* Care Package letter — 1989-90.

The chair (not president) attended parents' / spouses' meeting during orientation.

Also we sent out a separate mailing (not through Dean of Students office) about October 2. We had much better response to care packages this year. We felt it was worth doing our own mailing.

See the print shop about bulk mailing. Also check with responses already received from parents who were at orientation meeting or who read the notice in the Summer Tauntalk or Summertime.

Meet with scholarship committee in ^{early} April so students can be informed and invited to the May brunch. Give a list of suggested women to registrar to check GPAs then to financial aid to check need.

May 90 - Janice Trigg has the copies card.

We've made and delivered valentines (and cookies) to our shut-ins. They seem to love them!
