# COWELL NEW O. U. COACH

## FORMER K. S. A. C. STAR IS ELECTED TO PILOT ATHLETES.

Starred in Basket Ball, Football and  
Baseball—May Hold Spring Prac-  
tice—Has Made Excellent  
Record at Norton.

Dr. S. E. Price made an official announcement the past week that Everett Cowell would be Ottawa's new coach. Cowell is a former K. S. A. C. athletic star and has spent this last year as athletic coach at Norton High School.

The need of a second man in the department of physical education has been realized for some time. Cowell is to be an assistant in this department. Coach Elbel will remain as head of the department and in charge of the general physical training work.

Cowell has made an excellent record in his work at Norton this past year. Before his graduation from K. S. A. C. two years ago, he successfully coached the football team of his home town, Clay Center, Kans. He enrolled in school at Manhattan in his sophomore year, having spent his freshman year here in O. U. Many of the old grads and football fans remember "Evy" from his connections with O. U. at that time.

Cowell comes high endorsed from the heads of the physical education department of "aggieville." He was one of their best athletic stars and was an all-Missouri Valley basket ball man for one season. Not only was he prominent in football and basket ball, but he was also a star in baseball. When he graduated, he carried from K. S. A. C. nine letters which he had made in the three sports.

Every one looks forward to seeing O. U. have a winning team in all sports next year.

It is probable that spring practice will be held for a short time before the end of the semester.

Cowell was elected after the consideration of many applications.
