

should help these individuals to function more effectively. Look for this handbook in the near future.

As we approach the end of another year of PKD competition and fellowship, please take the time to inform the national council of concerns you might have about the organization. Any forms that have been sent from the Secretary-Treasurer should be returned. Fees should be paid. Memberships for the year should be sent in. Try to tie up as many loose ends as possible. Monitor other schools in your area and encourage them to maintain strong ties with PKD. With all of our help, the national council will be able to do a better job of serving Pi Kappa Delta and its members.

MEET HAROLD WIDVEY
Secretary - Treasurer

My responsibility is to maintain the records of all meetings of Pi Kappa Delta, to maintain the financial records, to maintain continued contact with all chapters, members, and alumni of our organization to the extent possible.

I need your help to maintain the national office records for chapters and members.

I also welcome your suggestions for ways in which the national office can better serve Pi Kappa Delta.

CHAPTER NEWS

MISSOURI PSI CHAPTER HAS SUCCESSFUL SPRING SEMESTER

The Missouri Psi Chapter at the University of Missouri - St. Louis continues to experience growth and has won numerous awards in forensics during the 1987-88 season. As host chapter for the 1989 Pi Kappa Delta Nationals, the chapter, along with the rest of the Province of Missouri, is at the same time preparing to welcome Pi Kappa Delta to St. Louis.

The chapter has added 12 new members this school year - they are Tina Heitman, Jackie Manuele, Lisa Terry, Rod Pratt, Darick Williams, T.J. Harmon, Susan Smith, Anna Pointer, Butch Bellers, Robert Arnold, Erin Jarreau, and Carrie Jeffries. "The new members have added a new dimension to our program this year," said sponsor C. Thomas Preston, Jr. Among the awards won by the newcomers this year was the Pentathalon award at the Show Me Swing tournaments held January 22-24 at Central Missouri State University and Northeast Missouri State University, won by Heitman. Also, the newcomers contributed significantly to UM-St. Louis taking first in sweepstakes at the Swing, marking the first time that the school had won a first place sweepstakes at a tournament involving both debate and individual events.

The spring semester culminated in the chapter winning a superior sweepstakes trophy at the Pi Kappa Delta Tri-Provincial Tournament held at St. Mary's University in San Antonio, Texas. John Bernier, President of the Chapter, highlighted the performance at San Antonio by winning first place in poetry interpretation, reading "The Life of Lincoln West," by Gwendolyn Brooks. The individual events squad next looks forward to the National Forensic Association tournament to close out the season.

"We have had an extraordinary year," said Preston. "I give all of the credit to the fine students and to Scott Jensen, who joined the coaching staff this year and has done an outstanding job." Jensen directed the Missouri Association for Forensic Activities state championships February 26-27, which was hosted by UM-St. Louis. Preston served as President of the Association for 1987-88. "We are looking to even bigger and better things next year, especially welcoming all of our Pi Kappa Delta brothers and sisters to St. Louis a year from now," added Preston.
