

1870
July 16

The Trustees Met At Lardner's. Present
Rott Jones Emory Atkinson & Backus & prayer
Prayer by the Secy. Minutes of last meeting read
Corrected and approved.

The Treasurer of his visit to Washington and
of the business he transacted there - That he found
Venues statements sent in & on file all to the
effect that the Old Board of Trustees were not
the legal Board &c. That the matter of legality
was going before the Attorney Genl of the U.S. This
being the case he found it necessary to imply legal
Council and according to the instructions given he
had gone forward - Employed Mr Henry Board whom
he had assisted in getting up a Report covering
the origin, history & condition of the Trust &
the same was being printed to be laid before the
Attorney Genl & Secy of the Interior. Also he had
instructed Mr Board to procure the patents for
the Trust lands as the purchase money had all
been paid - The Board having heard the
Report voted to approve of all that the Treasurer
had done & authorized him to pay such extra
expenses for legal service & printing as would
have thus been incurred.

The Treasurer reported that Mr Wood
and Mrs Giffen had proposed to take charge of
the two departments of the School for the tuition
for one year. Whereupon the Trustees voted to ac-
cept the offer and authorized the Committee in
instruction to make such arrangements for the in-
struction of the Indian Department as they could.

The Treasurer further reported that he had
sold the survey & farm stock &c to Wm Jones for
\$9598.00 and the conditions of the sale and that
a portion of the farm about 160 acres had been
rented to Wm Jones for a term of 5 years at \$4.00
per year. All of which action was approved.

The matter of building a farm house
on the saved half of the farm was brought
