

Presley Publishes Again

Dr. Horton Presley, professor of English at Ottawa University from 1956 until 1977, has written *Principles of Music and Visual Arts*, which is a textbook published by the University Press of America. He also has written

an article for the Dulcimer Players News about the Chinese hammered dulcimer (called Yang Chin) which he encountered and learned to play while a professor in Hong Kong. He now is associate professor of English and Fine Arts at Dalton Junior College. Horton and Lorena Presley reside at 114 Shallowford Road, Dalton, Georgia 30720. ■
