OTTAWA UNIVERSITY
THE QUARTERLY BULLETIN

SUPPLEMENT TO

Vol. XIV
April, 1917
No. 4

Entered at Ottawa, Kansas, as Second Class Matter

PREFACE

In 1915 the University discontinued the practice of publishing the list of graduates in the annual catalog. This directory contains lists of all graduates to June, 1917, with addresses, occupations, and advanced degrees so far as these can be ascertained. All degrees not otherwise indicated were conferred by Ottawa University. Addresses given are in Kansas except as noted. Addresses of teachers and students are shown as of the academic year 1916-17.

Although great care has been taken to make this directory as accurate as possible, it is published with the knowledge that it is necessarily imperfect. It is earnestly requested that the alumni cooperate with the office of the University by sending information of changes and calling attention to errors.

It is expected that this directory will be republished biennially.

OF OTTAWA UNIVERSITY

THE ALUMNI ASSOCIATION

Officers for 1917-1918

President.....	John A. Shields, '13
Vice President.....	Asa F. Converse, '98
Secretary.....	Mabel Stannard, '12
Treasurer.....	Clare Estabrook, '06

The regular meetings of the association are held on the Tuesday immediately preceding Commencement Day. The Alumni exercises include a business meeting and a luncheon and reception to the members of the graduating class. All alumni are urged to affiliate themselves with the association and attend its meetings whenever possible.

Board of Recommendations

A Board of Recommendations is maintained, of which the President of the University is chairman and the Professor of Education is secretary. This board endeavors by recommendations, correspondence, nomination and otherwise, to assist the students and graduates of the University in securing such positions of confidence and trust as their records and past accomplishments may entitle them to hold. While the Board has been chiefly occupied with the work of placing candidates for teaching positions in touch with opportunities for employment, it is desired to make its usefulness broader, and its services are at the disposal of all alumni and former students of the University. No fee is charged except a nominal one to defray necessary expenses of correspondence. The work of the board is entirely co-operative and the help of every alumnus is asked to make the organization a success. Communications addressed to the "Board of Recommendations of Ottawa University" will receive immediate and careful attention.

ALUMNI IN MILITARY SERVICE

The following alumni are known to have entered the military service of the United States since the beginning of the present war:

Maurice Morgan, '16, Second Lieutenant, U. S. Cavalry.
 Charles T. Battin, '13, Battery B, Kansas National Guard.
 Clarence A. Peacock, '15, U. S. Marine Band.
 Ernest H. Shideler, '16, Sergeant, U. S. Signal Service.
 Officers' Reserve Training Camps:
 Fort Logan, Ward R. Miles, '14.
 Fortress Monroe, Wayne Blair, '16.
 Fort Riley, Leland H. Jenks, '13; Herbert N. McClellan, '14;
 Erwin M. Jones, '16; Leslie Earl Edmonds, '17.

THE CAMPUS IMPROVEMENT ASSOCIATION

As many of you know, the Campus Improvement Association was organized at Commencement time, 1916. The movement was promoted by the graduation class of that year in connection with their memorial gift.

There are at the present time about 150 members who have

joined in the common purpose of helping to make the Campus more beautiful and attractive. Since the consideration is only one dollar per year, it is possible for the whole body of Alumni and former students to join hands and surround the Campus, making possible each year some splendid improvements which would otherwise be impossible.

We are sure that we have many sympathizing friends who have not as yet expressed to us their good wishes, and that is the reason we are inserting a membership card. If you have not already done so, please fill out this card and mail at once with your check for \$1, for even the slightest delay may prove fatal to your first good impulse, and prevent you from having a share in this splendid enterprise.
