# President's Page

There is good news on the growth of Pi Kappa Delta this past year. Charters for undergraduate chapters were granted to Oklahoma Christian College, East Central College in Missouri, Baker University in Kansas, and Abilene Christian University, (reaffiliation) and alumni chapters were established at Wilkes College and Bloomsburg State College.

You can help the news get even better by making personal contacts with the directors of other schools who have requested information on Pi Kappa Delta for possible affiliation. Look over the list below to find those schools you see at tournaments in your area; seek them out to let them know of your interest in their joining, and encourage them to get their applications in as soon as possible. Make it your goal to help at least one of these schools complete the process of affiliation in time to be welcomed into membership by our convention in Estes Park.

# Proposed Constitutional Amendment

503 Each undergraduate chapter, to maintain itself in good standing, shall provide itself with a constitution, shall meet regularly, shall initiate new members at least annually using an appropriate obligation and ceremony, shall report new members and changes in standing of members to the National Secretary-Treasurer, and shall collect membership fees, national chapter fees, and other assessments of the National Organization promptly and forward them to the National Secretary-Treasurer or attend the National Convention at which time these fees may be paid. All treasurers who are sending money for fees or keys must designate the person or persons for whom the money is being sent.

503.1 Attendance at a National Convention shall be defined as answering present to roll call at not less than two business sessions of the convention. One of these sessions must be the final session unless the chapter has been excused by the National President from this final session.

504 Undergraduate chapters shall be placed on probation by the Charter and Standards Committee if the following conditions exist.

504.1 Any undergraduate chapter not submitting five new members every bi-

ennium for a four year period or not paying the annual national chapter fee for a four year period shall be placed on probation.

504.2 An undergraduate chapter placed on probation by the National Convention for any cause shall be deprived of all privileges of membership except for the initiation of new active members, and shall have no vote in the Province or National Organization.

504.3 Probationary status can be removed upon certification by the Charter and Standards Committee that all deficiencies have been removed.

505 Any undergraduate chapter not submitting five new members every biennium of the six year period or not paying the annual national chapter fee for the six year period shall forfeit its charter upon recommendation of the National Council and approval by the National Convention.

---

*Proposed Amendments must reach Tony Allison, the Secretary-Treasurer or Gary Horn, Constitutional Revision chairperson by October 15 in order to be forwarded to The Forensic office by November 1 in order to be printed in the Winter edition which will be mailed prior to Thanksgiving that it may reach the chapters before Christmas break.*

---

Pi Kappa Delta wishes to express to the close friends and relatives of Jerry Haggard our deepest sympathy over his death. Jerry evidenced honesty and sincerity as well as intelligence and wit in his interaction with others. His personality and positive approach to life made him a valued part of every group of which he was a member.

Pi Kappa Delta has lost the future contribution of a young man who demonstrated well our motto. Whether seeing him in action in a committee meeting, encountering him in a debate or merely observing him at a social occasion, you always were aware that he was skilled in "the art of persuasion, beautiful and just."

# Chapter News

## *Province of the Upper Mississippi Ripon College*

*Bonnie Buzza: Reporter*

*Delmer Wensick, one of Wisconsin Alpha's first Pi Kappa Delta presidents visited with Jennifer Tifft, an 1982 Ripon College graduate who holds the degree of special distinction. Mr. Wensick was recognized for his business contributions with a special alumni award and while he was on campus; he and Jennifer brought together the old and new of Pi Kappa Delta and updated Ripon history and tradition.*

# Province of the Missouri School of the Ozarks

C. Darrell Langley: Reporter

The newly formed Missouri Phi chapter completed its first full tournament season in fine fashion. The schedule included nine tournaments and concluded with the Tri-Province Championship in Columbia, Missouri, where Barton Egger and Charles Taylor placed first in CEDA debate. The Egger/Taylor CEDA team compiled a season record of 29 wins against 5 losses, and finished every tournament with an elimination round.

Individual accomplishments were evenly distributed throughout the squad. Charles Taylor won several top awards in oratory and impromptu speaking, placing

first at the Missouri State Championship Tournament and the University of Arkansas. Debbie Bain and Sandy Gault each placed third three times in Informative Speaking at various tournaments. Scott Jensen captured second place awards as a result of his competitive endeavors.

