

8. Paid fees are not yet an important indicator, since most students will not pay the acceptance fee until they have word on their financial aid packages. The need analysis documents are being filed by the students during these winter months. Hopefully, we will not experience the delays of last year in obtaining results from the national agencies.
- [ Paid fees will become significant by April 1, if this year's pattern is similar to our typical experience.

- II. This table shows our comparative recruiting success for Sessions II, WT, and III:

	<u>3-year Average</u>	<u>Last Year</u>	<u>This Year</u>
Session II	11.3	6	14
Winter Term	9	10	5 (+ 8 returning)
Session III	19.3	25	29 (+ 8 returning)

### III. Comments on Current Status

- Total applications and admissions are ahead of last year, although the status at this time last year was down notably because of the unfavorable publicity and because of the related wait-and-see attitude among the constituencies.
