

The Ottawa University faculty and board of trustees held a dinner Saturday evening at the Ottawa Country Club in honor of Dr. and Mrs. W. P. Behan who are soon to leave for Sioux Falls, S. D. Dr. W. B. Wilson was toastmaster and introduced the program which was complimentary to the Behans. Prof. Edgar D. Kerr sang two groups of solos and Prof. Everett Fetter played two violin numbers. Mr. B. F. Bowers, representing the trustees, gave a talk of appreciation and presented Dr. Behan a beautifully lettered and framed message. Miss Minnie Maude Macaulay and Prof. R. H. Ritchie, representing the faculty, gave messages of appreciation. Mr. Ritchie concluded his remarks by presenting a packet of letters written by faculty friends of the Behans. The tables were decorated with bowls of pink roses and bouquet candles, and streamers of smilax. The color motif was pink, green, yellow and orchid. Miss Lulu Brown, Miss Macaulay, Dr. Wilson and Dr. B. P. Heubner formed the committee on arrangements. Beside the committee, those present were: Mr. and Mrs. Bowers, Mr. and Mrs. Arthur Willis, Mr. and Mrs. Edmund Lister, Rev. and Mrs. W. A. Elliott, Dr. and Mrs. Andrew B. Martin, Dr. and Mrs. S. P. Fogdall, Dr. and Mrs. Stuart M. Pady, Dr. and Mrs. Karl S. Bergstresser, Dr. and Mrs. F. A. Trump, Mrs. Wilson, Prof. and Mrs. Ritchie, Prof. and Mrs. Fetter, Prof. and Mrs. Kerr, Prof. and Mrs. Evan A. Reiff, Mrs. Huebner, Mr. and Mrs. Alfred S. Stout, Mrs. C. A. Buchanan, Mrs. Sarah Bundy, Mrs. Rollo C. Speer, Misses Agatha Hoffman, Ruth Bundy, Beulah Cudworth, Nelle Buchanan, Rev. Judson Wood, Dr. Arthur Bernhart, Mr. Richard Godlove and Mr. Claude Webb.

Friday night the Kansas conference leaders, College of Emporia, come to Ottawa for a game with the Braves. The Presblys have been putting on an early starting drive for the championship and already hold one victory over Baker. They do not count on an easy game with Ottawa, feeling that the locals are far more powerful than they seemed against Baker last week. It probably will be one of the finest home games of the current season.

Bell, a newcomer to the Emporia lineup this season from Kansas City, Kas., junior college, is becoming a power in the scoring column. Along with Lee, guard, and Rock, forward, he gives the Emporia outfit plenty of scoring punch.

The Braves would still take pleasure in knocking off a would-be champion—just anyone.

Shoger's return to the Ottawa lineup should give the team more power, but the five that seems most likely to start Friday night will include Brenton at center, Miller and L. Morgan at forwards and Swetnam and Harding at guards.

Incidentally, Swetnam got credit for one of Brenton's goals at Baker Friday night. That along with a few other errors leads one to wonder if there is not something wrong with the Baker official scoring system.

Dr. and Mrs. W. P. Behan are soon to leave for Sioux Falls, S. D., will be honored by fellow-members of First Baptist church Thursday night at 8:30 in the church, following the regular prayer meeting. The event is in charge of the church social committee, composed by Miss Nell Buchanan, Mrs. Karl Bergstresser, Mrs. Walter Wilson, Mrs. Everett Fetter, Mr. Harold J. Lamb and Mr. Don Harbison. It is one of many social affairs being given Dr. and Mrs. Behan. On Sunday Dr. and Mrs. Behan were dinner guests at the home of Mr. and Mrs. A. C. Carpenter. Prof. and Mrs. Everett Fetter will entertain them for dinner this evening. Dr. and Mrs. F. A. Trump have invited Dr. and Mrs. Behan for dinner tomorrow night.

