

If you were--as I did last night (3Nov77)--to happen upon a book-opening on which, "bleeding" [i.e., without margin] off the left page, was the hindquarters of a mouse, without the rest of the mouse bleeding onto the right page and in accurate registration.... and nothing else printed on either page....

1. HOW WOULD YOU FEEL (including what attitudes would you have)?

2. WHAT WOULD YOU THINK?

3. WHAT ANALOGS (parallels, personal and indirect) WOULD COME TO MIND?

4. WHAT WOULD YOU EXPECT?
