

Overcame a Wesleyan Threat in Conference Contests Here—Two O. U. Winners Stood Out.

A squad of fleet-footed athletes from College of Emporia yesterday stepped away from a field of six entries and won the Kansas conference track meet with a total of 47 points but not until they had subdued a battling aggregation from Kansas Wesleyan who scored 36½ points and led the meet until the final few events.

Baker was a close third with 34 points and Ottawa was not far behind with 25½. McPherson collected 12 and Bethany took 10.

Despite a heavy track and hard rain at one time during the afternoon, the meet was more hotly contested than usual. Bethany with two fine athletes, Hammer and Nelson, came up to win the first two races and make the meet take on the appearance of a free-for-all, but the steady plugging of Emporia and Kansas Wesleyan at the point total soon placed these schools in a safe lead.

To Ottawa came the honor of making the two most outstanding performances of the day. Asa Eagles, tossing the javelin 204 feet, 7 inches, broke his own conference record of 194 feet, set last year. His mark should stand for quite a few years. Fred Koehler, ace hurdler for the Ottawans, stepped off the high hurdles in 15.4 seconds and tied the conference record set by Walker of Baker in 1930.

Amos Morris of Wesleyan made a more than respectable showing in the pole vault by going over 12 feet despite the fact the runway was sloppy at the take-off.

Clyde Warner of Wesleyan was the individual scoring star of the meet by decisively defeating the field in the 100 and 220-yard dashes to be the only athlete to take two first places.

Keith Smith of Ottawa placed fourth in the century run and third in the 220-yard sprint to give promise as a point collector in future years. Edward Wiberg of Ottawa drove at the finish of the high hurdles to win third place and later tied for second in the high jump. Eldon Hoover, running his last race for the Braves, won fourth in the fast quarter-mile race.

The mile relay which finished the meet was the most hotly contested race of the afternoon. For the first time in the history of the conference all six schools entered teams. C. of E. won after being closely pressed at various times by Ottawa, Baker and Wesleyan. Baker came in second and Ottawa third at the finish.

The only thing to mar the meet was hotly expressed dissatisfaction over the results of the 100-yard dash and the 220-yard low hurdles. In both of these events it was conceded by many that a mistake had been made in the selection of place winners, especially in the low hurdles. Several coaches pointed out that the management of the conference meet, which is now in the hands of the faculty representatives, might be more satisfactorily operated under some other plan.

The summaries follow:

100-yard run—Won by Nelson (Beth); second, Carey (E); third, McKinney (Bak); fourth, Porter (McPh). Time, 4:31.7.

120-yard high hurdles—Won by Koehler (O); second, Mitchell (Bak); third, Wiberg (O); fourth, Letkeman (McPh). Time, 15.4 sec. (ties meet record set by Walker (Bak) in 1930).

Shot put—Won by Heine (Bak), 42 ft., 1½ in.; second, Watson (Wes), 42 ft.; third, Baer (Wes), 41 ft., 11 in.; fourth, Lindbloom (E), 41 ft., 2 in.

440-yard dash—Won by Hammer (Beth); second, McNickle (E); third, M. Smith (Bak); fourth, Hoover (O). Time, 52.1 sec.

High jump—Won by Schnacke (Bak), 5 ft., 6¼ in.; Mitchell (Wes), and Wiberg (O), tied for second, 5 ft., 4¼ in.; fourth, Sharpe (E), 5 ft., 4 in., third jump.

Discus—Won by Wasson (E), 125 ft., 7 in.; second, Lindbloom (E), 125 ft.; third, Baer (Wes), 124 ft.; fourth, Zook (McPh), 120 ft., 2¼ in.

880-yard run—Won by Marshall (E); second, Chartier (Wes); third, Osborne (E); fourth, Fergus (O). Time, 2:00.7.

Two-mile run—Won by Porter (McPh); second, George (E); third, Clingman (Wes); fourth, Wiggins (O). Time, 10:17.4.

Pole vault—Won by Morris (Wes).

O. U. HIGH IN GOLF

Braves Won Individual and Team Medal Honors in Loop Play.