#### FACE A FAST TEAM

##### O. U. Braves Take on C. of E. Here Friday Night.

Sports fans of Ottawa will have their first opportunity to see a Kansas conference basketball game Friday night when the College of Emporia invades the town for a game at the junior high school gym starting at 8 o'clock with the Ottawa University Braves. A preliminary will be held at 7 o'clock between the reserve teams of the two schools.

Strange things have been happening in the Kansas conference so far this season and some stranger things are scheduled to happen before the play is completed early in March; so it would be no surprise should the Ottawans play a whale of a game against the Emporians. They have a lot of stuff to uncork and are just about due to go on a scoring spree. Of course, the Presblys are up at the top fighting for the lead which should make the game all the more important to both teams. Herb Worl will not be misled by any previous scores this year. He knows that the Ottawans are capable of getting fairly hot with Morgan, Miller and Brenton going along at a pretty fair clip. In addition to that forward wall, Swetnam and Harding at guards can and do score a few points.

Experience is a valuable asset to a team. The Ottawans have been getting plenty of that—all sorts, in fact. May it be known, too, that they have won six games and have lost only four. Coach Dick Godlove is not sure as to the exact plan of the team's play against Emporia. Using the same style of attack as customary this season, the Ottawans will undoubtedly give some attention to a defense against fast breaking. With Lee of Emporia being a good ball retriever, the Presby offense gets under way quickly. The Ottawans will be able to get some shots Friday night and undoubtedly be sinking some of them.

Tickets are on sale at the North American coffee shop.

## O. U. EXAMS ARE ON

### Enrollment Monday and Tuesday for Spring Semester—New Students Expected

Ottawa University students know how to sympathize with flood victims. For this week they are in the midst of a flood of final examinations which will close the work of the first semester in the 1936-37 term. The tests began yesterday and will continue through tomorrow.

Enrollment for the new semester will be held on Monday and Tuesday. Class work will begin on Tuesday and Wednesday. Due to most of the students tentatively arranging their courses for the second semester when they enrolled last fall, the registration processes are not expected to take much time.

New students will enroll at the same time other students do. President Andrew B. Martin said this morning that a number of new people are expected to be in the university for the spring session. Students who are interested in enrolling should go to the university this week-end for a conference with Dr. Martin or with other officials of the school.

The courses in speech and dramatics regularly taught by Alice Gordon Wilson, who will be on leave of absence this spring to take graduate work at University of Michigan will be taught by Prof. R. H. Ritchie and Mrs. Everett Fetter. The course in philosophy taught by Dr. W. P. Behan, who leaves the university to accept a position on Feb. 1 in Sioux Falls College, S. D., will be taken by Dr. Martin. Rev. Judson E. Woods will take other courses taught by Dr. Behan. Dr. Behan's successor will not be named, more than likely, until shortly before the fall session.

Aside from these, no changes in the university are to be made for the spring semester.

## Sport Reports

Observers are saying that the O. U. basketball team in its workouts in preparation for the C. of E. game here Friday night is looking much better. Omer Brenton's work under the basket is improving. Lyle Swetnam, playing his first year of basketball, is improving his all-around play and ability to shoot baskets.

The final examinations are not hindering the practice sessions but they seem to be worrying some of the boys. Any coach these days is hopeful that at least his stars will pull through.

Herb Worl of Emporia will start Rock and Bell at forwards, Moon at center and Lee and S. Sharpe at guards. Rock and Lee have always been poison to O. U. defenses and this fellow Bell, who will be playing his first game against Ottawa, is not expected to make things easier.

Coach Dick Godlove will undoubtedly start Lyman Morgan and Miller at forwards, Brenton at center, and Harding and Swetnam at guards. This combination seems to be the best working bunch to date discovered. They can be flashy at times.

This will be the first O. U. game at which the new electric scoreboard will be used. That in addition to lineup cards which will be distributed will keep the fans informed of the progress of the game in every detail.

