## WELLNESS CENTER

The Ottawa University Wellness Center has been in operation for over a year now and has received a larger share of visitors. The completion of the Center is the first phase of a five year project, which will include some renovation of the Mabee Center as well. Highlights of the Wellness Center include a carpeted area for weightlifting, rowing machines, a stair stepper, a Nordic Track cross country skiing machine, treadmills, an upper cycle, and a variety of stationary exer-cycles. Aerobic dance sessions are also offered during the week. The OU swimming pool offers swimming throughout the week as well as water aerobics in the evenings. The Center represents a building, a philosophy, and an attitude for the development of the whole person.

Dear Fans:

Ottawa University has a long history of integrating a strong and varied intercollegiate athletic program with a liberal arts academic program. Students further their total campus educational experience by participating in sports activities, either as team members or spectators. It is therefore in this sense of a complete campus life that we also welcome our many friends to join us in our athletic events. We encourage you to visit our programs and activities, participate in as many as you possibly can, and become a part of the OU experience. Your presence, whether you are from nearby or afar, is vital to our students' educational experience. We thank you for joining us. Enjoy the game, and return whenever possible!

## SPORTS INFORMATION

The Ottawa University Sports Information Office is a student organization headquartered in Room 107B of the Administration Building. An extension of the Public Relations Office, the Sports Information Staff is responsible for reporting results from the OU athletic events to the media and to conference and district headquarters. They also take statistics at various athletic events, issue news releases and feature stories about University athletes and athletic performances to hometown newspapers and radio stations and prepare the programs for OU sporting events.

Sports Information is part of the greater University Relations Office and is under the direct supervision of Marty Smith, director of public relations.

Mike Smith, a senior from Carbondale, KS, is sports information director, and Spence Koehn, a sophomore from Fort Lupton, CO, is his assistant.

# Football Coaching Staff

**HEAD COACH DAVE DALLAS**

## **COACH DALLAS**

Coach Dallas will begin his third year as head football coach at Ottawa University. Last season he compiled a conference record of 5-4 and 5-5 overall. Coach Dallas came to the University in 1989. Previously, he was defensive coordinator at Graceland College in Lamoni, Iowa, where he also served as recruiting coordinator.

## **SEASON OUTLOOK**

The 1991 Ottawa University Braves are looking to improve upon their fourth place finish in the KCAC last year. The Braves started slow in 1990 but finished the season 5-5 overall, winning four of their last five games. A key to the second half of the '90 season was the arm of second team All-Conference quarterback, Barry Bronk. Bronk will be a junior this season and Coach Dave Dallas plans on using his young quarterback's arm to carry the offense.

The Braves will return eight offensive starters including four offensive lineman. "We hope to utilize both the run and pass, but we would like to set up our running game by establishing an effective passing game," said Coach Dallas. Bronk's main receiver will be Matt Weidl, a 1990 second team all-conference tight end.

Although the Braves lost three of their top tacklers, Coach Dallas is still very optimistic of his defensive unit. "Our defense will be very athletic, strong and quick. What we lack in size we'll make up in these areas," stated Dallas.

"We're very excited about the 1991 season. We've set some very realistic goals for this year, and I think if we can avoid crucial injuries and give 100% each week those goals will be reached," concluded Dallas.

**Don Boulware**--Coach Boulware is in this third year as offensive coordinator for the Braves. Don previously coached track and football at Saint Genevieve, Mo. Coach Boulware earned his bachelor's degree in physical education from Northeast Missouri State University.

**Jim Grogan**--Coach Grogan graduated from OU in 1953 and is currently in his 18th year of coaching. Jim will be coaching the defensive secondary while also coaching at Ottawa High School. While at OU, Jim was a four year letterman.

**William Willie**--Coach Wille will be in his 3rd year as coach of the offensive line. Wille was a graduate assistant at Southern Arkansas University. Wille has a master's in guidance and counseling and is also the resident director of Brown Hall.

**Merle Chesbro**--Coach Chesbro is in his 2nd year as the defensive back coach. Merle previously coached the linebackers at the University of Kansas as student assistant for two years. Merle is currently seeking his teaching degree here at OU.

## **OU ASSISTANT COACHES**

**Kevin Johnson**--This is coach Johnson's first year with the Braves. He graduated from Baker University in 1991 as a business major. While at Baker he was an All-Conference defensive back. He is the defensive secondary coach, and is also a resident director in Price Hall.

**Chuck Lee**--A first year coach with the OU program, Coach Lee will be the defensive coordinator. He was the head football coach at Williamsburg High School for nine years, and currently teaches and coaches junior high track and basketball at Williamsburg. Coach Lee is a 1980 graduate of Baker University. His wife, Tonia, is the instructor of human services at OU.

**Justin Whalen**--Coach Whalen is a student assistant and will be working with the defensive line. He comes to OU from Ft. Scott Community College where he received his associates degree and was a student assistant there for three years. He is currently pursuing a degree in History Education at OU.

**Mark Weaver**--Coach Weaver played for Ottawa University for two years and was named to the All-conference team last year for his play on the offensive line. As a student assistant he will be working with the offensive line. Coach Weaver is currently finishing his Education degree at OU.