The Ottawa University golf team blazed a torrid trail in the Kansas conference tourney of 54 holes played Thursday and Friday on the Ottawa Country club course and won both the individual and team medal honors. Kenneth Hilt of Wellington was medalist with 213 closely trailed by George Von Arb of Kansas City with 214. The two formed the medalist team. Ernest Woods of Ottawa trailed his teammates with a 222 to take third place.

The rest of the field was led by Allan McCaul, a Baker golfer who was one of the pre-tourney favorites. He pulled up to 228 after having a disastrous first round in which he scored an 80.

The field of 13 golfers was the largest ever entered in a conference tourney and indicates that in the next few years this may become one of the most popular sports. Despite the rain the scores were considered to be good.

Other scores were: McKinley, Baker, 229; Caples, Emporia, 229; Shannon, McPherson, 232; Johnson, Bethany, 239; Burgtorf, Baker, 242.

The Baker team made a clean sweep of the tennis matches which were played in the junior high gym due to the rain. Earl Bramble of Baker made quick work in disposing of Junior Shaw of Kansas Wesleyan in the singles, 6-0, 6-1. Later Bramble teamed with Everett Rebb to take the doubles over the Bethany team of Carl Monson and Maurice Lysell, 6-4, 6-4.

Refreshments of ice cream and cake were served at the close of the evening. Beside the guest of honor, those present were: Miss Rockenbach, Miss Langston, Misses Ethel May Schober, Lois Billett, Helen Foote, Juanita Harrill, Charlene Cheney, Esther Pinson, Gretta Chapman, Melva Janssen, Helen Adams and Mrs. Paul Whiteker.

Hour Changed.—The Ottawa University senior "stunt" chapel was held this afternoon at 2:30 instead of 10:30 as previously planned.

May 28, 1937.

The annual Ottawa University junior class formal was held last evening in the university gymnasium with two hundred students and faculty members present. Originally the event was to have been a formal lawn party, but due to the rain yesterday the gym was hastily but effectively turned into a spring garden. Lawn furniture, large bowls of flowers and plants were used in transforming the bare room into a place of beauty. An orchestra directed by Rex Cowan furnished music for the evening. Solos were sung by Miss June Fockele and Mr. Larry Clark. A trombone quartet the members of which are Miss Kathryn Proffitt, Mr. Loren Noren, Mr. John Lewis and Mr. Carl Lyons played several numbers, and Misses Martha Woodroof and Eileen Wilson played a piano duet. Mr. John Sheldon, president of the junior class, was general chairman of arrangements. He was assisted by a committee composed of Misses Eleanor Whitlow, Naydeen Bowlby, Irene Ruskin and Mr. Earl Pennington.

On Supreme Court.—President Roosevelt's proposal to increase membership of the supreme court would set an unsound precedent of changing the tribunal to put over special programs in future years. Dr. S. P. Fogdall, Ottawa University history professor, told Kiwanis club members at their luncheon in North American hotel today. Dr. Fogdall traced events in the history of the court. Guests at today's meeting were B. D. Bennett and F. F. Fockele.

W. G. NELSON TO RECEIVE DOCTOR'S DEGREE

Has Risen From Ranks to Divisional Manager of a Big Detroit Concern

William G. Nelson, a graduate of Ottawa University in 1911 and now divisional manager of product quality control for the United States Rubber company in Detroit, will be honored at the 72nd anniversary commencement of his alma mater next Tuesday morning by being presented with a Sc. D. degree in recognition of his contribution to the rubber industry in research and production. He was born near Ottawa.

After graduating from Ottawa in 1911, Mr. Nelson obtained a

scholarship at K. U. and took his master's degree in chemistry in 1912. For three years he taught chemistry at Hutchinson high school from where he went in 1915 to the U. S. Rubber company. He has been associated with that organization since.

company, Mr. Nelson advanced rapidly. Starting as research chemist he was promoted in 1917 to chief chemist in charge of development of compounds, testing raw materials and developing testing equipment. In 1927 he was appointed technical supervisor in charge of all plant processing. It was while in this position he developed the formula for making "tempered rubber", widely advertised by his company. In 1929 he was made production superintendent of processing holding that until 1930 when he was promoted to his present position. He is in charge of the department which maintains the quality of tires produced.

