

Stecher, Howard Segermark, Lloyd LaRoque, Olaf Odegaard, and Dwight Bastian.

"Engaging to do all in (their) power to advance the interest of Pi Kappa Delta in every honorable way," the following officers were installed: Jeanne Tesmer, president; Carl Stecher, vice-president; Robert Turner, secretary-treasurer; and Dwight Bastian, recording secretary.

Highlighting the previous year's Speech Week was Prof. Andrew Weaver, guest speaker, former chairman of the University of Wisconsin speech department and a graduate of Carroll. According to Larson the two experimental speech weeks have been highly successful in achieving the aims set forth.

It may truly be said of Wisconsin Beta Chapter "... as the poet said of one, that we are those 'in whom persuasion and belief had ripened into faith and faith become a passionate institution,' ..." and that institution become action in "the art of persuasion, beautiful and just."

### **CENTRAL MICHIGAN UNIVERSITY**

Army 2d Lt. William D. Antico, son of Mr. and Mrs. Samuel Antico, 24210 Patricia, Warren, Mich., completed the eight-week military police officer orientation course at The Provost Marshal General's School, Fort Gordon, Ga., Nov. 15.

Lieutenant Antico was trained in the duties and responsibilities of a military police officer. He received instruction in military police investigation activities, provost marshal functions, the handling of prisoners of war actions in civil emergencies and traffic control.

The 22-year-old officer was graduated from Clawson High School in 1957 and from Central Michigan University, Mount Pleasant, in 1961, where he was a member of Pi Kappa Delta.

### **PACIFIC LUTHERAN UNIVERSITY**

A major event on the campus of the Washington Epsilon chapter this fall was the thirteenth annual High School Student Congress, which was held on October 28, and which was attended by twenty-five Washington and Oregon high schools, with a total representation of 150 in attendance. In the Congress delegates meet for one day and conduct committee meetings, sessions of the Senate and House of Representatives and Joint Sessions of Congress. The aims

of the Congress are to acquaint high school students with the workings of the Federal Government and its problems of the day.

The opening session of the event was addressed by the Honorable Thomas M. Pelly, Washington Representative to the Congress of the United States. The presiding officials of the Congress included Director of the Congress, Merle Overland; assistant director, Mike Burnett; president of the Senate and Speaker of the Joint Session, Richard Helstrom, president of Pi Kappa Delta; and Speaker of the House, John Stewart. Other Pi Kap members who served were Registration, Shari Carter; Ballots, Susie Solie and Kay Whisler; General Arrangements, Gordon Gray; Resolutions, Joan Maier and Claudette Baker; Booklet, Jean Adair Leppa and Andrea Hagen; Congress Coordinator, Karen Hegstad.

At the U.P.S. practice tournament in November, Dick Helstrom and John Stewart emerged as the only undefeated team of the tournament. In individual events, Superiors were gained by John Stewart in Oratory and Interp; Merle Overland in Extemp and Impromptu; Dick Finch in Oratory; and Gordon Gray in Extemp.

At the Western Speech Association forensic tournament held on the campus of Fresno State College, November 20-22, competing against 80 colleges and universities from 11 western states P.L.U.'s speakers gained the following honors: Dick Helstrom and John Stewart, 3rd in senior men's debate; Jan Dyer, 3rd in impromptu; Joan Maier, 2nd in extempore.

People in the news from Washington Epsilon include the following: Susie Solie, Song Leader for 1961-62; Claudette Baker, Cheer Leader for 1961-62; Karen Hegstad, elected to *Who's Who in American Universities and Colleges*.

### **WESTMINSTER COLLEGE**

The fifty-first annual Dobyns Oratorical Contest was won this year by Hugh Williamson, Jr., with a speech criticizing current trends in advertising. Second place was awarded to Don Reynolds. Off the campus, Mike Linihan and Brad Kent won four of five debates at the Bradley University Tournament and received a superior rating. Linihan was also rated superior in Extempore. Other tournaments attended include the Midwest Speech Meet at Kirksville, and

Razorback Tournament at Fayetteville, Arkansas.

Calvin Stoney, new assistant debate coach this year, traveled to New York City during the Christmas holidays to give a paper at the annual meeting of the Speech Association of America.