Other season highlights, in addition to the Tri-Province CEDA championship, were a third place sweepstakes finish at the William Jewell College tournament and hosting the Missouri Association of Forensic Activities Championship at The School in mid-March.

*The 1981-82 Missouri Phi chapter consists of front row l to r Barton Egger, Charles Taylor [President], Connie Lewis, and Mr. C. Darrell Langley, Director of Forensics. [Back row] Sandy Gault, Scott Jensen, and Debbie Bain.*

Chapter News keeps the brotherhood of Pi Kappa Delta in touch with the activities of all the chapters. Please let us know your plans for the year, any members who deserve special recognition, and any Pi Kappa Delta sponsored activities or community projects.

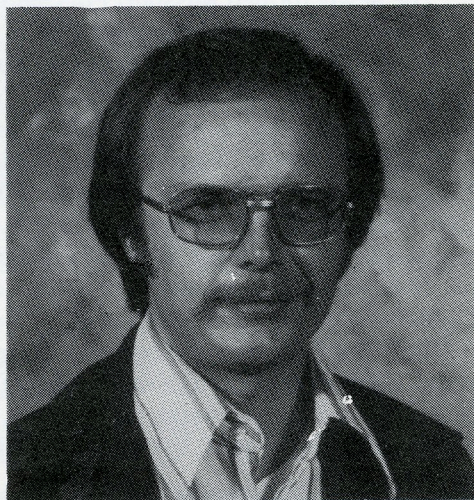

# PROVINCE LEADERS FEATURED

## Province of the Plains

The Province of the Plains grew by one chapter in 1981-82. Baker University (KS), under the sponsorship of Larry Haapenen is making plans to become actively involved in Pi Kappa Delta activities during 1982-83 school year. We are excited about Baker University's involvement and contribution to our province.

Missouri and Illinois joined the Province of the Plains in a Tri-Province Tournament held at Columbia, Missouri, April 1-3. It was a successful endeavor and provided an excellent opportunity to develop positive inter-province communication. Bethel College, Sterling College, and Pittsburg State University represented the Plains Province at the tournament.

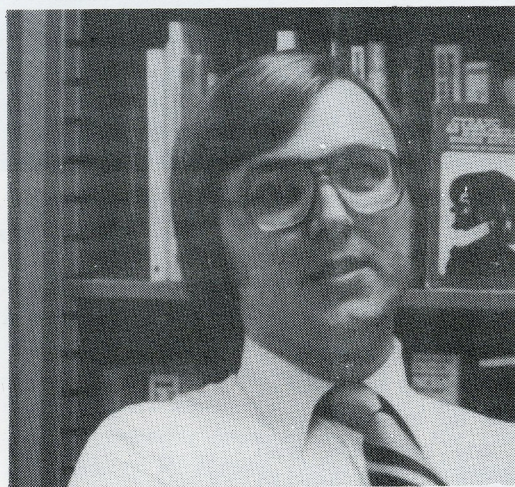

Future plans for the province center on hosting the National 'Pi Kappa Delta Tournament at Estes Park, CO. Southwestern College is the host college for the national tournament. Mark Stucky (Bethel College), Province Governor; Dave Proctor (Hastings College), Lt. Governor; Dave

## Province of the Upper Mississippi

*James E. Norwig - Governor*

The Upper Mississippi is not an exceptionally large province, nor is it

immune from the problems which confront all of us in forensics. Yet, I am proud to observe that ours is a very healthy province, blest with chapters and individuals (faculty and students) whose enthusiasm for and commitment to Pi Kap has actually grown stronger in recent years. At our March meeting I was (once again) amazed by the volume of heat and light generated over twice the originally allotted period by our members, even as the streets of Fargo, N.D. were rapidly being obliterated by a late Winter blizzard. *That's* commitment!

