To the Board of Trustees of Ottawa University,
Gentlemen:

Your Committee to whom was
assigned the duty of nominating to your Board
a suitable candidate for the Presidency of
Ottawa University, would respectfully report
as follows. We have considered several
gentlemen with respect to their Presidential
qualifications, and in but one case did we
think it prudent to pursue the investigation
far. One man alone seemed to present
claims which we considered would justify
making an expenditure both to see him and
to give him an opportunity to look over the
ground. From the work done by Principal
John Greene of Reddie Institute, N.J. from
the telling & recommendation

felt that possibly we had found the man
who would be willing to take hold of our mi-
nister, and whom we should be willing to
follow. After the members of the Board had seen for him and
after looking over the field.

Especially after receiving generous pledge
from her friends on his ^{return home} on behalf of his mi-
nistry. He concluded that duty demanded
that he should remain there. Your
Committee have ^{now} no one whom we are
willing to nominate, yet we are still
on the look out for the right man.
