GROVE CITY COLLEGE

This year, in order to create a wider base of participation in forensics, the Pi Kappa Delta members here at Grove City (Pa.) instituted a series of extemporaneous speaking contests in the Fall and one in oratory in the Spring. These events were announced and described in a printed leaflet that was distributed to each college student during the second week of school. Added publicity appeared in the campus paper and on posters. The results as measured by the countdown at the time of the contests could scarcely be termed astonishing. Yet the number of participants increased noticeably over that of previous years. Which goes to show that advertising does pay but not very much.

The forensic year ended with two conventions—the Carbondale jaunt and another meet of the Debating Association of Pennsylvania Colleges at Philadelphia. We refer to these as educational field trips that we undertake in order to find out why some schools win debates and we don't.

Still to come are the tapping of new members, initiation, and the Spring dinner. Dr. Teufel is happy once again with his very own briefcase. Two of our number are leaving this year: Daryl Dean begins employment as an actuary with an insurance company and Mary-Linda Sorber, after a summer session at Lausanne, Switzerland, will switch to Penn State next Fall. George Towle, Ralph Karn and Joanna Jones remain to persuade Freshmen that it's fun to be a Pi Kap.

Chapter Notes

WESTERN ILLINOIS UNIVERSITY

Western Illinois University sponsored its first two intercollegiate debate tournaments during the 1962-63 academic year. On Saturday, October 27, 1962 the first Western tournament attracted 27 universities from six states. Featured were two divisions of conventional debate. Western's first "Double Threat" tournament was held on Saturday, February 9, 1963. Again 27 universities participated including Virginia State at Norfolk, Central Connecticut, and Brigham Young. Conventional debate, varsity and novice, and a championship, cross-examination division were featured.

Collegiate tournaments for the forthcoming academic year, all of which are "open" to the first schools applying, include: Saturday, October 27: Debate, conventional, novice and varsity; Saturday, February 8: Debate, conventional and cross-examination, switch sides; Saturday, October 12: Individual Events tournament including oratory, extemporaneous speaking, interpretation, and radio speaking; April (latter part, exact date not determined): explorations in Oral Interpretation. Western will also feature three forensics tourna-

Western Illinois University Varsity debaters Susan Stevenson and Ronald Lomas prepare for Omaha University's annual cross-examination Tourney. Western won the class B lot Place Trophy.

ments for Illinois high school students.

Western's NU chapter of Pi Kappa Delta has accepted seven new members. Soon to be initiated are: Ray Beatty, Julia Forner, Mary Faulkner, Vic Leo, Romelle Stanley, Camille Marcucci, Dale Schaufel, and Dr. Raymond K. Tucker, Director of Forensics at the University. Officers for the current year are: President: Ronald Lomas; Vice-President: Sharon Hodgson, and Secretary-Treasurer: Susan Stevenson.

Western debaters received awards at several universities from coast to coast during the season just ended, including the first place trophy at the University of Omaha's annual cross-examination tournament. Dale Schaufel and Ronald Lomas won the trophy for Western with a 5-0 record. Bill Lee and Vic Leo placed third in the division with a 4-1 record.

UNIVERSITY OF ILLINOIS AT CHICAGO

Sixteen new students have been invited to membership in Pi Kappa Delta this year, including an honorary member.

Twenty-five students have been in debate competition this year. Only two members from last year's squad returned. The first semester wasn't one of the more memorable in U.I.C. history in terms of wonlost record. The second semester has picked up considerably. This has probably been the most travelled squad in years. Our schedule has included tournaments at Texas Christian University, Harvard University, Ohio State University, and College of St. Thomas (St. Paul), in addition to those in the Indiana, Wisconsin, Michigan and Illinois area which we ordinarily attend. Though our squad is young in experience, we have compiled excellent records at several tournaments: T.C.U. 3-3, Butler U. 7-1 (2nd place trophy), U.I.C. 4-0, Western Illinois U. 4-0 (1st place and top tournament speaker), Northwestern 5-3, Northern Illinois U. 5-1 (2nd place trophy and top tournament speaker), and Notre Dame 5-1. Ronald Marich, 3rd semester LAS, has literally smashed the U.I.C. record for most debates won in a single season. He has already won 51 debates and has one more tournament in which to up the total. The previous record was set in 1960-61 by Howard Gordon with 41. The holders of the record prior to Gordon were John Insalata with 40 in 1953-54 and Michael Hoffman with 40 in 1958-59. Marich set the new record in the tough tournament at Notre Dame. He and his colleague, Gerard Berthold, met and defeated Brooklyn College, University of Kentucky, University of Kansas, John Carroll University and Holy Cross. Their only loss was to George Washington U. Their 5-1 record missed the quarter-finals by 2 quality points.

Dr. Wayne Thompson will leave U.I.C. at the end of this semester. He has accepted a position with the Speech Department at the University of Texas in Austin. He currently plans to leave the Chicago area around August 1. Dr. Thompson's major duties down in Texas will be devoted to the teaching and direction of graduate

work.

