President's Reception Was Held Wednesday

The President's Formal Reception held in the University Union at eight o'clock in the evening, Wednesday, September 22, was an occasion to be remembered at Ottawa University. The basic color scheme of the Reception was black and white. At the head of the reception line was Mr. Robert Wallace, STUCO President, followed by President and Mrs. Andrew B. Martin, Dean and Mrs. W. D. Bemmels, Mr. and Mrs. Jack Cassidy, and Mr. James Montgomery, Student Manager.

Lovely dance music played during the reception was provided by Hollander's String Ensemble and the Starlighters. Entertainment for those who had gone through the line and who were waiting for the line to finish was provided in the Green-Gold-Beige Room by Mr. John Jones, a folk singer and teacher at Ottawa High School.

Adding a big toast to the lovely evening was master of ceremonies, Dan Griffin. Refreshments were served to the guests. A very fine evening was enjoyed by all who attended and will be remembered for a long time.
