incomplete pass "Tippy" Tyler broke around the Ottawa right end for 20 yards. In short line plunges Peary carried the ball across from the 1-yard line.

Brown's field goal from the 19-yard line came late in the second quarter after the Omahans had carried the ball to the Ottawa 5-yard line. In the face of savage resistance the Nebraskans fell back to the 19-yard line from where they made a place kick.

Peary passed to Baldenow for 33 yards to get the second touchdown which was obtained in the middle of the second quarter. After a short march down the field, Tyler took the ball over the center of the line for the next touchdown. A few minutes later Peary intercepted Swetman's pass to run 57 yards for a touchdown.

The ast of the first quarter and the first of the second found Ottawa clipping right along. "Hank" Loveless featured it by sifting through the right side of the Omaha line for a 24-yard plunge, the longest of the evening. The Nebraskans tightened up and prevented the Braves from getting too near the goal line.

At one time the Braves had an all-freshman backfield in the game with Severns, Loveless, Swetman and Harding managing the back positions. All of these boys showed promise. In the line Mattis, Uppike and Allen among the newcomers looked especially well in the line.

The running and punting of Loveless was a feature of the game. Once he booted the ball 35 yards to let it rest on the Omaha 1-yard line.

Sept. 28, 1935

Barker, Frear and Mullen did some running and gained quite a few yards for the Braves. In the line the performances of Martz and Eagles among the veterans were particularly outstanding. Harrop, Pitts, Daugharty, Dietrich, Klauman and Pett played nice games and were brilliant at times.

O. U. plays at Liberty, Mo., next Friday against William Jewell.

Omaha is playing its third year under no freshman competition rules. They have lost only one game in the last three years, that to South Dakota university. They have an enrollment of 1,000.

The lineups and summary: Omaha—N. Sorenson, LE; Gardner, LT; Crawford, LG; Johnk, C; King, RG; H. Sorenson, RT; Baldenow, RE; Nelson, RH; Pearey, LH; Tyler, Q; Brown, F.

Ottawa—Mattis, LE; Pitts, LT; Daugharty, LG; Martz, C; Dietrich, RG; Harrop, RT; Klauman, RE; Frear, RH; Barker, LH; Mullen, Q; Loveless, F.

Substitutions: Ottawa—Uppike for Mattis, Lister for Dietrich, Pett for Martz, Eagles for Harrop, Severns for

Mullen, Lynch for Loveless, Mullen for Severns, Mattis for Pett, Eagles for Pitts, Severns for Mullen, Harding for Frear, Fear for Harding, Lynch for Loveless, Daylight for Swetman, Allen for Daugharty, Omaha—Loder for Nelson, King for Gammon, Crawford for Frink, H. Sorenson for Gardner, Anderson for Brown, Loder for Anderson, Anderson for Loder, Riggins for King, Donlon for Pearey, Nelson for Brown, Turner for Tyler.

First downs—Ottawa 6, Omaha 8. Yards from scrimmage—Ottawa 90, Omaha 199. Yards lost from scrimmage—Ottawa 16, Omaha 26. Passes—Ottawa 4 for 42 yds, Omaha 2 for 51. Passes incomplete—Ottawa 5, Omaha 5. Passes intercepted—by Ottawa 1, by Omaha 2. Punts—Ottawa 11 for 310 yds., Omaha 7 for 253 yds. Own fumbles recovered—Ottawa 2, Omaha 1. Opposition fumbles recovered—Ottawa 1, Omaha 2. Penalties—Ottawa none; Omaha 1 for 5 yds.

Officials—B. L. McCrary, Oklahoma, referee; Bill Hargiss, K. U., head linesman; James Reilly, Georgetown, umpire.

"Not as bad as the score indicated," said Ottawans after reading the summary of the Ottawa U.-Omaha game. They recalled that more than occasionally they saw evidences of power in the O. U. team.

...

A new star flashed across the Ottawa sport horizon in the person of Henry "Hank" Loveless, freshman fullback. This boy can run, pass and punt. Against Omaha he was able to carry the ball successfully. One of the longest runs of the evening he reeled off when he stepped cross the right guard position of Omaha for about 24 yards.

No soft ones for the Braves this season. William Jewell despite its defeat last week by Missouri will be tougher than ever before. At Liberty next week the Jewellites will unleash a passing attack that is apt to leave the Ottawans a little stiff and weary. Reports are that the Ottawans will find the toughest Jewell team in several years.

