

Psi Tea Honors Pledges

The pledges of the Sigma Iota Psi were entertained at a tea Sunday, October 6, in the recital hall of Taüy Jones.

A small reception line consisting of Miss Nelle Buchanan, sponsor of the club, Martha Hull, master of the club, and Charlotte Wylie, social chairman, greeted the girls as they entered the room. A short entertaining program was presented by several of the club's active members: Shirley Hodges sang a solo, "The Cuckoo"; Elaine Miller gave a reading, "The Man Without a Country"; and Marian Barnes and Martha Lou Dick played a piano duet, "Stardust." Martha Hull gave a short welcome to the new members.

Miss Buchanan and Lois Holcomb presided over the tea table which was decorated with pink

asters and pink tapers.

Dorothy Allen, Ruth Elder and Doris Bones were the committee in charge of the tea.
