THE CHOIR

Founded in 1938 by Professor Edgar D. Kerr, the Ottawa University Choir has been heard by thousands throughout America - in concerts, on radio, television, and recordings. The choir's annual tours have taken them to Europe, the East Coast, and throughout the Midwest. A five-week tour of Europe and the Mediterranean in the summer of 1972 took them to eight countries and included concerts in such historic places as the Basilica of St. Francis in Assisi, St. Cecilia's in Rome, Notre Dame de Paris, the Chartres Cathedral in France, and The Church of the Holy Nativity in Bethlehem.

THE UNIVERSITY

Ottawa's unique educational program is attracting national recognition and support because it contains so much of what today's students are seeking. There are opportunities to pursue self-designed educational and career plans with a student-selected team of advisors to help determine the student's own goals. That team works together to write out a personal education "contract" which acts as an agreement between the University and the student as to what constitutes graduation requirements for him or her.

There are opportunities to devise new combinations of courses or to design unusual specialties in areas such as urban studies, ecology, social change, ethnic studies, arts, and management.

The University has a flexible calendar that allows a combination of short-term and semester-length courses. Cross-cultural and cooperative education programs afford off-campus travel, study or work experiences.

THE ORGANIST

Carol Wilson, Instructor in organ and University Organist at Ottawa University, is a graduate of Colorado State University, Fort Collins, where she was an organ performance major studying with Robert Cavarra.
