The Secretary's Page

Ted Karl

May I first of all express my appreciation for the confidence of the Convention in Omaha, in electing me to the position of National Secretary-Treasurer. My reason for being willing to try to do an acceptable job in this capacity is that Pi Kappa Delta has not changed its purpose of developing forensic activities on the collegiate level, at the same time being willing to change and progress to any degree necessary, for these activities. The heart and soul of Pi Kappa Delta is the local chapter, and the changes and progress made stem from the desires and wishes of these local chapters. The National Office is dedicated to the needs of these local chapters, and if they will but express their desires and needs, then we shall do everything in our power to serve them. While making such a promise, we are at this time going to have to ask for patience until we are able to settle down, understand all of the multitudinous obligations of the office, and get into a routine that will give you the service you desire.

The moving van having arrived at the end of July, all of the equipment and supplies are now ensconced in an office here at Pacific Lutheran University which the Administration has kindly supplied. Larry Norton and his wife Eleanor arrived in Tacoma Aug. 11. He spent the weekend with us, clearly explaining all of the obligations which I am still attempting to assimilate. The formidable task is just beginning to dawn on me and this is why I pay the highest kind of tribute to Larry Norton for the 10 years of loyal and faithful service to our organization as National Secretary-Treasurer. Once having looked at the material and records here in the National Office, it is easy to understand how Larry has done such a phenomenal job in this office. The Convention in Omaha properly expressed its appreciation to Dr. Norton, but I feel an irresistible urge to add my comment of admiration to this gentleman and his wife Eleanor.

During the early part of October the annual fall letter will be sent out. Included will be a request for information regarding your particular chapter. It is at this point that the local chapter must do its part and inform the National Office of not only its membership, officers and sponsors, but also its request for supplies. I know that in the past this has been one of the distressing problems facing the National Office because so few of our chapters actually take the few minutes required to make such a report and see that it is returned. It is from this information that the Pi Kappa Delta directory is prepared, so if you are interested in having an accurate and up to date directory in the January *Forensic* of 1974, then each chapter will have to make arrangements to prepare this report. If for some reason you have not received this fall Letter by Nov. 1, I certainly would appreciate your sending a card to me and I will see to it that it is sent to you immediately.

From time to time in the *Forensic* you will find pleas from this office for communication and co-operation, and since we are in the business of communication it is our hope that we will receive responses from you. In turn once again we pledge to do everything in our power to keep channels of communication open by answering your requests and questions as quickly and efficiently as possible.

The orator most above all things study morality, and must obtain a thorough knowledge of all that is just and honorable, without which no one can be either a good man or an able speaker.
