

**Fraser and Presley**

# SCIENCE FICTION & TWO OTTAWANS

Dr. Horton Presley, Professor of English at OU, is pictured here with Mr. Brian Fraser of Ottawa, Canada. The two share an interest in science fiction, Presley having taught a course on the subject here.

Fraser, a public relations man by profession, also teaches science fiction at St. Paul University in Ottawa, Canada. They met last summer in Milwaukee at the Science Fiction Research Association's Secondary Universe Conference.