Mr. Nelson has been active in scientific circles aside from his business. He is a member of the American Chemical society having served that organization as a member of the executive committee of the rubber division and as a national counselor. He has also been president of the Detroit section of the society.

Mr. Nelson is also a member of the Detroit Engineering society, of the Michigan Academy of Arts, Sciences and Letters, and is a former member of the American Association for the Advancement of Science and of the American Society of Testing Materials.

He is the author of many papers and articles concerning rubber that have appeared in leading scientific publications. A commentary paper on "Crude Rubber" delivered last year at the national meeting of the rubber division of the American Chemical society was later published in technical magazines here and abroad. Comments by internationally recognized authorities were made on this article. He has lectured at many scientific meetings and at schools and colleges.

REGISTER FOR SUMMER SESSION

O. U. CLASS WORK WAS
STARTED TODAY

Students May Enroll as Late as
Monday—Variety of Courses
Being Offered

Enrollment for the Ottawa University summer session began yesterday with a large number appearing for early registration. Some classes started today and others will start tomorrow, according to Dr. W. B. Wilson, dean of the session. The summer school closes July 30.

Miss Ruth Bundy, registrar, said this morning that students may enroll as late as Monday and still be permitted to carry the full load of eight hours, although it is advisable to be present at the first class sessions.

The summer school session will be well attended by teachers who are working toward a bachelor's degree or toward better certification by the state board of education. In recent years the requirements of this organization have been constantly raised so that all teachers not having degrees are being forced to advance as rapidly as possible. It is for this reason that the O. U. session is having many education courses. Dr. B. P. Heubner of the regular session staff and Gordon Peterson of Herington, guest professor, will teach the education subjects.

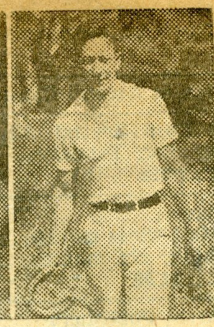

Since, however, there are many non-teachers in attendance who are working toward a degree a variety of courses are offered in addition to those in education such as: biology, psychology, English language and literature, sociology, history, government, Latin, physical education, physics, mathematics, chemistry and music.

Teachers besides those mentioned are: Dr. R. H. Ritchie, Miss Bundy, Dr. Judson E. Woods, Dr. Karl Bergstresser, Dr. Harry E. Cooper, Prof. and Mrs. Everett Fetter and Prof. Edgar D. Kerr.

O. U. HONOR ROLL

Undergraduate Scholarship Roll
Announced—Scholarships
and Prizes Awarded

The 1936-37 Ottawa University honor roll for undergraduates was announced this morning and carried the names of 10 juniors, nine sophomores and 12 freshmen.

Three juniors were given first honors. These are Blanche English, Gordon Fogdall and Irene Ruskin. Seven earned second honors, Marie Burris, Edith Clemmons, Joseph Lynch, Leland Roth, Howard Rounds, Olin Sidebottom and Leonard Sizer.

Louise Shade and Robert Steiger were the only second year students to make first honors, but six of their classmates made the second honor rating: Lucille Childers, LeRoy Cowperthwaite, Dorothy Meyers, Margaret Shively, John Socolofsky and Elizabeth Whitaker.

Twelve freshmen were named to membership in the freshman tenth which group represents the highest 10 per cent of the class. These were: Jo Davis, Maurine Anderson, C. W. Lowrey, Ethel Mae Schober, Stanford Splitter, David McWilliams, Harold Wi-berg, Edith Wilson, Harold Croan, Pearl Woolfolk, Wilma English and Freda Fellnagle. Of this group Miss Davis made a straight "A" average for the entire year.

At the commencement exercises the following scholarships were awarded: The Filson-Shoemaker memorial to Helen Foote; the Liberty memorial fund to Elizabeth Neuenswander of Welda, a freshman next year; the Elizabeth Higgins memorial to Leonard Fergus; the Ward alumni memorial to Edith Clemmons; and the Ottawa high school honor award to Don Hogue.

The First National bank Latin prize of \$5 was awarded to Maurine Anderson of Walnut, Iowa. The Ellen Shelden Penny memorial prize of \$5 awarded to the senior with the highest scholastic average went to Arthur Lien of Chanute.

