
Dr. Martin Has A Busy Life

Dr. Martin has had, and will continue to have, a very busy schedule during the month of January.

Last Sunday he preached at the Christian church in Ottawa. On the 13th and 14th he attended the State Board meeting of the Kan-

sas bankers Association in Topeka.
January 23rd, Dr. Martin plans to speak at the First Baptist church in Pratt. Ruth Koontz, Ottawa University graduate of '47 and teacher at the Pratt Junior College, has arranged for Dr. Martin to meet prospective students while he is there. He will play the choir records and show the University slides.

In Denver on January 26, Dr. Martin will attend a budget meeting, and on January 27, he will attend the schoolmaster's club in Wichita.

Never a dull moment in the life of a college president!