January 28, 1937

Mrs. Ben Bowers entertained guests informally yesterday afternoon at a tea complimentary to Mrs. Ralph Crawford of Burlingame, Calif., who was formerly Miss Maude Frink of Ottawa. Mrs. Crawford is spending a week visiting her twin sister, Mrs. Asa Converse of Wellsville. Miss Wanda Janssen assisted with the serving. Twelve guests were present. Tomorrow noon Mrs. Converse will entertain the following guests at luncheon, honoring Mrs. Crawford: Mrs. Edmund Lister, Mrs. W. A. Penny, Mrs. Bowers, Mrs. J. E. Shinn and Miss Hope Converse, all of Ottawa and Mrs. Otto Dubach and Miss Jessie Haigh of Kansas City. All formerly attended Ottawa University.

Scenes like this were common in every Ottawa university student's study room this week. Final examinations were concluded yesterday and plenty of "midnight oil" was burned in preparing for them. Those in the picture shown "cramming" for their finals are, left to right, Bob Hornsby, Topeka; Bill Christie, Topeka; Wilbur "Bud" Swenson, Clay Center; and Adrian Miller, Belpre. The boys are all members of the Alpha Phi Beta housing group.

## FAREWELL TO BEHANS

An informal reception was held last night at the First Baptist church as a farewell to Dr. and Mrs. W. P. Behan, who leave this week-end for their new home at Sioux Falls, S. D. The reception was held in the church parlors, with Rev. W. A. Elliott presiding at the program. A string ensemble, Prof. Everett Fetter, Miss Byrnia Brooks, Messrs. Glen Betschart and Malcolm Scott played "Believe Me If All Those Endearing Young Charms" and "Plantation Melodies." Mr. Larry Clark, accompanied by Miss Eileen Wilson, sang "Three for Jack." Rev. I. A. Smith, representing the Ministerial Association, spoke in appreciation of Dr. Behan's work in that organization. Mr. Howard Rounds made a short speech, presenting Dr. and Mrs. Behan with a floor lamp as a farewell remembrance from these friends, and both Dr. and Mrs. Behan expressed their thanks. Refreshments of wassail and individual cakes were served from a tale decorated with white tapers in silver holders and red roses, and the flowers were later given the honor guests. The committee in charge was Miss Nelle Buchanan, Mrs. Karl Bergstresser, Miss Louise Humiston, Mrs. Fetter, Mrs. Walter Wilson, Messrs. Don Harbison and Harold Lamb. One hundred persons were present.

Dr. and Mrs. Behan will be entertained for dinner this evening and spend the night at the home of Mrs. C. A. Buchanan and Miss Buchanan. They will go to Kansas City tomorrow to visit over Sunday with relatives, and leave from there for Sioux Falls.

## SET FOR C. OF E.

O. U. Braves Play the Conference Leaders in First Home Game Tonight.

The Ottawa University basketball team will play its first home conference basketball game tonight against College of Emporia in the junior high school gym starting at 8 o'clock. Reserve teams of the two schools will meet at 7 o'clock.

Coach Dick Godlove has sent the entire squad through several hard driving practice sessions this week and it is hoped the team will make a good showing tonight. C. of E. is now leading the Kansas conference and will be out to keep its undefeated record intact. While it is not on the dope books for the Ottawans to win tonight, stranger things than that have happened. The Braves well remember that two years ago when they were heading toward a conference championship the Emporians momentarily halted their march toward the crown by administering a defeat in Emporia. Remembering that possibility the Braves would like to return that favor and see the Presbies back on their heels. Admittedly that will be a difficult job.

The game will have its points and should be one of the most interesting played here this year. Not too wide a gap should separate the teams at the close, and who is there to say that the Ottawans might not get going and be on the long end of the score?

Godlove will start Lyman Morgan, Adrean Miller, Omer Brenton, Lyle Swetnam and Eugene Harding. Coach Herb Worl of C. of E. will start Bell, Rock, Moon, Lee and Sharpe.

