
WHO TOOK MACAULAY'S BOOK ON ETIQUETTE?

Who stole it? Who took "Etiquette" by Emily Post from Miss Macaulay's room? All of the cottage girls swear that it was not any of them that took it. And as yet no trace of the precious book has been found. It seems to have just disappeared suddenly —

Was it some big football man that took it? Was it possible that some big strong he-man took it under cover of secrecy so that his personal manners might be improved? And was he ashamed to let anyone know that he was ashamed of being so ambitious?

Or possibly it was some girl, who feeling the need of such aid as the book might give, took it in order that the library or book store might not

Know her ignorance.

Or did some teacher—worse idea—slyly take it to peruse perhaps in the waking hours of the dull morning its authentic pages in search of further refinement?

And yet all detectives of Ottawa University who have been working upon said case have not even broken the surface of the mystery. Everything is shrouded in obscurity and not the least trace of evidence is obtainable.

A loud and long call for aid has therefore been extended by all of those concerned to all students for any information which may be had. Anyone who may have information on the subject will please report same to the office of The Campus for delivery.
