

O. U. WON SECOND

Baker Was First in Quadrangular at Baldwin.

Ottawa University upset the dope Saturday afternoon at Baldwin in a quadrangular track meet and won second over College of Emporia. Baker won the meet with 62 1/3 points, Ottawa had 42, C. of E. 38 1/2, and Haskell 16 1/6.

The quadrangular gave some indication as to how the Kansas conference meet will go on May 15. It is expected Baker will win the meet with Kansas Wesleyan, C. of E. and Ottawa fighting it out for second place. Baker probably will not score as many points as it did Saturday due to the fact that some of the points, particularly in the dashes, will be taken over by Kansas Wesleyan.

Methodists Will Be Hard Pressed in Conference Meet Friday

Friday afternoon athletes of the Kansas conference will vie at Baldwin for supremacy of track and field. Eliminations will be held Friday morning and finals will get under way about 1:30 in the afternoon.

Apparently Baker will have no difficulty in winning the meet by a comfortable margin, but may be pressed in some events. The Wildcats are strongest in the flat running events but may find their supremacy disputed there.

Kansas Wesleyan with a trio of brilliant dash men, Warner, Launchbaugh and Green, may take some of the dash points away from Baker which fact would make it harder for Coach G. S. Bretnall's men. Smith of Baker will probably win the quarter mile easily since his time is about two seconds faster, but who knows what will happen with about a dozen quarter milers competing. Dissinger of Baker will undoubtedly take the half mile and the mile events.

At this point the right-of-way belonging to Baker ends and in the hurdle and field events their way will be disputed. Koehler of Ottawa probably will take the high hurdle events unless he is beaten out by Dingus, his teammate. Koehler is picking up speed constantly and so might win the low hurdles, although the dope favors Rock of Emporia or Warner of Wesleyan.

Starr of Ottawa and Rock of Emporia will fight it out for the broad jump championship and Mullen of Ottawa may get a place. Since there are no outstanding high jumpers in the conference there are no favorites in that event. The pole vault is expected to be a contest between Mullen and Dingus of Ottawa, McKay of Baker, Morris of Wesleyan and a McPherson vaulter.

Eagles of Ottawa should be the best javelin tosser but of late he has not been getting the spear out far, so may be hard pressed. Heinie of Baker thus far has been the best shot putter but C. of E. and Wesleyan have a number of good weight tossers. Myers of McPherson should unwind on the discus to toss it much farther than anyone else in the conference.

Regardless of how much an edge Baker may have the meet will be an interesting one. The race between C. of E., Wesleyan and Ottawa for second place will feature the meet.

OUT OF TRIANGULAR

Ottawa University will not compete in the track meet scheduled for Friday with Emporia and Haskell, Coach Charles Dee Erickson of Ottawa announced yesterday. The meet was originally scheduled to be held in Lawrence, but a few days ago it was changed to Emporia. Erickson finds it not advisable to take his team to Emporia this week.

GAVE BAKER A SCARE

O. U. Track Team Won a Close Second in Conference Meet.

The Ottawa University track team upset the dope to win second place in the Kansas conference track and field meet yesterday at Baldwin. The Braves not only won second with 47½ points but almost nosed out Baker University. The latter scored 50 1/3 points to win first. College of Emporia was third with 29½ points, Kansas Wesleyan fourth with 26 2/3, and McPherson fifth with 10 points.

Baker was doped to win by a considerable margin, but there was a bunch of scrapping Ottawans out to give Coach Dee Erickson a farewell present. They did not upset the dope sufficiently to win first but came within an ace of doing so.

It was a fast meet with keen competition all the way. Three conference records were broken. Asa Eagles tossed the javelin 194 feet, 2 inches to break the old record of 178 feet established in 1933 by Rock of McPherson. It was an outstanding performance at the meet. Previously Eagles had upset the dope by winning the shotput with a heave of 42 feet, 4½ inches. This was the major upset of the meet as at least three or four weight men were scheduled to beat the Leavenworth boy.

Wendell Starr made a new conference record in the broad jump by leaping 22 feet, 10 inches. Starr's jump came in the finals of the event when he needed the distance to beat out Anderson of Baker and Rock of C. of E.

Ed Dissinger of Baker set a record-breaking pace in the mile, running it in 4:23.4. This brilliant runner also won the half-mile and 2-mile to be the high point man of the meet.

Hugh Mullen of Ottawa upset the dope in the pole vault by beating Haun of McPherson with a vault of 12 feet, 3½ inches which is a new Ottawa school record. He also took fourth in the broad jump.

Another upset was pulled by the hard competing Ottawans in the low hurdles. Warner of Wesleyan and Rock of Emporia had both outdistanced the Ottawans in earlier meets, but Bill Mattis won the event with Koehler close on his heels. In the high hurdles the dope was true with Koehler winning and Dingus, also of Ottawa, finishing second. Dingus also won third in the pole vault and tied for second in the high jump. Wiberg, Ottawa freshman and a coming field star, won fourth in the high jump. Hoover of Ottawa won fourth in the quarter-mile. Edwards of Ottawa won fourth in the mile. Dowell took fourth in the 2-mile event.

Erickson was well pleased with the performance of his men in the meet, declaring they won all the points that they should have and a few more. He said he thought his team improved during the season more than any

other team he has ever coached. They started out as a very mediocre team and ended as a brilliant group of performers.

The meet yesterday was the last for Hugh Mullen, Walter Dingus, Clarence Dowell and Wendell Starr who graduate this spring.

The summary of the meet yesterday:

Mile run—Won by Dissinger, Baker; Carey, C. of E., second; McKinney, Baker, third; Edwards, Ottawa, fourth. Time, 4 min., 33.4 sec. (New record).

440-yard dash—Won by Smith, Baker; Seaman, Baker, second; McNickle, C. of E., third; Hoover, Ottawa, fourth. Time 51.3 sec.
