The Office of the President.

My dear Friend:

We learn from the records of the of which you are a member, that you have in your family a child of school age. We write you in behalf of the Baptists of Kansas, in the hope that we may be able to interest you in the work which we are doing.

We want your children to enter Ottawa University, and to take as complete a course here as time and means permit. We believe that as a moral question every young man and woman owes himself the very best training for life that is within reach. We are prepared to give that training, and we are willing to make a special offer to place it within the reach of your child if he wishes it.

May we not count on your interest and co-operation in this matter? We would appreciate it very much if you were to fill out the enclosed card, and mail it to us at your early convenience with a letter from you stating the situation. It is more than possible that we can open the way to opportunities which have not seemed feasible before.

I remain, in Christian service,

Sincerely yours,

Acting-President of
Ottawa University.
