Larry Norton **1906 - 2001**

Dr. Norton passed away February 14, 2001. Larry Norton was the heart, soul and conscience of Pi Kappa Delta. He served in virtually every leadership position during his long association with Pi Kappa Delta, including President, Secretary-Treasurer and Historian. His students remember him as an outstanding teacher, whose quiet style encouraged them to take responsibility for their learning. He was an outstanding forensics educator who built a long record of success at Bradley. He was a mentor for many Pi Kappa Delta members. He represents everything good and decent about the vocation of college teaching and service. He is survived by his family, including his devoted wife Eleanor. He will be greatly missed.
