report of the 1952

National Questions Committee

LARRY NORTON, Bradley University

Vote

The results of the vote on the National Discussion and Debate Topics for 1952-53 are listed below. Each first-place vote counted as four points, each second-place as three points, each third-place as two points, and each fourth-place as one point; thus the topic in each list receiving the highest total vote was chosen as the official question.

DEBATE

Rank

1st	Resolved, That the Congress of the Unit- ed States should enact a compulsory Fair Employment Practices Law	745
2nd	Resolved, That the Taft-Hartley Act should be repealed	668
3rd	Resolved, That the United States should administer all foreign economic aid ac- cording to the principles of Point Four.	624
4th	Resolved, That the United Nations should withdraw its military forces from Korea

tional potentialities of television?..... 563

- (1) The SAA Committee on Intercollegiate Debate and Discussion Activities is composed of one member from each of the four cooperating forensic societies—Tau Kappa Alpha, Delta Sigma Rho, Phi Rho Pi, and Pi Kappa Delta—and one member appointed by the president of the Speech Association of America. The chairmanship of the committee rotates among the four forensic societies and the SAA appointee.
- (2) Each committee member is responsible for polling the chapters of the organization which he represents. All suggestions for topics must be submitted to committee members not later than May first.
- (3) The committee members must meet during the months of May or June to decide on top-

- ics and phrase the questions for discussion and the propositions for debate.
- (4) The debate propositions and discussion questions are submitted for preferential vote not later than August first to all chapters of the four forensic organizations and to a representative number of the nonaffiliated schools.
- (5) If circumstances require a change during the season, the committee may, by a three-fifths vote, alter the wording or move to a second choice proposition or question. Individual chapters or schools are encouraged to write their reactions to the propositions or questions to members of the committee as the forensic year progresses.
- (6) The four cooperating forensic societies agree to use the SAA questions as their official propositions for debate and discussion for the college year. This does not prevent individual schools or groups of schools from debating or discussing more than one question during the school year; but it does mean that none of the four societies would select a different question.
- (7) The topics must be announced by September 10th. This year they were announced on the 15th of August.

Working under these regulations, the following committee members met in Chicago, Illinois, on June 20 and 21, 1952, and phrased the topics listed above: William Howell, University of Minnesota, Delta Sigma Rho; Glen Jones, Pueblo Junior College, Phi Rho Phi; Larry Norton, Bradley University, Pi Kappa Delta; Glen Mills, Northwestern University, representing Speech Association of America; and T. Earle Johnson, Chairman, University of Alabama, Tau Kappa Alpha.

The regulations under which the committee operates prevent issuing any official interpretation by the committee, nor is any organization or individual so authorized. The right of interpretation rests with those who debate the question. The committee has attempted to phrase questions broad in scope in order to encourage thorough analysis and investigation and to give the advantage to those students doing the more extensive and intelligent work. The committee members hope that the topics chosen will provide a profitable forensic experience during this school year.

Respectfully, W. L. Knies, Auditor

RIDIN' THE PROVINCES

Dear PKD's:

I hope you enjoyed a profitable and pleasant summer and are now ready for a big year of forensic activity that will climax with the largest and best national convention in the history of Pi Kappa Delta. I've been associated with forensics for over a quarter of a century but still enjoy the enthusiasm of a new fall, a new debate question, and an unexplored school year. There is something unusual about debating. Get it in your blood and it is always there. I am fully aware of the many criticisms raised against intercollegiate debate; yet, I am never quite convinced. I keep remembering the many friends I have made and the students I have seen develop a more mature judgment, the ability to analyze a question and an argument, the trait of debating to the fullest of their skills, and, win or lose, feel a genuine friendship for "the members of the opposition." I have never seen an intercollegiate debate end in a fight! I am firmly convinced that debating as an intercollegiate activity is an unparalled avenue to better citizenship.

