Outstanding Campus Communicator Dr. William J. Bleier and his wife are flanked (left to right) by ND Delta President Jaime Meyer, Vice-President Teresa Geiser, and Secretary-Treasurer Marwin Smith at the awards banquet held in conjunction with the 1986 Bi-Province Convention and Tournament held recently at NDSU. The North Dakota Delta Chapter of Pi Kappa Delta at North Dakota State University in Fargo, ND, presents two awards annually to individuals who have exemplified excellence in forensics or public speaking. The Outstanding Campus Communicator Award was established in 1984 to recognize an NDSU faculty member who prepared clear and precise messages, provided good feedback, and demonstrated good listening skills. The 1986 recipient is Dr. William J. Bleier, an Associate Professor of Zoology. The Distinguished Forensic Educator Award for 1986 goes to Joel Hefling, Director of Forensics at South Dakota State University and Governor of the Sioux Province. The award recipients are selected by the members of Pi Kappa Delta Chapter at NDSU.

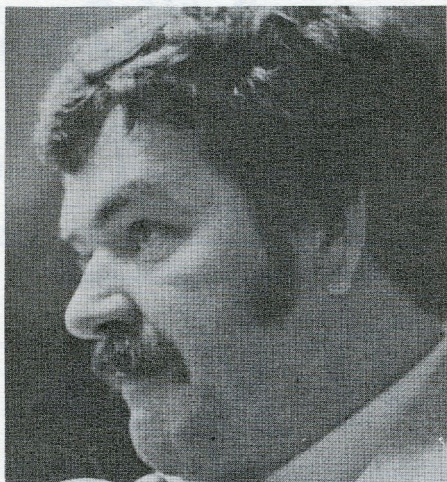

1986-88 Province of the Upper Mississippi Officers (left to right: Robert Ridley, Governor; Joyce Carey, Lieutenant Governor; Steve Collie Secretary-Treasurer; Julie Limoseth Student Lieutenant Governor). At the 1986 Bi-Province of the Sioux and the Upper Mississippi, the two provinces voted to merge into one province, to be inducted at the 75th celebration in LaCrosse next year. The National Council has been asked to act upon the decision to merge. The province officers for the Sioux and Upper Mississippi will forge the merger details during the 1986-87 academic years.

PRESIDENT'S NOTE

Gary Horn—President

Much excitement was generated during National Council meetings and I hope it will be contagious to all Pi Kappa Deltans. Recently, National Council met in La Crosse on June 20-22nd and spent most of the meeting time finalizing plans for the 1987 convention/tournament to be held in La Crosse. Judging from the meeting, Pi Kappa Delta is very much alive and well. All of the discussion indicated positive happenings in the organization as Pi Kappa Delta continues to function prosperously in the forensic world.

National Council voted to accept a recommendation from Michael Bartanen concerning a theme that fits the landmark convention. The 75th anniversary theme will be PKD's Diamond Jubilee: A multifaceted past; a glittering present; and a shining future. Please think

about our theme for celebrating 75 years of excellence in forensics and join us in La Crosse for the gala celebration. It is not too early to start making plans to attend. If National Council excitement is any indication of the kind of convention we will have in 1987, I can assure you now that it will be our biggest and best ever. As you begin making plans to attend the La Crosse convention remember that National Council is available to assist your efforts in any way you think will be helpful. If we can be of assistance, please let us know your wishes.

Also, I am pleased to once again report that Pi Kappa Delta continues to experience greater than anticipated growth. During 1985-86 more new memberships were received than in most off-convention years. In addition, eight new chapters have been approved with several more very close to approval. I want to share with you how much I appreciated your efforts which make Pi Kappa Delta thrive. We must not stop now, but try even more diligently to have the best convention year membership in our history. Please keep up the good work!!

If you know of a school that is interested in affiliating with Pi Kappa Delta or just interested in finding out more about our organization, please contact Terry Cole, Chairman of Charter & Standards Committee. Council will be meeting in Chicago at the S.C.A. con-

vention in November to finalize plans for our Diamond Jubilee. If you have suggestions or ideas you would like to share, send them to a member of Council or bring them to one of the Council meetings at S.C.A.

On behalf of National Council, I want to wish you a most relaxing

summer and a fantastic start on a new school year. Please put the 75th anniversary of Pi Kappa Delta convention tournament at the top of your priority list for the 1986-1987 season. Secure March 18-21, 1987, on your calendar and plan a fun escape to La Crosse, Wisconsin. Spread the word and see you in La Crosse!!!

DAVID RAY NAMED TEACHER OF THE YEAR

R. David Ray

David Ray, director of debate and forensics at the University of Arkansas at Monticello, was recently named UAM's "Teacher of the Year" by Alpha Chi honor society.

Ray joined the UAM faculty in 1970 and has developed UAM's debate team into one of the finest in the state and region. A native of San Antonio, Texas, Ray holds B. S. and M.A. degrees from Texas Tech University.

Ray is currently the president-elect of Pi Kappa Delta, a national honor society for debate and forensics.

"I'm very pleased and honored to received this award," said Ray. "It's especially meaningful for me since it comes from the assessment and judgment of the students who see me in operation on a day to day basis."