Sept. 30, 1935

## JEWELL SEEKS REVENGE

And It is Rumored McPherson Seeks To "Pulverize" Braves.

Pass defenses will be the subject in which the Ottawa University Braves will be interested next Friday afternoon when the team goes to Liberty for the annual battle with William Jewell. In House and Brant the boys of Missouri have two passers who can toss the apple swiftly and accurately to all parts of the field and given half a break or so they will stir up no little trouble for the Braves.

This will be the fourth time the Ottawans have met Jewell since Dee Erickson has been coaching here. Fans will remember the first game of that series as one of the most thrilling that has been played in Ottawa. The Jewell team unleashed an air attack and scored a touchdown right in the very face of an Ottawa team that even then was being touted for a conference championship. And they got it within three minutes after the game start. It so shocked the Braves that they let go an explosive offensive so potent that they scored 38 points before letting up a bit. Jewell fought back then and scored another touchdown to make the score 38 to 14 for Ottawa.

The next year the Jewell men held the Braves to more even scoring and lost only 6 to 7. Last year they tied the big Braves eleven 6 to 6. So this year the rumor is that they feel powerful enough to crack down on the Ottawans to the tune of revenge for that cracking defeat of a few years back.

Last night the squad of Erickson's football hopefuls went through a gruelling practice over some of the weak points which were evident last Friday night in the onslaught of the Omaha team. Tackling and blocking were the main points of emphasis.

Meanwhile all Ottawa eyes are cast toward McPherson from whence come the Bulldogs on October 11 to open the conference season on Cook field. Zuhar, a rambling sophomore backfield ace, is reported to be the greatest runner the Kansas conference has seen in no little while.

Out from the west comes this alleged statement by a McPhersonite, "We intend to pulverize the Braves this year with no less than a half dozen touchdowns. They will be meat on the table for us this year." To all of which the Braves make no answer but simply go about the business of putting more punch into their offensive.

## MORE DRIVE AND FIRE

O. U. Braves Plugging for Jewell—Officials Lax Last Week.

The Ottawa University Braves are working out this week with more drive and fire than for several years. Apparently the Omaha game proved to them they must have more drive as well as more perfection in certain details of the game. Tackling and blocking have received much attention and the improvement is marked. Believing that the best pass defense is rushing the passer, the Braves have been spilling the passers right and left. Several new plays, at least new this year, are being prepared for use Friday when the team meets William Jewell at Liberty.

The Braves will find a hard-charging and peppy bunch out on the field at Liberty. A good many of the town boosters are anxious to see what the team is going to do against the Missouri outfit. The Jewell team is reported disgusted over the showing against University of Missouri last week and may be mighty stubborn.

Dissatisfaction with the refereeing in the Omaha-Ottawa game last week is apparent. When two teams play as rough as did those and the officials call only one penalty, someone has hair in his eyes even if he is bald-headed. Coach Dee Erickson says the officials are to be checked a bit closer after this. The Braves are not howling about it themselves, because they can take it and they are not looking for alibis.

Arnold "Jug" Allen, Ottawa sophomore on the Braves squad, is out for his first football. He is becoming as tough as guards come and is apt to play a lot of

## DIETRICH IS INJURED

Guard May Be Out of Jewell Game at Liberty Tomorrow.

Paul Dietrich, guard on the Ottawa University football team, may not be able to play against William Jewell at Liberty, Mo., Friday afternoon. Last evening in practice he suffered a cut over the right eye which took four stitches to patch it up. The accident occurred when the hard-hitting guard tackled Hugh Mullen in a practice session.

After the workout last night Coach Charles Dee Erickson did not have much to say about the prospects of his team for this week against the Missouri team. The first string tried repeatedly to crack through a stone wall defense thrown up by John Haley and Harold Pitts, and they gained only a few yards now and then. With the opposing line piling in on the forward passers like a swarm of Ethiopians moving on the Italians the air attack of the Braves amounted to almost nil.

This afternoon the boys will take a light scrimmage practice and get a few more pointers on their game. The squad, which has not yet been fully selected, will leave early for Liberty.

football as soon as he gets a bit more polish on blocking.

Asa Eagles, veteran tackle, is playing a style of ball that is good to watch. "Ace" is using his 210 pounds of man-power in right handy manner and is putting plenty of fire into it. Opponents may be trying the other side of the line when Eagles is in the game.