Of course, we have chapters which don't share this sort of enthusiasm: helping to revitalize our less active chapters is the most important thing I hope to accomplish as Governor. On a more pedestrian level, we will be undertaking the revision of our

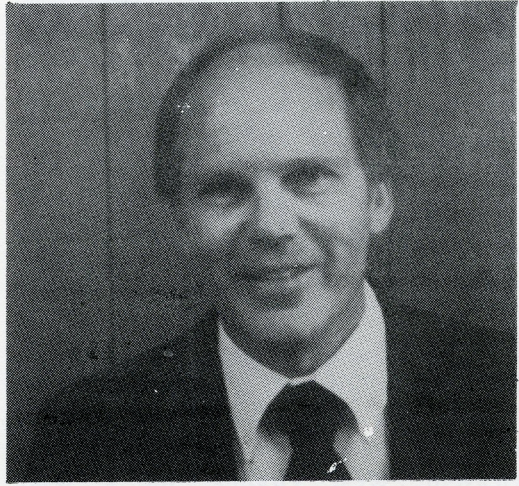

## Province of the Missouri

The Province of the Missouri is a province strongly committed to the goals and ideals of Pi Kappa Delta. Although the province is relatively small, the chapters from the state of Missouri join colleges from Iowa to form a fraternity with strong chapters and forensic programs.

I have always appreciated the combination of fraternity and competition within the Province of the Missouri. Firm friendships and memories of tournaments and campus visits are continued topics of discussion among alumni from colleges and universities throughout the province. I am especially grateful to serve the province again as governor, and I know that I speak for fellow coaches and students in mentioning at least three points of focus.

The first goal is the continued emphasis upon strong educational and competitive experiences along with many other Pi Kappa Delta features. The Tri-Province Tournament of last spring, planned and hosted by Professors Penny Swisher, Mike Hadley and his colleagues, is an excellent example of the combination of fellowship and competition.

I would like to underscore the importance of the goals of openness to new ideas, new programs, and new chapters. My hope is that the province will welcome innovation while strengthening events and formats which are strong traditions. I am delighted

to see excellent programs continued by relatively new chapters at Missouri Western, Missouri Southern, The School of the Ozarks, and the very new chapter at East Central College. I am happy that PKD in our province is quick to encourage new chapters, members, and forensic directors.

Finally, I know that the Missouri Province will continue to cooperate in building a superior national organization. Our chapters feel a sense of responsibility for the overall success of the Fraternity, and I am sure that the National Convention-Tournament and other national programs can count on the Province of the Missouri for support, loyalty, and active participation.

## Province of the Lakes

The Province of the Lakes plans to meet a need to introduce CEDA in the eastern half of the United States. They are sponsoring *The Eastern Value Debate Conference*, October 9-10 at Cedar Lakes State Camp, Ripley, West Virginia. The costs of the conference from noon Saturday through Sunday afternoon are minimal, less than \$20 for students and \$25 for coaches. This fee includes lodging, food, and registration.

The subject areas to be covered are in

the planning stages, but tentatively they are: Philosophy / Background of CEDA; CEDA's Educational Function in Forensic Programs; Stock Issues in Value Debate; Presumption in Value Debate; Judging Paragrimis in Value Debate; Value Clash Resolution; Theory Development, and Topic Analysis and Research. It is possible to have several sessions occurring simultaneously and accomodating various needs of participants. Other possible topic areas

include student reactions in switching from NDT to CEDA and advanced theory.

The staff includes a fine group of Pi Kappa Delta directors who are anxious to get east coast debaters actively involved with CEDA.

David Buckley	Southern Illinois

Wonderful Weekend exploring the hottest thing in intercollegiate debate.

## Province of the Northwest

*Steve Hunt - Governor*

The winds of change are blowing through the Province of the NW. With the expansion of CEDA debate and individual

events and with tightened budgets, schools are looking to modify traditional tournament formats and to return a bit to regional cooperation. The attempt is to have a regional championship for both jr. and sr. colleges with designated regional tournaments counting towards an overall end of their year regional sweepstakes. These tournaments would include NDT, CEDA, and a variety of individual events. Some intelligent "lay" judges would be involved in each tournament to encourage better audience analysis and presentation skills. Oral critiques would be given at some times in some events for more feedback for student learning. PKD schools are taking the lead in all this hoping that such regional tournaments will help promote the "art of persuasion beautiful and just."

The Province Convention of the Northwest Province was very special. Attending the convention as guests of the province were three of the four former National Presidents from our area: Homer Veatch, R.D. Mahaffey, and T.O.H. Karl.

All three took an active role in our province meetings, suggesting proposals

and making comments which reflect their long experience in the organization. In addition, several special province meetings were held to enable these gentlemen to talk more informally with students and teachers about the history of the province and the organization, as well as the changes that have taken place in the more than fifty years
