EARTHQUAKE RELIEF
OU RADIO

OU Radio responds to disaster....

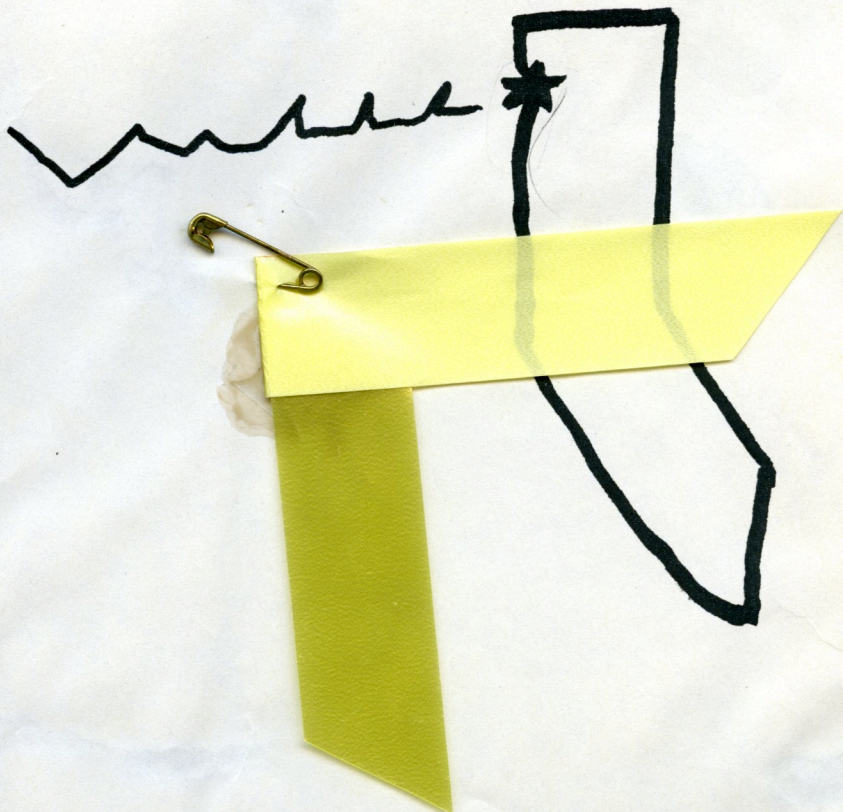

As most of you already know, the Bay Area of California was hit by a large earthquake on October 17, 1989. In order to help those people in the bay area in need OU Radio will be sponsoring a fund raising drive this Friday at 8am in the Union lobby. We ask that you give what you can. Members of the OU Radio staff will be manning the booth until 8pm Friday evening.

All donations will go to the Franklin County chapter of the American Red Cross. There will be free give-aways to those who donate and each donator will be given a symbolic gold ribbon of support.

Please give what you can... OU Radio, helping you help others.