January 29, 1937

Mr. and Mrs. J. E. Shinn gave a dinner last night at their home for Ottawa University students, who are children of O. U. alumni,

The serving was at 6:30 o'clock, with table decorations appropriate for Kansas Day. Brown bowls of calendulas were used, there were sunflower favors and the yellow and brown shades were carried out in the menu. Misses Adeline and Alice Shinn assisted with the serving. The remainder of the evening was spent informally with games and contests. The guests were: Miss Lulu Brown, Mr. Claude Webb and the following college students: Misses Dorothy Mae Bower, Lucile Childears, Edith Clemmons, Ruth Johnson, Mary Ellen Miller, Ruth Parrish and Adeline Shinn; Messrs. Alford Banta, Billy Bowers, David Laury, George Lister, Wilbur Parker, Earl Pennington, Newton Rokes and Ernest and Wallace Woods.

EMPORIA TOO FAST

**O. U. Braves Put Up a Good Fight But Lost to High Scoring Loop Leaders.**

The Ottawa University basketball team last night lost a high scoring game in the junior high school gym to the championship-bound College of Emporia team, 33 to 52.

Except for the first two minutes the Emporians led all the way but such a fight did the Braves make out of the game that not until the last 10 minutes did the Presbies forge out into a lead that was certain to stand.

Two boys did the good work for Emporia. Rock made 15 points to keep up his scoring trend, and Bell made 13 points. The scoring of these two boys plus the sensational rebound work of Dick Lee gave the Emporians a big edge.

The play of the Braves was fairly well balanced with Swetnam showing well at times on the floor. Lyman Morgan got a series of free throws most of which he made good, but shot only one field goal.

After allowing the score to be shot up to 13 to 5 for C. of E. the Braves made a savage fight to bring the score back to a decent figure. And from there on the boys remained in the game.

Today the Braves went to Wichita where tonight they play Friends University. They already hold one victory over the Wichita team, scored here earlier in the season.

Next week there are two home games for the Ottawans. Wednesday night they meet the Kirksville Osteopaths on the junior high court and Friday night the McPherson College Bulldogs. The high school plays Emporia high the same night.

O. U. BEAT FRIENDS Kirksville Osteopaths Will Play Here Wednesday Night.

The Ottawa University Braves journeyed to Wichita Saturday over slippery roads and slid out with a 35 to 2 victory over Friends University.

The close score does not indicate the superiority of the Braves. They went out and put on a nice passing game to lead at one time 30 to 10. Then with numerous shifts in the lineup the attack of the Ottawans slowed down, probably as a result of the hard game the night before with C. of E. and the tiring trip to Wichita. Friends took advantage of the situation and made a sudden spurt of accurate shooting which made the score look more respectable.

At the start of the contest Brenton, Miller, Morgan, Swetnam and Harding played hard driving ball in building up a good lead. Especially was the showing effective under the basket where Miller and Brenton were doing good rebound work. The passing and strategy of the two guards, Harding and Swetnam, for the most part in the early minutes of the game was brilliant and allowed the forwards to get several good shots.

For some reason during most of the game the court in front of the basket was jammed up considerably. The fact that the remodeled Friends court is the smallest the locals have played on this year probably accounted for much of this jamming.

Occasionally the Braves sprang a fast break which netted points. One of these featuring nice passing by Amos Morgan, Swetnam and Brenton gave the latter a chance to go under the basket for a set-up.

Wednesday night the Ottawans play the Kirksville Osteopaths here in the junior high gym.

REGISTER AT O. U.

Some New Students Expected—Practice Teaching

Registration for the second semester was in progress at Ottawa University today and will be concluded tomorrow. Class work will begin Wednesday morning.

Miss Ruth Bundy this morning did not know how many new students will enroll, but several are expected. It is thought that, as usual, there will be quite a few students dropping out for reason of finances, low grades and ill health.

A number of students will enroll for practice teaching which will be taken under supervision of Supt. G. H. Marshall of the public schools. The students will be assigned to various teachers in the system where they will receive training in teaching. The state board of education requires that persons for state certificates must have three hours credit in practice teaching.

ON O. U. HONOR ROLL

Thirty-five Students Earned Places—Jo Davis Led Freshmen With "A" in 16 Hours

It was announced yesterday that 35 Ottawa University students earned places on the honor roll for the fall semester which closed last Friday.

