Life's Great Journey from Self-Security to God-Security

- Not from San Francisco to Honolulu or New York to Stockholm.
- Not from the bottom of the pile to the top.
- Not from the little house on one side of town to the big house in another area.
- Not from belief in what cannot last to trust in God.

① The false securities must be dealt a death blow

- The self clings to power, lust, position and even family.
- "I shall have no other God before me."
- "I am crucified with Christ."
- This is the heart of surrender.
- God is trying to get us to give up our toys, to go from immaturity to maturity.

② This is an inner journey

- Journey of Faith
- Where our ultimate realities are.

③ God will only give him self to those  
who have given themselves.

- We ask for health or power or  
peace of mind.
- Can we handle this?
- Beyond the struggle God offers  
himself.

We Are Brought Into This Journey By Differing Factors

① There Are Negative Factors

- Lacrimates and Heartaches
- Failures and Disappointments
- We become bitter or we learn to abuse God.

② There are the Positive Factors

- Love and Friendships
- Gratitude for Goodness
- We become Optimistic or we Trust.

In The End We All Take This Journey

① In This Life

- We have the Grace and Courage to Get Into It.

② In the Next Life

- Our courageous friends preparing for her Journey.

③ So God Writes us to An Altar

- Here we offer our Best and God gives us the Best.

Anthem—"Jesus, Lover Of My Soul".....Foss

Jesus, Lover of my soul, let me to Thy bosom fly.

While the nearer waters roll, while the tempest still is high;

Hide me, O my Saviour hide, till the storm of life is past;

Safe into the haven guide, O receive my soul at last.

Other refuge have I none; Hangs my helpless soul on Thee;

Leave, ah, leave me not alone, still support and comfort me.

All my trust on Thee is stayed, all my help from Thee I bring;

Cover my defenseless head with the shadow of Thy wing.

Thou, O Christ, art all I want; more than all in Thee I find;

Raise the fallen, cheer the faint, heal the sick and lead the blind.

Just and holy is Thy name, I am all unrighteousness;

False and full of sin I am, Thou art full of truth and grace.

Plenteous grace with Thee is found, grace to cover all my sin;

Let the healing streams abound; make and keep me pure within.

Thou of life the Fountain art, freely let me take of Thee;

Spring Thou up within my heart, rise to all eternity.
