PRESIDENT'S NOTE

Gary Horn, President

It is truly hard for me to believe that I am already writing my last President's note. Time has gone by very quickly. But, as often said, "Time flys when you're having fun"! The past two years have been exciting, eventful, and rewarding.

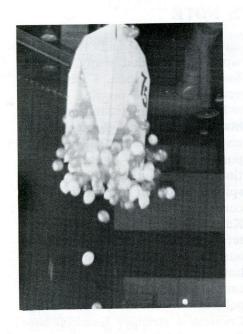

La Crosse was the ultimate height of my career in over 20 years with Pi Kappa Delta. The Diamond Jubilee Anniversary was deservedly a monumental convention. It shall serve as a tribute to the past and an inspiration to the future for Pi Kappa Delta. I thoroughly enjoyed seeing old friends and meeting new ones at La Crosse.

I want to extend my personal thanks to the many individuals who have been instrumental in supporting Pi Kappa Delta for this term. The National Council did an outstanding job and their hard work has yielded many rewards for the organization. I am deeply grateful to these people.

Indeed, much progress made in realizing the goals and objectives that we had set forth to pursue. Pi Kappa Delta has continued to strengthen and grow. Despite a period of retrenchment occuring in higher education, Pi Kappa Delta added 22 new chapters and over 1200 new members. our ties to other forensic organizations have improved, as we continue to fortify the successful policies within the organization. Creating a stronger financial base through development remains an objective that must be further conquered.

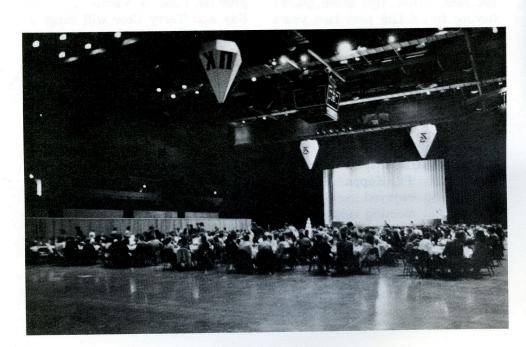

For the future, there is much promise. I am confident that David Ray and Terry Cole will forge ahead into new realms of success for Pi Kappa Delta. I welcome Bob Derryberry to his position on National Council and look forward to his continued contributions to the organization. I must thank Tony Schroeder for his fine work as editor of "The Forensic", and Welcome Penny Swisher Kievet to the position. Please support "The Forensic" by sending articles and news from your local chapters.

I am excited about the next two years as Pi Kappa Delta continues to evolve and grow. I ask all of you to "Meet Me In St. Louis" for the 1989 Pi Kappa Delta Convention!!
