

The Order of the Beards posed for their official portrait with their new initiate: (back row) Theodore O. H. Karl, Evan Ulrey, Georgia Bowman, Thomas Harte, (front row) Larry Norton, H. Francis Short, new initiate Roger Hufford, and Ray Yeager.

When it was over, we had a new National Council: (back row) Tony Allison, Cameron University, National Secretary-Treasurer; Jack Starr, University of Wisconsin-La Crosse, President; Penny Swisher, William Jewell College; Michelle Wempler, student from Southwestern College in Kansas; Terry Cole, Appalachian State University; Margaret Greynolds, Editor of The Forensic, Georgetown College; (seated) Gary Horn, Southwestern College; Jerry Haggard, student member from Pittsburg State University in Kansas; Larry Richardson, Western University, Vice-President, and Roger Hufford, Past President.

The new student members of the National Council, Jerry Haggard and Michelle Wempler from the Province of the Plains, will help host the 1983 National Convention and Tournament in the Colorado Rockies.

And as we closed, President Jack Starr promised us his best efforts as our new elected leader.

From the Editor . . .

This ends my two-year term as editor. It was not a position which I had ever considered before John Burt approached me at the 1979 Convention in St. Louis. He asked me if I would allow him to suggest my name to the National Council for consideration. As you know, I was chosen.

The democratic process does not always allow us to select the time when we must serve.

At the beginning of my term, it appeared that South Dakota State University would be able to provide some released time during my term as editor. However, budget cutbacks demanded by the Governor of South Dakota made that impossible. Our department secretary has helped whenever she had time, but one secretary serving the department head and twelve staff members is usually very busy. Other members of my department have helped as much as possible to allow the editing to be done.

There are some contributions which your editorial staff has tried to make. Hopefully, **The Forensic** has provided a forum for all members and all "Points of View." I think that work of Associate Editor Walter Murish has enhanced the emphasis on useful research articles. His efforts which produced the articles in our Spring issue may provide a start from which other improvements can be made. We hope that the increased use of pictures has added something to the journal.

I must give credit to Bob Deryberry for his work as Associate Editor for Chapter News. Each quarter he has made the revisions in your copy which allowed me to send the news items directly to the printer. This is a time-consuming task which made publication possible.

Mary Suing, student editor, served long hours in the process of proofreading. She also gave needed advice on current journalistic practices.

Reynolds Printing has provided quality service at a price which has made the continued publication of a quarterly journal possible. They have provided help and guidance whenever I needed it. Pi Kappa Delta owes them a debt of gratitude.

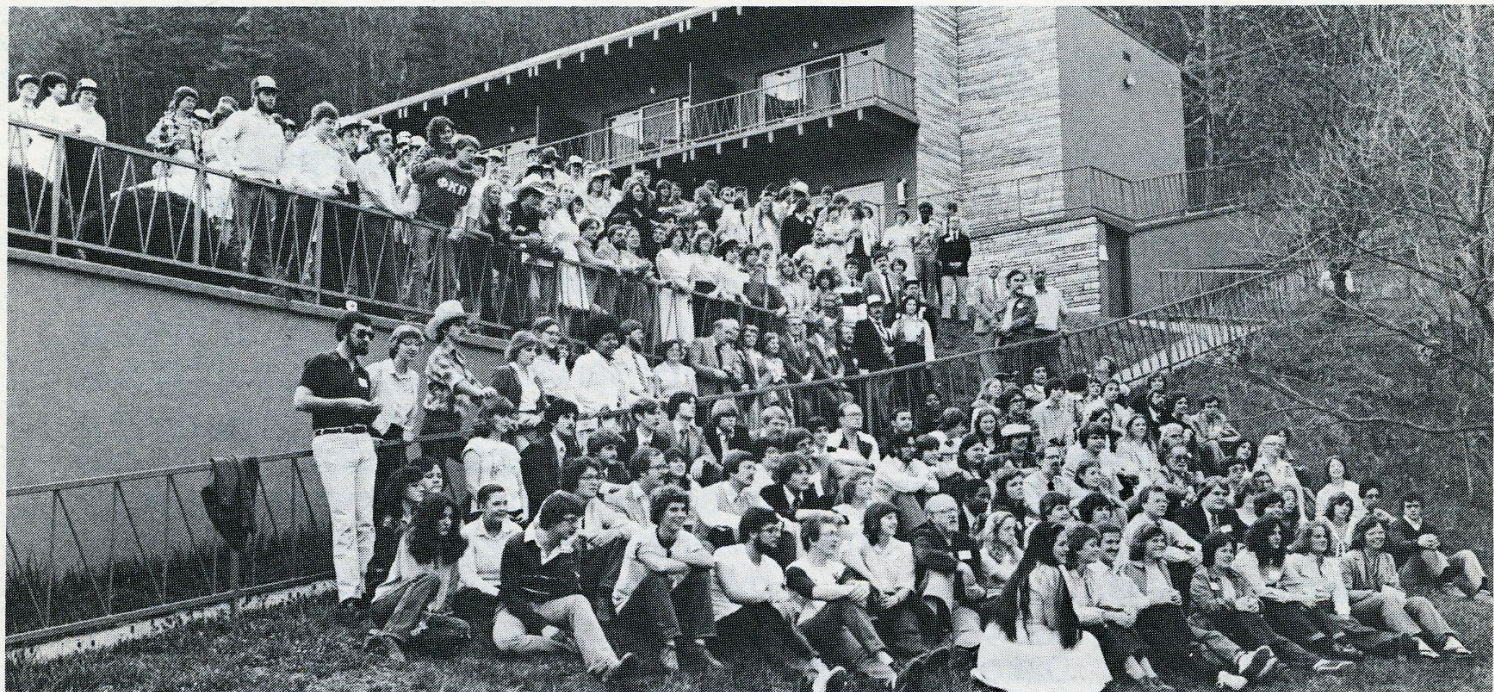

Your new editor, Margaret Grenolds, will need your help. Send her your news items and articles. I am sure she will serve you well.

Thank you for your patience and support. Harold Widvey, Editor

always construed that provision to mean that the additional two years would be served in a time of urgent need. I see no such urgent need. To have done other than serve the two prescribed terms and leave meant to me running the risk of possible dismissal and divorce, either or both. The term "retirement" does not seem to fit the occasion. I have simply completed my term. The only other positions left for me to fill would be those of of Historian and Editor of **The Forensic**, but these positions I leave to the qualified.

As I conclude twenty years of elected and approved official positions in Pi Kappa Delta, I desire to thank at this time all of the National Councils with whom I have worked. With very few exceptions all have become close friends, and I treasure those friendships as fervently as is possible. They have all been good years with the hills and valleys of emotion and exhilaration as we have met the problems and challenges of the fraternity. As long as I live, Pi Kappa Delta shall be close to my heart.