This issue of The Forensic salutes a man who has devoted his productive years to forensics—Dr. E. R.NICHOLS, a founder and the first president of PKD, a Dean of American Speech, a molder of citizens. Dr. Nichols retired this summer as Chairman of the Department of Speech at Redlands University. I know that PKD's all over the world join this issue in saying, "Thanks for the opportunity, the intellectual development and friends your foresight, enthusiasm, and determination made possible. Many happy years for you—Dr. E. R. Nichols!"

I enjoyed a hot but pleasant three weeks in Oklahoma and Texas during the summer. While in Oklahoma, I visited with D. J. NABORS, National Council Member, fellow student, and Chairman of the Department of Speech at East Central College, Ada-my alma mater. I received a particular pleasure from seeing my name on the charter of the Oklahoma Eta chapter of Pi Kappa Delta that hangs in D. J.'s office. During our conversation I inquired about the other charter members. I learned that LYLE H. BOREN, five terms in the U.S. Congress, is now a rancher near Seminole, Oklahoma; LEONARD S. CALLIS is coaching football, Wetumka, Oklahoma; JACK T. CONN, lawyer and

president of the Oklahoma State Bank, Ada GORDON HARREL, professor of geography East Central College; WALLACE HOG-GATT, teaching speech at Bryon, Texas PHILLIP WIMBISH, lawyer, Tulsa; JOHN ZIMMERMAN, director of audio-visual education, East Central College; ROBERT MOORE, chairman of the Department of Speech, Peru, Nebraska; D. J. NABORS; and Dr. W. V. O'CONNELL, a national president of PKD, then sponsor of the Oklahoma chapter and now chairman of the Department of Speech, Northern Illinois State Teachers, De-Kalb.

My apologies to the following students of the Province of the Upper Mississippi for not including their names among those listed in the May, 1952, FORENSIC, who received a rating of excellent in oratory in the province tournament. (Final arrangement of the copy prevented their being listed): NORBERT TLACHAC, Wisconsin State at Eau Claire; DAVID SORG, St. Mary's; PAUL KLAVER-KAMP, St. Thomas; MARVIN SNIDER, Upper Iowa. ROBERT VAN HORN and DON DOTSON, Missouri Central College, should have been included among the debate teams who received a rating of excellent in the joint Missouri and Illinois Province Tournament.

I HEAR-

JAMES PEASE (Indiana Alpha), who won the oratorical contest at the tenth national PKD Convention, Lexington, Ky., 1934, is now associated with the New York City Opera Co., and took the lead in the opera "Figaro" which appeared at the Central City, Colorado, opera house, July 5-26.

DR. ALBERT KEISER, Lenoir Rhyne College (North Carolina Delta) has published his fifth book, College Names; Their Origin and Significance.

Missouri Central (Gamma): SANFORD C. WISE, '22, charter member, a financial analyst with Purina Mills, St. Louis, has been elected president of the Central College Alumni Association; Judge WILLIAM V. LISSBY, '29, Bozeman, Montana, was one of five alumni given a place of distinction at the June Commencement. Mississippi State College for Women (Gamma): JEAN WILSON, '52, is a librarian at Greenville, Mississippi, where she is using her double major in speech and library science by including a story hour

for children, adult discussion groups, and a radio program as a part of her library duties.

St. Martins (Washington Eta): HUGH HAFER is a straight-A student. DICK DON-ALDSON supports MARY LOU, his wife, and himself as a representative of a state-wide labor union.

ANN CRESAP DOROTHY Theta), '52, 1951-52 president of the local chapter, is teaching speech and English and coaching debate at Emporia, Kansas, High

RUTH HATCHETT of the English Department is the new director of the Savage Forensic and of debate at Southeastern State College (Oklahoma Theta).

CALVIN CANNON and JOHN CLAY-POOL (Texas Iota), '52, are studying at Tulane and Princeton Universities, respectively. Cannon plans to be a teacher; Clay-

pool is a pre-ministerial student.