## JEWELL BEATS OTTAWA, 7-6

Kick by House Decides Interstate Grid Game.

Liberty, Mo., Oct. 4.—(A. P.)—William Jewell college defeated Ottawa university 7 to 6 here today in a football game in which all the scoring occurred in the last quarter.

Jewell scored first when Riley carried the ball over for a touchdown early in the final period. House kicked goal.

Ottawa came back to score on a pass after recovery of Riley's fumble placed the invaders in position. Riley then broke thru from his halfback post to block the kick that would have meant a tie.

Ottawa outgained the home team on the ground and in the air.

## GRID. BUS BROKE DOWN

The O. U. football team was delayed in reaching Liberty, Mo., this afternoon because of a breakdown of the bus on which they were riding, near Kansas City. The game with William Jewell was not expected to start before 3 o'clock.

## JAYHAWK OFFENSE CLICKS

### Clash With Kansas Beneficial to O. U. Braves Despite Loss.

A sweetly clicking Kansas University basketball team swept over an unseasoned Ottawa University five in Lawrence last evening and won 53 to 22. Missing only three shots in the first half the Jayhawks piled up an early lead and maintained the sizzling pace throughout the game. The first string K. U. five was in most of the game and looked as if it will give the other Big Six teams a run for the championship. Both coaches substituted freely during the last part of the game.

For the Braves the game was a beneficial engagement. Weaknesses in their system of play cropped out and remain to be corrected during the few weeks remaining before the January games begin. Yesterday was the seventh time this season that the squad has been on the court. Everything considered, Dee Erickson was not too much disappointed with the showing of the group. Defensive work will have to be built up and the general passing attack machined down. At times the locals lacked drive but gave indications at times that once their play is smoothed out they will be a smooth driving outfit.

The 4-team tournament to be held next week in the junior high school gymnasium on Tuesday and Wednesday nights should give the Braves a great deal more experience. Baker, C. of E. and Rockhurst will be the other teams in the tournament.

## TOURNEY STARTS AT 7:30

### Cochran Announces Ottawa University Lineup.

Rockhurst College will meet Ottawa University tomorrow night in the first round of the 4-team tournament at the junior high gym. The first game will be between College of Emporia and Baker and will start at 7:30. The Braves-Hawks game will begin at 8:30.

Coach Dee Erickson of the Ottawans announced that Gerald Barker and Clarence Daylight will start at forwards, Ernest Klauman at center, Allan Pett and Hugh Mullen or Joe Lynch at guards. Other starting lineups could not be had this morning.

The Rockhurst team is reported to be fast, so the game with Ottawa should be a fast one with the Braves getting plenty of experience on defense—perhaps too much.

Admission to the games will be 40 cents with no reserves.

## O. U. MEETS ROCKHURST

### Pairings Made for 4-Team Tournament Here Next Week.

Ottawa University will meet Rockhurst in the opening game of the 4-team tournament to be held in the junior high gym Tuesday and Wednesday evenings of next week. Baker will meet College of Emporia. The winners will play the finals Wednesday evening and the losers will meet for the consolation crown. The Baker-C. of E. game will start at 7:30 and the Ottawa-Rockhurst game at 8:30. The admission is to be 40 cents each night. Contrary to other reports Coach Charles Dee Erickson said that no advance is to be made in the usual basketball prices. Seats are not to be reserved.

The 4-team tournament is a new feature to this section. Usually when tournaments are staged there is succession of games between a countless number of teams starting at daybreak and ending somewhere in the middle of the night. As a result players, officials and fans are worn out and groggy by the end of the tournament. This one, however, is different in that it is only two nights long with each team playing a game each night. No prizes or trophies are being planned for the victors—they take home the experience and the honor of having downed three other mighty good basketball teams.

Most of the teams will be using a different type of offense than they have used in the last few years. The new rule which prohibits any player whose team has the ball from staying within the free throw zone for more than three seconds has practically done away with the center post pivot play.

The Braves for instance this year are working on a new offense which will work on a double post idea. There will be three men out near the center of the court passing the ball in to the two post men. Last year the Braves had two men out and three men in the scoring zone. Other teams will have made changes in their type of play probably along the same lines.

Claude Cochran of Kansas City is slated to referee the games.