On the printed programs for commencement the name of Miss Rowena Butler was unfortunately left out of the list of those who earned second honors for the year.

Degrees were awarded to a class of 40 seniors this morning at the 72nd annual commencement exercises of Ottawa University at First Baptist church. A large audience was present for the ceremonies.

Dr. Robert I. Wilson, pastor of the First Baptist church of Kansas City, Mo., used as his topic, "Final Examinations" and told the seniors that their answer to three questions would determine their life course. These were: What is your attitude toward yourself? What is your attitude toward others? What is your attitude toward God? He further told them that education is more than a mastery of facts; it is a refining process of the human personality. "Until you have something big enough in your life to die for, you will have nothing to live for," the speaker warned.

Honorary Degrees to Four

Honorary degrees were awarded to Rev. Wilson, the speaker, William G. Nelson of Detroit, a rubber company executive, and Dr. W. B. Wilson and Prof. R. H. Ritchie of the university faculty.

Dr. Andrew B. Martin, president of the university, in making a few remarks about the state of the school, said that O. U. must continue to emphasize its Christian teachings.

The alumni cup was awarded to the class of 1912 which had 54 per cent of its members back at the reunion.

Beautiful music was provided by the university orchestra which played the processional and the recessional marches. A senior quartet made up of Eileen Wilson, Lowell Orbison, Rowena Butler and John Lewis sang "As Tor-

rents in Summer by Edgar and Czecholovakian Dance Song" arranged by Krone. Miss Wilson sang a solo, "A Spirit Flower" by Campbell-Tipton.

The bachelor of arts candidates were presented by Dr. W. B. Wilson and Dr. Harry E. Cooper announced that Charles Berry, the lone candidate for the bachelor of music degree, was unable to be present. The degree will be sent to him. Dr. W. A. Elliott presented the candidates for the honorary degrees.

Many Alumni Here

Many alumni were present for the annual reunion activities yesterday. About 250 were present yesterday noon at the picnic-dinner served by Ward chapter in honor of the visiting alumni. Miss Eleanor Vincent was in general charge of the arrangements.

In the afternoon another large group of alumni attended the program presented by the music department and players club.

Fine Banquet Program

The focal point of interest for the alumni was the brilliant banquet held last evening in Memorial auditorium with 240 alumni being present to enjoy the toasts, talks and music centering around a coronation theme. Dr. Chester Roberts of Colgate University was toastmaster and skillfully directed the program to the satisfaction of the large audience. Rev. Guy Wimmer of Chicago was song leader and kept the alumni merry with many songs.

Miss Eleanor Lister opened the program by welcoming the seniors into the alumni association and Eldon Addy, president of the class, gave the response. Marion Hume, association president, briefly reviewed alumni progress and Miss Lulu Brown presented a memorial service for graduates who have died during the year.

Toasts were given by Dr. J. T. Crawford, Clyde King, Gordon Peterson, Charles Jacobus, Cecil

Coad and Robert Bundy, representing special reunion classes. Dr. Martin said a few words concerning the condition of the university. The closing feature of the program was a broadcast of greetings from O. U. alumni scattered over the world.

Music for the evening was provided by Miss Viola Heitschmidt, vocal soloist; by the university quartet made up of Prof. Edgar D. Kerr, Lowell Orbison, Leland Roth and Oscar Butler; and by Loren Latimer, harpist, and Everett Fetter, violinist, who played a duet.

Used Coronation Theme

The table decorations followed the coronation theme, the favors being molded crowns painted gold, purple and white. The programs were in the form of scrolls rolled on small sticks of wood and tied with yellow and purple ribbon. Crowns and coaches were centerpieces for the tables which also were decorated with yellow candles in crystal holders.

Mrs. Harry Ireland was chairman of the committee and was assisted by Mr. and Mrs. B. Smith Haworth, Miss Frances Clanton, Miss Josephine Dalton, Miss Marjorie Lancaster, Howard Doman and Joel Towner.

A small crowd of friends of the university attended a dinner at noon today. M. C. Hume presided over an informal program.

The closing commencement week feature will be the senior play, "The Admirable Crichton", in Memorial Auditorium tonight.
