4.18.016 Jan. 10 - 1984

Dear Ellen Ann & Wilbur:

Thank you very much for the lovely Christmas Dinner. We enjoyed it very much, and you did it very well. It was "special" that we could eat and visit with you, and Ruth wants to have you in our home sometime to continue the conversation.

We are so glad you are back in Ottawa, and are leading good old O.U. Our entire professional lives are invested there, and we appreciate the direction you are leading. We enjoy hearing again the Chimes from the Chapel. It is a song of "goodness", uplifting the whole south side.

Thanks again for the good Christmas Dinner.

Sincerely
The "Seven Swans a' Swimming" and
and "Five Golden Rings" Kerrs