### **SAN DIEGO STATE COLLEGE**

Pi Kappa Deltan James A. Albanese, 23, son of Mr. and Mrs. Andrew Albanese, 707 K Avenue, National City, Calif., recently was commissioned a second lieutenant in the Army upon completion of the officer candidate course at The Infantry School, Fort Benning, Ga.

Lieutenant Albanese received 23 weeks of intensive training in tactics, leadership, logistics and administration in addition to undergoing a strenuous physical conditioning program.

He was graduated from Sweetwater High School in 1955 and from San Diego State College in 1959.

### **CARROLL COLLEGE**

Two former members of the Wisconsin Beta Chapter completed work on their M.A. last spring and are now engaged in teaching and coaching. John Hilbert, who did graduate work at the University of South Dakota, is now teaching speech and directing the forensic program at Hope College, Holland, Michigan. Cal Stoney, former special distinction holder in debate, completed work at Central Missouri College and is now teaching and acting as assistant debate coach at Westminster College, Fulton, Missouri.

### **UNIVERSITY OF HOUSTON**

The University of Houston debate team, involving Lance Funston, Joe Draughn, and John Perdue were undefeated in both the Bellaire tournament and the tournament at Albuquerque, New Mexico.

Lance Funston won first place in oratory at the Albuquerque Drama Activities.

James Perdue, one of the Sinclair Oil TV debaters for the University of Houston last year and presently a law student of the University of Houston Law School, is our debate coach this year.

Susan Wood, a June, 1961 graduate in speech therapy, is now pursuing graduate work at Purdue University.

The tenth annual High School Speech Institute and Forensic Workshop for Teachers

will be held at the University of Houston from July 23 through August 10, 1962. Students and teachers will work in the areas of debate, duet acting, interpretation, one act play, radio-TV, extemp, etc.

### **COVER PHOTO: THE WINNERS**

Phi Kap members from the Province of the Northwest (and indeed many members from all over the nation) may recognize the two dim figures in the background of our cover picture. They are Don Micken and Tina Reynolds, both well-known student speakers from Montana State College, Bozeman, Montana. The trophies are the kind that championship debaters are likely to come home with from any tournament that features "hardware." The real winning, of course, is something that doesn't show very well in a picture: it consists of skills acquired, of analytical habits formed, of worthwhile associations engaged in.

As a matter of fact, this picture was almost entitled "The Double Winners," because, if you don't already know the news, Don and Tina are now Mr. and Mrs. Micken. Our congratulations to both of them. And maybe the picture should have been called "The Triple Winners."

### **JUST A REMINDER**

One of the most important actions taken at the National Convention in Stillwater last spring was the chapter assessment of \$25.00, which will establish a fund to finance a Fiftieth Anniversary Booklet and to help with the other extra expenses necessary to the Golden Anniversary Convention in 1963. This is the first time in Pi Kappa Delta's history that such a special assessment has been made, and the action was taken by the Convention only because of the great importance of the Anniversary to the fraternity.

As our National Secretary-Treasurer has reminded you, it was recommended that the special assessment be sent to the Treasurer between the months of May and October 1962. This will make it possible for a chapter to charge the assessment to the year of 1961-62 or 1962-63 or divide it between the two years. In return each chapter will be sent 25 additional copies of the anniversary booklet which may be sold or distributed in some appropriate manner to friends and alumni.

## Book Review

(Continued from page 18)

niques of speech composition until the final product has been outlined. Once the speech is ready for presentation the author then takes up the methods for doing it well. Lastly, Professor Capp takes up certain areas such as listening, discussion, debate, and speeches for special occasions.

The book has been designed to be practically self-teaching so that the instructor can spend more time on lectures and oral assignments. This purpose has been car-

ried out for the majority of students. It is a text that the student will find easy to read and because of the concrete illustrations and excellent arrangements easy to understand. Exercises and projects relating to the material found in each chapter are provided at the end of each chapter and also aid in making the book self-teaching.

Over all Professor Capp's book is what one might expect from a man who has such a wealth of experience in the area of public speaking. It is a speech text that is very readable, learned in content, and well versed in the traditional principles of rhetoric and public address.