BUENA VISTA COLLEGE

We are proud of our graduating Pi Kappa members from last year. Briefly, here is a run-down of where they are at the present time.

Lynn Phelps is studying law at Drake

University; David Lampe is an English graduate student at the University of Nebraska; Joe Meusey is attending the University of Iowa law school; James McDiarmid has a speech assistantship at the University of Nebraska; and Ed Bodaken is at the University of South Dakota on a speech assistantship. Gary Richener is a commercial teacher in the Red Bluff High School in California. Both Mary Ann Netzke and Colleen Anderson are teaching high school speech in St. Charles, Minnesota, and Spencer, Iowa, respectively.

OTTAWA UNIVERSITY

The Ottawa University debate squad closed the school year by competing in the Pi Kappa Delta National Debate Tournament at Southern Illinois University. In the men's division, Ottawa won a sweepstakes superior. In men's discussion, Fred Coldren was awarded a superior and had the highest student rating in the tournament.

The forensics squad competed in eleven tournaments throughout the Midwest and closed with a 68 per cent win record.

To help celebrate the 50th anniversary of Pi Kappa Delta, the Department of Speech and Drama has scheduled a speech banquet on June 1 for its present students

This year's members of Kansas Alpha Chapter of Pi Kappa Delta at Ottawa University looking at a copy of Charter No. 1. Bottom row, from left: Prof. Michael S. Twedt, Carolyn Rauch, Ann English, Jody Shelton, Tom Hendrickson, Carl Joecks, and Don Shorock. Back row, from left: John Williams, Fred Coldren, Jim Anderson, Jeff Cunningham, and Steve Utterback.

To All Believers in the Power of Persuasion, Greeting:

Be it Known, That on Alarch 8,1913 the following Weland U. Ienks. Pres. Issse E. Elder Iohn A. Shields Sam Marsh Thas. T. Battin

organized a Chapter of Di Kappa Delta Forensir Honor Soriety, to be known as the Ottawa Chapter No. 1

located at Ottawa, Hansas , and were duly installed by Arthur U. Crookham , who had authority to install the same

Dow Therefore, The Tational Council and Local Chapters of Ri Kappa Delta do hereby grant this Charter to the above named Chapter, and do authorize this Chapter to initiate into the meaning and spirit of our Fraternity any eligible persons duly elected to instruct them in its Wisdom, to teach them of its Integrity, to inspire them with its Loyalty, and to extend to them all the courtesies and benefits of our Order.

In Mitness Wilhereot, We have caused this Charler to be signed by our National President and our General Secretarys

John R. Wacar Thur

Pi Kappa Delta's first charter—the one granted in 1913 to Ottawa University. This first chapter was not called the Alpha chapter at first, since numbers were used by the national office for the first few years.

and alumni. Two of the fifty famous alumni of Pi Kappa Delta, John A. Shields and Charles T. Battin, plan to attend. Shields and Battin were members of the first chapter of Pi Kappa Delta when it was founded at Ottawa University in 1913.

According to Michael S. Twedt, Director of Debate, the Kansas Alpha Chapter looks forward to the coming debate season since

no one graduates off the squad.

RIPON COLLEGE

As a part of the activities with which it celebrated its 50th anniversary year of Pi Kappa Delta, the Alpha Chapter at Ripon

Dr. A. T. Weaver

initiated Dr. Andrew Thomas Weaver, Professor Emeritus of Speech of the University of Wisconsin, to honorary membership in Pi Kappa Delta. Professor Weaver gave a series of addresses on the Ripon campus.

Among those present at the anniversary banquet was Alfred D. Sutherland, charter member of Wisconsin Alpha. He is still practicing law in Fond du Lac, Wisconsin.

NORTHWEST NAZARENE COLLEGE

On February 22 and 23, 1963 the Idaho Delta Chapter of Pi Kappa Delta sponsored the annual Idaho Speech Conference. The Conference was sponsored by Pi Kappa

Standing, left to right: Paula Wilson (Idaho Gamma), Meredith Mortimer of Northwest Nazarene College, and Anselm Johnson of Boise Junior College. Seated: Earl R. Owens, Director of the Conference (Idaho Delta).

Delta as part of the Northwest Province's efforts to honor Pi Kappa Delta's golden anniversary. In addition, the host college, Northwest Nazarene College of Nampa, Idaho, is celebrating her fiftieth anniversary so a double celebration was in order.

Seven Idaho colleges took part in the Conference with seventy students participating. Idaho State College (Idaho Gamma) won sweepstakes honors with Northwest Nazarene College (Idaho Delta) and Ricks College coming in second and third.

For the first time in Conference history two of the Provincial officers are from Idaho and were together at the Conference: William Corbin, Governor (Idaho Gamma) and Lester McCreary, Secretary-Treasurer (Idaho Alpha). The Conference was accentuated with a Golden Anniversary Banquet on Friday evening and a well-attended public debate.

