were sold at prices far below the real value in the
judgment of competent men. for which lands
the sum of ~~the~~ had been received. ~~It~~ was found
that J. S. Kallach had sold without instructions
from the Trustees 2872 acres for which he had
received ~~the~~ It was moved to recommend

the Trustees to have all lands sold by C. C.
Sutcliffe appraised, and the same ^{to be charged to} him.
Carried. Mr. Kallach then made a proposition
viz that if the Committee should see fit to recom-
mend the Trustees to ratify all the sales that he
had made of Trustlands which had been ascertained
by the Treasurers ~~up to this date~~ and at the prices
given to him, ^{and the Trustees should so ratify said sales} he would consider his claim against
the Trustees as fully paid and would give a receipt
to that effect, it being understood that this recom-
mendation was to cover no sales but such as was
known at this date and such as was sold at the prices
given in to Treasurers. The Committee then voted
recommending the Trustees to ratify the said
sales as ascertained.

The Committee then voted approving of the
way in which the investigation of the University
Matters had been ^{made} and of the determination now recom-
mended respecting a part of them. And further
heartily recommended the University to the Baptists
of the State and the Denomination generally as worthy
of their prayers and support.