We are very interested in keeping in contact with graduate members of PKD and having them keep in touch with their speech fraternity. We believe an excellent way of accomplishing both objectives is to have them receive The Forensic. Here is where chapter sponsors and active members can render a valuable aid to PKD. Will you serve as a personal representative to send Dr. S. R. Toussaint, 1713 Glenmere Blvd., Greeley, Colorado, all the present addresses of PKD alumni you know and contact as many of your chapter alumni as possible regarding their subscribing to THE FORENSIC. The subscription rate is only \$1.00 per year. If each chapter would secure only ten subscriptions it would be a real value to PKD both from the standpoint of publicity and a more stable financial basis for publishing our magazine. Will you accept the obligation and send, at least, ten subscription to Dr. Toussaint.

Your editors appreciated all the kind comments we received last year. We know we made mistakes. We will continue to try to hold errors down to a minimum and give you a better magazine. We would appreciate your comments regarding the new size and format

of the present issue. This is the big year for many of us-the National Convention at Kalamazoo, Michigan. We will give you full details in the January issue. Hope to see all of you there! Don't forget to send me chapter information (plans, activities, officers, personnel). Your contributions make The Forensic live. See you at Your Editor Kalamazoo!

Chapter Notes

LOUISIANA DELTA

Southwestern Louisiana Institute began its 1952-53 forensic program September 23 with tryouts for the first year debate squad. The varsity squad of thirty members plans to participate in five tournaments before attending the National PKD tournament next spring Tournaments for high school students will be held on December 12-13 and March 27-28 Activities will include debate, poetry interpretative reading, and radio speaking.

Peggy Robison, Walter Krousel and Anne Connoughton have qualified for the degree of special distinction in both the orders of debate and oratory.

TEXAS KAPPA

On July 8, the former debaters of Dr. Earl Huffor sponsored a program in the open-air theatre celebrating his 35 years of service as debate coach. Raymond Roebuck, teacher in the Houston public schools and the first debator of Dr. Huffor was Master of Ceremonies Barbara Boyd, recipient of the Pete Seale award for 1951 spoke for the present students Contributions were made to form an Earl Huffor Loan Fund.

Dr. Huffor is a former member of the National Council of PKD and was host to the 1936 national convention.

Mary Austin Thomas, received the Pete Seale award for 1952 which is given the outstanding debator at Sam Houston State Teachers College.

OKLAHOMA THETA

The many thousands of student debators, forensic speakers, and teachers who have made the annual trek to the Savage Forensic at Oklahoma Southeastern College, during the past twenty-three years regret the retirement of Professor T. A. (Uncle Tom) Houston. Director of the tournament and of Intercollegiate Forensics Activities at Southeastern, Professor Houston served as professor of history and head of the social studies department for thirty-one years. He will continue to live at Durant, Oklahoma. "The art of persuasion, beautiful and just" applies in every sense to the personality, the influence, and the Savage Forensic of "Uncle Tom." Our united thanks to you for your long years of devoted effort to make America live through the spoken

MISSISSIPPI GAMMA

Forensic activities at Mississippi State College for Women began September 25 when sixteen students reported for the first debate meeting of the year. Plans include participation in the Alabama University Discussion Tournament, the Mississippi Youth Congress, the Millsaps College Debate Tournament, the Deep South Debate Conference, the MSCW Magnolia Tournament, and the National PKD.

In response to numerous requests, the Magnolia Tournament, sponsored by the Mississippi Gamma chapter, will be expanded this year to include the participation of men students. The tournament will be held March 6-7.

TEXAS IOTA

An integral part of the Baylor University forensic program is the Baylor Union Discussion Forum which meets each Tuesday evening. A different topic is selected for each weekly program. After the panel discusses the assigned topic, the meeting is thrown open to the members of the audience. Audiences have ranged from 16 to 300 members. Each third Tuesday, representatives from other colleges participate with the Baylor speakers. Bradford Corrigan is permanent chairman and arranger of the forums.

CHAPTER OFFICERS