MIDLAND COLLEGE

Where in the world do we go from here? These were the understandable sentiments of Nebraska Kappa debaters at the close of the golden anniversary Pi Kappa Delta national tournament.

Reigning as the only undefeated team in the 42-school mixed debate division were Midlanders Karen Myers and Bill Nelsen. Each also won a superior in their respective extemporaneous speaking contests.

Undefeated in the 94-school men's debate

Pictured, from left to right, are Marvin Jensen, Bill Nelsen, Karen Myers, and David Baird, of the victorious Midland College squad.

division was the team of Marvin Jensen and David Baird. A universal dream came true as Midland College entered four students in five events and won six gold medals in the world's largest forensics tournament.

THE UNIVERSITY OF AKRON

Dr. John T. Auston and Mr. Dan Salden accompanied the Akron delegation to the 50th anniversary convention of Pi Kappa Delta. John Cullen, our Vice-President, was the official delegate, with Theda Cum-

bridge, Patty Hampton, Vassie Ilioff, Francis Kovacs, Jim Lukacavich, Penny McFarland, John Spaulding, and Dieter Wegner. For most of the delegates, it was the first national convention.

Some of the highlights were: the beautiful facilities of SIU and the friendly hospitality of our hosts, the smoothness and efficiency of the contests, and the dance and banquet. The outstanding highlight was meeting members of other Pi Kappa Delta Chapters, proving that Pi Kappa Deltans are not only excellent persuasive speakers, but also friendly, fun, and charming. Seeing our past Forensics Director, Mr. Frank Alusow, now at MacMurray College in Illinois, was alone enough to make the trip worthwhile.

Ohio Delta Chapter is now wrapping up the year's activities which will be climaxed on May 19 at the annual Speech Banquet when the Order of the Gavalier will be presented. Seniors graduating in June and eligible for the award are: John Cullen, Theda Cumbridge, Ray Karee, Penny Mc-Farland, Joan Root, and Margie Sedlak.

Our congratulations to the new national officers, the new chapters, and to the winners of the tournament. Best wishes to all our friends in Pi Kappa Delta till the next convention.

Here are the members of Northern Michigan University's Kappa chapter of Pi Kap. From left to right they are, standing, Richard Wendt, William Baird, Douglas Skuggen, Jack Engelke, Thomas Baldini, Allen Pearman (chapter president), Albert Sundine, John Monsma (advisor). Sitting, Dawn Linna (vice-president), Natalie Warshawsky, Rosemarie LaRochelle (secretary), Gloria Etelamaki, Marilyn Mulzer (corresponding secretary), Linda Morin.

The Editor Signs Off

This time it really means what the heading says, since this is the last issue of The Forensic which I will edit. Putting out the magazine has often been a chore, but it has always been a pleasure. The experience has been a worthwhile one for me.

I cannot write this last page without voicing my thanks to those who have served so faithfully and ably as associate editors: Frank T. Alusow, L. A. Lawrence, Gilbert Rau, and John Burt. With "Les" moving in as editor for the next four-year term, and

with Frank and Gil staying on as his assistants, I feel that our publication could not possibly be in better hands; and I look for big things under this new, progressive leadership.

As my final try at editorializing, I cannot resist urging the consideration of two constitutional changes for Pi Kappa Delta:

1. It seems to me that the adoption of some scholastic requirement is a must for the future. At the same time, Pi Kappa Delta should retain the principle of inclusiveness which has made us so strong and which has enabled us to help so many aspiring speakers. The two aims can be best achieved by keeping our present standard of eligibility, which is based upon forensic events, and by making the degree of Special Distinction open only to those students who are in the upper 35 per cent of their class, which would put Pi Kappa Delta in line with those honor organizations which strive to promote academic achievement. I know that there are difficulties of administration for a scholastic requirement; but if the honor organizations have overcome these difficulties, I see no reason why we could not do so.

2. There is unrest in our membership about the matter of representation on the National Council. What is at least a strong minority feels that an "old guard" remains too long in power and that some provinces have gone too long unrepresented on the Council. My own feeling is that the Council should be enlarged so that each of the ten provinces would be represented and that a stipulation should be inserted in the Constitution to the effect that no province should be represented by more than one person on the Council.

Such a change would not be as drastic as might be at first considered. There are now ten members of the Council: seven faculty members, two student members who serve really only during convention years, and the non-voting editor of The Forensic. I would propose the following: give the editor a vote and let him represent his province; make one student member a permanent member, elected for a full two-year term; add one more faculty representative on the Council; elect, as we do at present, one student representative from the host school. Such action would increase the membership of the Council by only one, yet it would give every province a representative. Moreover it would give fuller voice than we do at present to our student membership.

Elsewhere you will find in this issue a statement of future policy for The Forensic as set forth by the new editor, "Les" Lawrence. I solicit for him the same helpful cooperation which has been given to me. For the fraternity itself my wish is that the next fifty years be as rich and as productive as the first fifty!

THE ART OF PERSUASION -BEAUTIFUL AND JUST