Interest in the "freshman tenth," as usual, ran high. An Ottawa girl, Jo Davis, led this list with a straight "A" average in 16 hours of work. Others on the freshman roll were: Maurine Anderson, Walnut, Iowa; Ethel Mac Schober, Topeka; Harold Croan, Ottawa; Newton Rokes, Ottawa; Stanford Splitter, Frederick; Harold Wiberg Kansas City; C. W. Lowery, Ottawa; Freda Fellnagle, Princeton; Edith Wilson, Arvada, Colo.; and David McWilliams, Hoxie, Ruth Johnson, Horton, Mo.; Annabelle Kinsey, Montrose; and Pearl Woolfolk, Pratt, received honorable mention on the freshman list.

Rowena Butler, Ottawa; Ruth Parrish, Kansas City; and Leo Stewart, Holton, led the senior class by making first honors. Arthur Lien, Chanute; Lowell Orbison, Fort Scott; and Marjorie Schober, Topeka, made the senior second honor list.

Four juniors made first honors: Blanche English, Lowell, Wyo.; Gordon Fogdall, Ottawa; Leland Roth, Milwaukee, Wis.; and Irene Ruskin, Paola. Five juniors made second honors: Mrs. C. E. Carter, Olathe; Joseph Lynch, Rocky Ford, Colo.; Kathryn Proffitt, Ottawa; Howard Rounds, Ottawa; and Leonard Sizer, Council Bluffs, Iowa.

Louise Shade of Michigan Valley and Robert Steiger of El Dorado were the only sophomores who rated first honors. Four of their classmates made second honors: Lucile Childears, Canon City, Colo.; Margaret Shively, Osawatomie; and Edward Wellepp and Elizabeth Whitaker, Ottawa.

Two girls groups, Sigma Iota Psi and Phi Kappa Chi (Charlton cottage), led the race for club honors. The first named won possession of the house scholarship trophy awarded each semester.

### PLAY KIRKSVILLE HERE

Game Tomorrow Night Will Start  
Promptly at 7:30.

Tomorrow evening the Ottawa  
University Braves will meet the  
Kirksville, Mo., Osteopaths on the  
junior high school court. Only  
one game will be played, starting  
at 7:30. That should permit the  
game to be out by 9 o'clock.

The game should be close and  
interesting if past scores are in-  
dicative. Early in December the  
Ottawans won over the Missouri  
team 29 to 27 in a game that was  
packed full of thrills. The team  
that is hitting should win tomor-  
row night. Ottawa guards will be  
set to take care of an Osteopath  
by the name of Wood who scored  
15 points against them in that  
early game. Most of his shots  
were long loops difficult to guard  
against.

The Ottawa lineup will be  
about the same as usual with  
Miller and Morgan starting at  
forwards, Brenton at center, and  
Swetnam and Harding at the  
guard posts.

The Braves have been playing  
better basketball in the last few  
days. Their screens and their  
passing attack are clicking better.  
They are not fumbling the ball so  
much while working it through  
the defense. Early in the season  
and up until lately it was char-  
acteristic of the team to shoot the  
ball into the scoring territory  
only to have it tied up by the  
defense. Now the boys are appar-  
ently able to bring the ball out  
in case they cannot get through.  
That gives them a chance to  
crack at the defense again. Their  
rebounding work in getting the  
ball off the backboard is improv-  
ing right along. With their abil-  
ity to shoot accurately also im-

debate on the question: "Resolv-  
ed that congress should be em-  
powered to fix minimum wages  
and maximum hours in industry."  
Votes of the audience before and  
after the debate showed Missouri  
Valley, upholding the affirmative,  
changed minds of five listeners,  
while the Kansans influenced two  
to change.

Two O. U. teams are engaging  
in a series of debates with teams  
in Missouri and Iowa colleges this  
week. Yesterday afternoon they  
met a team at Central College,  
Fayette, Mo., and today moved  
into Iowa to debate Iowa Wesley-  
an at Mt. Pleasant this afternoon  
and Parsons College at Fairfield  
tonight. Part of the debates are  
decision and part non-decision.
